

## Inter House Hydro Rocketry Competition

An Inter-House Hydro Rocketry Competition was organized for the students of class VIII on August 24, 2017. Students were given instructions regarding the competition. In first part of the competition, students constructed their own Hydro-rockets with great enthusiasm using plastic bottles and paper. They got hands on experience in making rockets. After the construction, students again assembled at 8.30 am for the launching of rockets. Firstly, they were shown a demo rocket launch which increased their excitement. Afterwards, Students launched their rockets team wise. They had fun during the competition. Competition was initiated with the rocket launch by Ms. Anjali. **The winner of the Inter-House Hydrorocket Competition was Vivekanand House.**

### Photographs of the Event:

Students made rockets with the help of empty bottles and paper

Group photograph of all the students with their Hydro Rockets

SPACE educator Ms. Chitra judged the competition

Coordinator ma'am Ms. Anjali initiated the competition with the rocket launch

**Students enjoyed launching Hydro-Rockets**

**Coordinator ma'am with volunteers launched the rocket**
