

PROJECTS

AWAAHAN

- A community service team created by the student volunteers of classes IX and X, dedicated to maintaining cleanliness, school infrastructure and systematic student dispersal. The motive is to make the children “own” the school.

CHAMPIONS FOR CHANGE

- The school has been nominated for the Cine/Art Steer to Safety program ‘Champions for Change’ led by PVR Nest and supported by Michelin India. The aim is to sensitize school students on road safety issues.
- **Vroom Club**, started by the students of classes VI to X, generated road safety awareness among the students by conducting workshops, screenings and demonstrations.

LITERACY THROUGH READING PROJECT

- **Online Readers Club** was formed to connect all the libraries of various BBPS units. A team of students of classes IX and X undertook book discussions, debates and discussions on various issues every month, as part of the club activities.

- **Good Reading Scheme** is an ongoing project where students of classes II to XI read books and are awarded merit certificates.

EACH ONE, TEACH ONE

- All the students of classes VI-X have been enrolled for the Rotary Indian Global Dream Campaign to make at least one adult literate.
- The school was chosen by Rotary International to participate in its Each One Teach One project.

GLOBAL CITIZENS PROJECT

- Students actively participated in various ISA activities, in order to build global citizenship

- As an endeavour to build global citizenship, students gave class presentations on the theme -Peace. Further, integrated holiday homework projects were made on the topics- Monuments in India, Metro, Yamuna, Gender Disparity and Media- and guidelines given.

ABHIMANCH

- Living up to the objective of education for all and encouraging every child to identify his/her potential **ABHIMANCH**, a class presentations programme, was started. The students of classes VI to XI gave class presentations. Some of the presentations were on States of India, Five Elements, Life of Famous Mathematicians and Shakespeare. Each child of every class participated in the event.

SPIRITUAL ENLIGHTENMENT PROJECT

‘There is no better joy than the joy of giving’

- In order to inculcate social and environmental responsibility among the students, several programmes were organized such as- Swachh Bharat Abhiyaan, Green School Programme, Polio Awareness Drive, Langar and Hawan. Visits to orphanage and old age home made the students realize the importance of giving and sharing.

- The students visited ‘Prayas’ , an NGO in Jahangir Puri serving as a home to 137 children.
- Students also visited ‘Missionaries of Charity’, Timarpur , Earth Saviours Foundation , Bal Sahyog and Vanprasth Ashram thereby learning to empathize with those less privileged.
- A Woollen collection drive was organized in association with The Hindustan Times. This initiative was started under the aegis of Godrej Foundation.

COLLABORATION WITH ART OF LIVING

- 165 students participated in World Culture Festival, organized by Art of Living, celebrating diversity in cultures across the world and propagating global unity.

SCHOLASTIC ENDEAVOURS

- Sanskrit Week was celebrated to promote teaching and learning of Sanskrit. The students were engaged in various activities during the week such as, Sanskrit Antakshari, Essay Writing, Sanskrit movie screening, research on the genesis of Sanskrit and language based games.

- 2160 students from classes VI onwards participated in the Annual Swami Vivekanand Competition, out of which 36 students qualified for the second round.
- Students were given Literary and Creative Skills FA activities in the library wherein they made 4 pages long newsletters, pages dedicated to social issues/ current affairs, sports, Delhi and moral values, respectively.
- Art FA activity was organized in which the students designed Oggy fans, Vesak Lamps, stamps on monuments and cartoons on Mughal rulers.
- The school has introduced Vedic Maths Classes for the students of classes VI to X on every working Saturday. The classes are aimed at developing a strong Mathematical aptitude.

LIFE SKILLS

- Dr. Mandeep Kaur, Asst. Professor of Psychology at Kamla Nehru College, Delhi University, conducted a Social Skills Intervention Programme for students with special needs.

- Special sessions were organised to enhance student awareness about 'Good Touch, bad Touch' & 'Life Skills' for class VII, and on Substance Abuse for class X.

FINANCIAL LITERACY

- National Financial Literacy Assessment Test was conducted for classes VIII to X to help the students learn the concepts of finance and measure their financial awareness.
- Students of classes IX and X became a part of the *School Bank Champs Project*, initiated by The Indian Banks' Association in collaboration with Child and Youth Finance International (CYFI). The project helped in enhancing the financial knowledge of the students.

THE AWAKENED CITIZEN PROGRAMME

- The Awakened Citizen Programme, in collaboration with Ramakrishna Mission, to inculcate value education among students is an ongoing project for the students of class VIII.

SAMVAAD

- A student oriented value education programme was initiated for the students of classes VI to X. Students watched value based movies and participated in the discussions based on the movies.
- Screening of the "Best Educational Film" award winning movie- *Komal*- for the classes VII. The movie, based on Child Sexual Abuse, sensitized the students on the same.
- Appreciation Certificates introduced to commend students displaying humanitarian values

PEER LEARNING

- The school has initiated a programme for mentoring the weak students of classes VI and VII. The academically inclined students of classes IX and X act as Teachers.

'YOU TURN' PROJECT

- This project has been started in association with the students of Sri Ram College of Commerce. As a part of this project, the aluminium waste was recycled into an aluminium foil brand named 'TAAZA'. Our school is among the top 10 schools from all over Delhi to make this project successful.

EXPLORING SPACE

- GAM Centre for Student Excellence in Astronomy and Space Sciences is the program running in the school to integrate astronomy as part of curriculum for class II to VIII.
- World Space Week - A plethora of events were organized in the school during the entire month of October 2015.
- The school registered for five astronomy activities
 - a.** Sunday
 - b.** Global Star Party
 - c.** Astropoetry
 - d.** Globe at night
 - e.** Moon watch
- PROJECT PARIDHI was organized on 23rd September 2015 to celebrate the occasion of Autumn Equinox by calculating the circumference.

THE WORLD OF PLANTS

- The students of Gardening Club have embarked on a new venture of cultivating medicinal plants and the plants useful in the kitchen.
- The students participated in the tree plantation drive organized by Times of India group at Bakoli village.

ITIHAAS

- In order to create awareness about the cultural diversity, a heritage walk is organized for the students of classes XI and XII. This year the students went to Chandni Chowk.
- A study visit to the Parliament Museum and the Parliament House was also organized in association with the Bureau of Parliamentary Studies and Training (BPST).
