

Dear Parents,

December 23, 2017

The International Space School Education Trust (ISSET) in partnership with **Young Edsplorer Pvt. Ltd.** has brought about a unique opportunity for students with their program- **MISSION DISCOVERY**. It is a great platform for the students to do something extraordinary.

Students from ages 14-18 years will carry out scientific research with NASA Astronauts, Rocket Scientists and NASA Personnel for a week. In teams, students will propose an idea for their own scientific experiments; the best idea will be launched into Space and carried out by Astronauts aboard the International Space Station.

The details of the program are as follows-

- Dates** : 11th to 15th January 2018
Venue : Pathways World School, Aravali-Gurugram
Program Type : Residential (Mandatory)
Age Group : 14-18 years
Program Cost : ₹ 46,000/- per student (inclusive of taxes)

Interested students should submit the printed consent from signed by their parents along with the cheque in favour of **Bal Bharati Public School, Pitampura** at the school reception at the earliest.

Thanks & Regards

(Ms. Meenu Goswami)
Principal
