

## **GLOBAL ASTRONOMY MONTH**

Global astronomy Month (GAM), organized in April every year by Astronomers without Borders, is the world's largest global celebration of astronomy. GAM 2017 brings new ideas and new opportunities, again bringing enthusiasts together worldwide to celebrate Astronomers without Borders' (AWB) motto, One People, One Sky.

Students were involved in fun science and astronomy events like Yuri's Night, Hubble Space Telescope Anniversary, Earth Day, Sun Day, Astro Poetry Competition, Astro Art Competition etc to inculcate scientific temperament. Students also visited Russian Centre of Science and Culture where students learnt more about the life of Yuri Gagarin, also the paintings of the students were displayed in an Exhibition where Hitashi Garg of class V received a prize for the best painting from Mr. C.B Devgun president of SPACE Technology and Education Pvt. Ltd. The students also got a platform for hands on science learning through nature.
