

**BAL BHARATI PUBLIC SCHOOL, PITAMPURA, DELHI - 110034**

**CIRCULAR**

Dear Parents,

April 18, 2018

The school in its endeavor to bring the best in the field of education to its students is organising a **1N/2D** educational trip for the students of **class VI to X to ASTROPORT Sariska** in collaboration with Astro Tourism India Pvt. Ltd. from **27<sup>th</sup> April to 28<sup>th</sup> April, 2018 (for Girls only)**. As there are limited seats the students will be enrolled on first come first serve basis. If interested, kindly fill the consent slip given below and send it along with a cheque of ` **4,700/-** drawn in favour of **Bal Bharati Public School, Pitampura** latest by **23<sup>rd</sup> April, 2018**. The students may submit the cheque with **Ms. Anjani Sareen (Chemistry Department)**.

Astroport is the first Astronomy-themed resort and activity centre of India and South Asia. The facility, one of its kind in the world has been developed to provide a great sky viewing and research experience to the budding astronomers within us. It is at a location which offers the darkest sky possible in India.

Astroport is located in the serene and lush environment of Sariska Tiger Reserve, in the lap of Aravali hills overlooked by the historical Tehla Fort. It is just a stone throw away from Sariska National Park and conveniently connected to Agra, Delhi and Jaipur. It is just 33 Kms from Bhangarh a mysterious archaeological site. The site is placed well away from pollution, of light , air and sound. The site is situated at the cornerstone of a foothill and a river channel providing a wonderful exposure to wildlife, environment and beautiful sky.

Thanks & Regards,

**(Ms. Meenu Goswami)**  
**Principal**
