Dear Parents,

July 25, 2017

Online Assessment is a useful tool for various test preparations and entrance examinations. Online Assessment not just provides flexibility and security but the results are also instant and accurate.

To provide an opportunity to the students to appear for an online examination, school in association with **Kyoshi Education, Japan** is conducting the **Online Diagnostic Unit Assessment in the subject of Science** for the students of **class - VIII** on **8th & 9th August, 2017**. Students will be assessed on the basis of **class - VII Science syllabus**. The report generated after the assessment will enable students to know their fundamental understanding and prepare them better for various competitive examinations. **A training session** for the same will be held on **2nd and 3rd August, 2017**.

Thanks & Regards,

(Ms. Meenu Goswami)
 Principal
