

SELFIE WITH ECLIPSED MOON

Blue, Blood and Supermoon was celebrated in the school on January 31, 2018 for the students of class IV, VII and VIII. Other schools students also took an initiative to break the myth of not observing eclipsed moon, they came out of their houses and observed eclipsed moon and took interesting pictures with the moon. Some of them also went out of their houses and cleared the myth of common people of not eating during eclipsed moon.

Naytik Jain of class III-A took an initiative to click picture with the eclipsed moon

Nia Manocha of class III-C clicked picture with the eclipsed moon

Parth Malik of class VI-E took picture with the eclipsed moon and made common people aware about the event

Ishika Grover of class II-G clicked picture with the eclipsed moon

Diksha of class VI-E clicked picture with the eclipsed moon

Arnav of class III-C clicked picture with the eclipsed moon
