

*Welcome*

# PRINCIPAL'S REPORT

**30<sup>th</sup> July to 13<sup>th</sup> October, 2017**

# IN FOND REMEMBRANCE

**Ms. Ranjana Kapoor**, Assistant Teacher, Primary Department passed away on 5<sup>th</sup> August, 2017 and left her family, friends and the Bal Bharati Parivar in grief. She served the institution selflessly for more than 30 years. A warm person, sensitive to the needs of all and ever smiling, she will be missed by each one of us each day.

# ACADEMIC ACHIEVEMENTS

# ACCOLADES

# ACCOLADES

The **Times School Survey 2017** was conducted in the 11 zones of Delhi, NCR. In the North Zone, **our school bagged the First rank** under the category '**North Delhi Leaders**' for the **5<sup>th</sup> time**. A special word of gratitude to each one of you for your guidance. The constant support extended by our Chairman, Mr. Channa and Secretary, Mr. S.K. Bhattacharya enables us to keep striving. The untiring efforts of the staff and the students deserve special appreciation.

## EMPOWERING FUTURE LEADERS

Bal Bharati Public School, Pitampura, building bridges across the world

Since its inception 33 years ago, Bal Bharati Public School, Pitampura has strived for distinction in all aspects. The toil of many years has borne fruit and the institution has become a renowned name in the field of education. The ideology is based on the principles of developing scholastic personalities that transform mere knowledge into meaningful initiatives. The aim is to achieve this through the provision of state-of-the-art infrastructure, competent & committed staff with a humane connect. A well-balanced curriculum, enriched with a stimulated learning environment that synchronizes classroom learning with real world situations, greatly enhances the learners' experience. All this is possible due to the support & guidance of the progressive and liberal management of the school.

The school has scaled new heights in recent years while simultaneously emerging victorious over mammoth challenges like constant upgradation to stay abreast with the ever-changing field of education, provision of equal opportunities to the students, implementation of varied learning styles that cater to the learning needs of each student. Constant in-service training keeps the staff connected with the best Teaching-Learning pedagogy.

### GIVEN BELOW ARE THE LATEST ACCOMPLISHMENTS OF THE SCHOOL:

- Bagged the first rank out of ten schools in the category 'North Delhi Leaders' for the fourth time consecutively in the Times School Survey, 2016
- EXPRESSIONS INDIA awarded BBPS, Pitampura with Life Empowerment award for its efforts in Inclusive Education, Counselling Services and Health and Well being (three categories) on 22nd August, 2017
- The consistent ratings conferred upon them by a leading education magazine are a testimony to the fact that the school is unceasingly creating landmarks at the state and national level in imparting holistic education. 2016-17 rankings are as follows:
  - 10th in the country in Academic Excellence

- 22nd among the Best co-educational day schools of Delhi
- 29th among the Best schools of Delhi NCR
- 64th among the Top leading schools of the country
- Received the prestigious International School Award by the British Council for the fourth consecutive time in 2016

- Ranked number 1 among India's top CBSE schools in the 'Value for Money' category by a media house, for exemplary contribution in the field of education
  - Awarded the 'Green School' rating by the Center for Science and Environment in the Green Schools Programme Audit 2016-17
  - Overall Champions for the year 2015-16 as the Best School of the Zone in sports for the fifth consecutive time
  - Received an appreciation certificate from the international organization 'Astronomers without Borders' for active participation in Global Astronomy Month
  - Won the 'Most Innovative GAM Event' award
  - In the All India Inter-Bal Bharati Meet held in October, 2016, BBPS, Pitampura was declared the Overall Champion for the tenth time in succession
  - Awarded the 'School Excellence Award, 2016' by a leading children's magazine
- Many moons ago, the Bal Bharati fraternity embarked on this exceptional journey of achieving excellence in all facets. It continues with a belief and conviction to emerge triumphant in all future endeavors.

# NEW INITIATIVES

# CBSE INITIATIVE

To commemorate the 70<sup>th</sup> anniversary of independence of the country and 75<sup>th</sup> anniversary of Quit India Movement, the **Central Board of Secondary Education** proposed that schools should **integrate activities on the theme of independence in curriculum transaction in the month of August.** To extend our active participation in this endeavour, a **Pledge Taking Ceremony** was organised during the special assembly on 29<sup>th</sup> August 2017, wherein the students unanimously took a pledge to make India clean and free from problems like- poverty, corruption, terrorism, communalism and casteism. A **painting competition** was organised on the theme of Independence Movement on 30<sup>th</sup> August 2017 in which students of classes VI-X let loose their creative wings and painted the canvas with patriotism. A number of other events were also held across the school including Kite Making by the Primary students.

# NEW INITIATIVE

A **BBPS Technical Advisory Panel (TAP)** has been created to look after all the **Technology needs beyond academics- Creativity, Security, Productivity, Social, STEM and Misc.** This is a group that will focus on embracing and adapting technology at minimal cost. The core group comprising of 11 members including the Principal and a parent will meet every month. The first meeting was held on 19<sup>th</sup> September, 2017. The agenda of the discussion was :

- Checking the possibility of procuring Virtual Reality softwares for students.
- Making capsule videos for different activities (lesson plans) for students.
- Merging website calendar with the google calendar.
- Sending notifications to the parents/teachers through the same.
- Checking the various applications under G suite.

The Core Group decided to select a group of Implementers (teachers, students and parents) who would carry forward and execute the decisions. Specific tasks were then discussed and assigned to task owners.

# NEW INITIATIVE

## NEW INITIATIVE

In order to enhance the learning experience of our students and to ignite their interest in computer programming, a **Java Coder Course** has been initiated for class VII students in the **month of October**. The course comprises of 9 instructional modules. A demo session of the course was conducted on 31<sup>st</sup> August, 2017 with one section of class VII. The students participated enthusiastically and the best performers were presented with souvenirs by the Java Coder Team.

# NEW INITIATIVE

# NEW INITIATIVE

# NEW INITIATIVE

No art program can be complete unless it provides some opportunity for three-dimensional activities, such as clay modelling and sculpture. It is one thing to draw or paint one's experiences on flat surface, but it is a far different experience to create three-dimensionally. To work with new and different materials can itself be stimulating. **The Primary Department has introduced Sculpture in classes IV & V and the students have been enjoying experimenting and creating with clay. The students of class V have also begun painting on canvas.**

# NEW INITIATIVE

# NEW INITIATIVE

# NEW INITIATIVE

# NEW INITIATIVE

In order to develop innovative skills and inculcate interest for STEM education, our school has started **Technology Club** (Level I and II), for the Tech enthusiasts this year. Its aim is to teach students how to deal with all sorts of tools related to technology. In this club, they learn App development, coding and Robotics using Lego.

**Students of Level I (classes 6 and 7)** learnt the basics of gears, pulleys and levers. They developed a spinning top and power car using these parts. Lego EV3 kit was introduced. They constructed a basic bot. Students were introduced to programming and touch sensor of EV3.

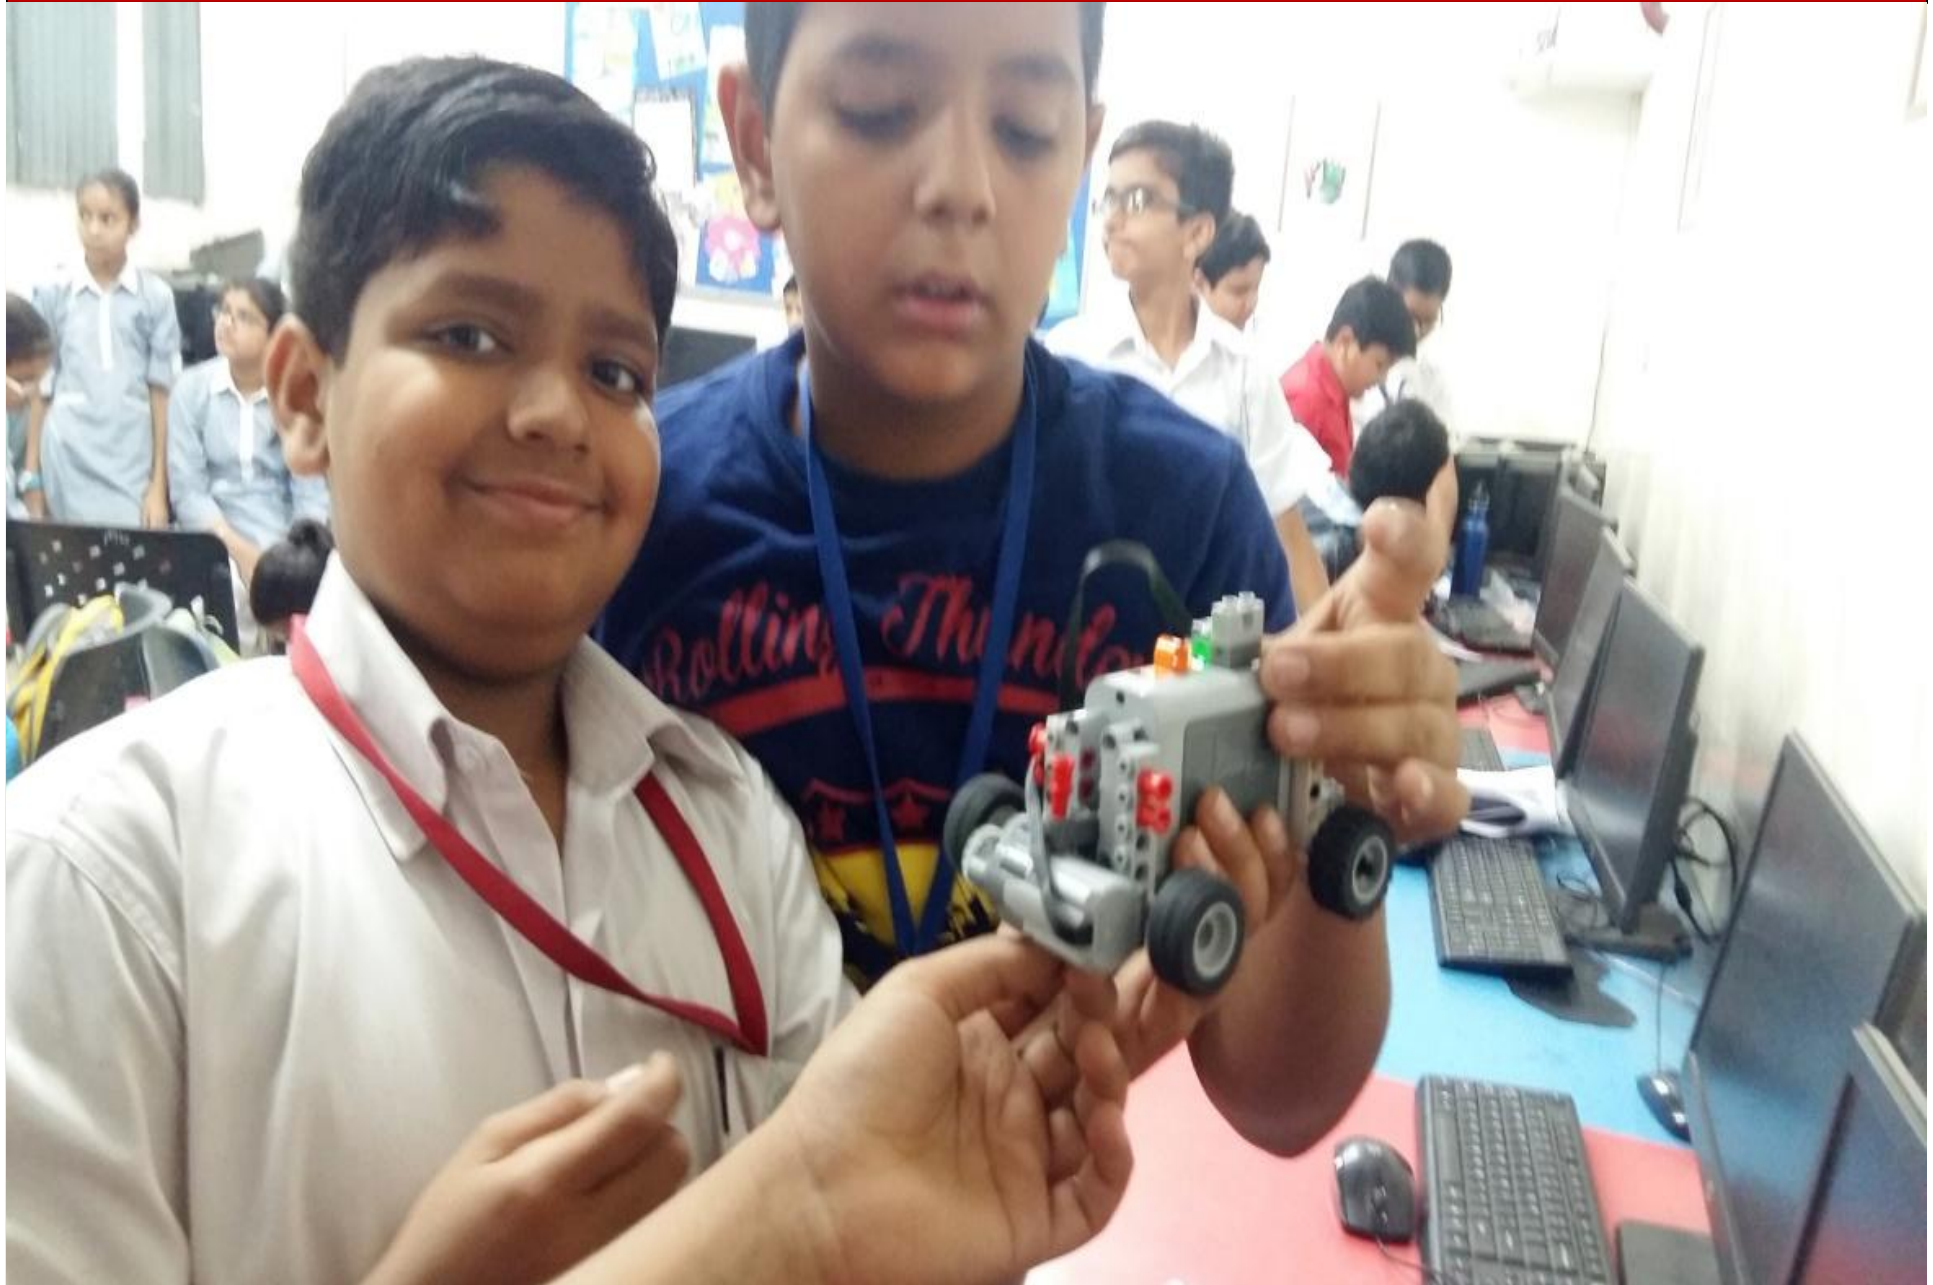

**Students of Level II (classes 8 and 9)** were introduced to the microcontroller Arduino Uno kit. They started with basic Arduino programming and learned various interface. They developed the algorithm thinking skills in these sessions. They developed projects like a mood lamp using RGB, Object Avoidance Bot and Line follower Bot.

# NEW INITIATIVE

# NEW INITIATIVE

# NEW INITIATIVE

## **NEW INITIATIVE**

**To help students attain proficiency in reading, the Middle Department has initiated a Reading Programme in classes VI to VIII.** A whole range of new books catering to various genres has been procured for the Class Libraries giving the students ample opportunity to explore the world of books. All classrooms have a variety of books, allowing children to choose texts that match their reading ability. During the Reading Time, students read books to enhance their reading skills through carefully planned reading tasks that are age appropriate. Book Discussions and Book Reviews are some of the activities that are an integral part of this programme.

# NEW INITIATIVE

**60 students from classes IX and X have registered for Times Spark, an initiative by Times of India. SPARK stands for Scholarship Programme for Awareness, Responsibility and Knowledge.** As part of this programme, The Times of India will carry engaging articles across a range of fields like current affairs, science and technology, sports, politics, social issues, global development and many more. Over a span of three months, these articles will provide multi-dimensional perspectives to help students get a deeper understanding of various interesting subjects. At the end, there would be an online test followed by an interview to assess the students' understanding and perspectives. Students who excel at the test stand the chance to win an educational grant ranging from Rs. 1 Lakh to Rs. 2 Lakhs.

# ACTIVITIES

# ACTIVITIES

**“I Think So I Am”** activities were conducted in the **Senior Secondary Department** in the month of August, 2017.

<b>Topic</b>	<b>Class/ Sec</b>	<b>Date</b>
Environmental Ethics and Ecological Integrity	XII	11/08/17
India has no formal definition of refugees but 3 Acts deal with them	XII	27/09/17

# ACTIVITIES

To encourage aesthetics in the students of class XI & XII, the initiative '**Photographer and Artist of the Week**' is running successfully. Students enthusiastically aspire for the same.

# SPECIAL EVENTS

# INDEPENDENCE DAY

The 71<sup>st</sup> Independence Day was celebrated with great zeal and enthusiasm in the school on 11<sup>th</sup> August 2017. **Dr Karan Gupta, an oncologist and an alumnus of our school was the chief guest on this occasion.** The celebration began with the hoisting of the flag by the chief guest and march past by students of all houses. A cultural programme showcasing unity, brotherhood, patriotism and the need to protect our cultural heritage was presented by the students of pre-primary, primary, middle and senior departments. The meritorious students were awarded the Scholar Gown and Platinum awards.

# PLAY

The play **Yugpurush** was staged by Shrimad Rajchandra Mission Dharampur in our school auditorium on 25<sup>th</sup> September, 2017 for classes IX to XII. The play is a captivating representation of the special relationship between Shrimadji and Gandhiji, depicting the making of the Mahatma. Yugpurush highlights the values of expanding one's capacity to love and give selflessly, respecting diversity, supporting truth, fostering trust, and building lasting communities.

# FINANCIAL LITERACY

A workshop on **Financial Literacy** was conducted on 27<sup>th</sup> September, 2017 in classes XI-C and XI-D by Ms. Indu from Bank Of Baroda . The students understood the concept of different types of loans available, saving and current account, types of fixed deposits and how to operate non-personalized debit cards. It was a very enlightening workshop for the students.

# FINANCIAL LITERACY

# MODEL UNITED NATIONS

A one day MUN workshop was organized, 80 students of classes VI to VIII on 25<sup>th</sup> September, 2017 to train them on the rules and procedure of the Model United Nations conducted by Mr. Kanisk Dasmohapatra. This was followed by a mock MUN session on 27<sup>th</sup> September, 2017 where the students simulated discussions as delegates of two different committees, namely, United Nations General Assembly: Disarmament and International Security Committee and United Nations Human Rights Council respectively. The agenda for the two committees were “Protracted Conflict in the Middle East with special emphasis on Syria” and “Human Rights of the Refugees with special emphasis on the Rohingya crisis”. The students debated and proposed solutions on these global issues.

# VISIT TO DOORDARSHAN BHAWAN

**A group of students from classes X and XI went to Doordarshan Bhawan for an interaction with the Assistant Director of Education, Ms. Sangeeta Jain and the Principal of MCD School, Saraswati Vihar, Ms. Usha Garg. The interaction was based on the topic 'Student Teacher Relationship'. The students got an opportunity to discuss issues like 'Shyness among Students', 'Teenage Problems', 'Respect in Classroom', 'Positive Student- Teacher Relationship' and many more in detail with these eminent educationists.**

# VISIT TO DOORDARSHAN BHAWAN

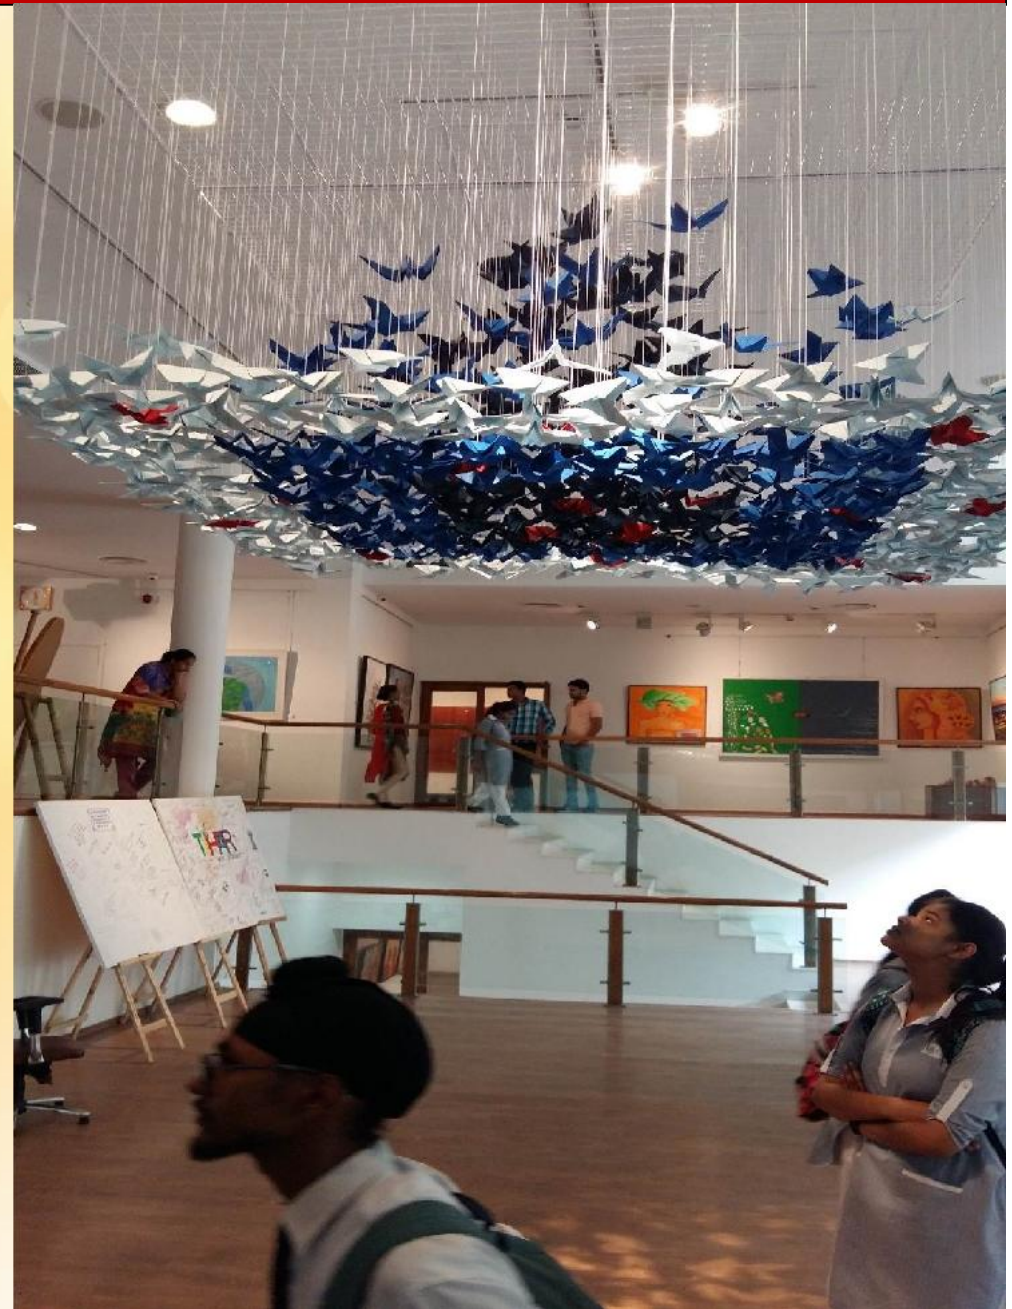

# TIHAR KALABHIYAN

**‘Tihar Kalabhiyan’ festival was organized by the Director General of Prisons Headquarters, Tihar Jail, New Delhi. Fine Arts students of classes XI and XII visited the Lalit Kala Academy ‘Art Gallery’ to see the exhibition on 31<sup>st</sup> August, 2017. Students of the Middle Department visited Tihar Jail no. 2 on the 23<sup>rd</sup> August 2017 to attend a art workshop and display of the works of art of the prisoners of different jails of India. This was organized by the Director General of Prisons Headquarters, Tihar Jail New Delhi.**

# ISA ACTIVITIES

# ISA ACTIVITIES

The students of class IV along with their teachers organized a **Food and Fabric Festival** under the aegis of ISA on 29<sup>th</sup> August, 2017. The activity was planned with an objective of spreading awareness about the food and fabric used in **Japan, Mexico, Australia, United Kingdom and our own country India**. The activity required the students to prepare the dishes of the focus country along with their recipe and nutritional value and also research on the fabric used in each of these countries. The activity was a great learning experience and cemented our belief that students learn better and retain the knowledge gained when they participate in such events.

**Strengthening the ideals of PEACE, both within and all around us, Bal Bharati Public School, Pitampura observed Peace Week from 19<sup>th</sup> September 2017 to 25<sup>th</sup> September 2017. A plethora of well thought and planned activities were scheduled across all classes during the entire week to promote World Peace and keeping at pace with the UN Peace theme for this year: “Together for Peace: Respect, Safety and Dignity for All.”**

# ISA ACTIVITIES-PEACE DAY

**The Montessori Department celebrated the International Day of Peace by organizing a Hawan ceremony in the courtyard.** The students participated with full zeal and enthusiasm. They were dressed in white Kurta Pajama. The courtyard resounded with the chants of Vedic mantras and prayers. After this a **Peace March** was organised where in the students dressed up as Peace Messengers, visited various classes and carried banners and posters displaying the messages of Peace and tranquillity. This was followed by several activities like craft work, collage work and coloring work related to Peace.

# ASTRONOMY CLUB

In the **All India Asteroid Search Campaign 2017**, students accessed the real time data from the 'Pan Starrs' (The Panoramic Survey Telescope and Rapid Response System) Telescope, located at Hawaii, US. Aryan Mediratta of class IX and Gautam Reddy of class X made 4 Preliminary Asteroid discoveries which might get confirmed. These discoveries contribute to the NASA Near-Earth Object (NEO) Program at the Jet Propulsion Laboratory (Pasadena, CA).

# ASTRONOMY CLUB

Online interactive sessions were held with renowned scientists and astronomers. These sessions were attended by students from classes VI-XI.

NAME OF THE SPEAKER	TOPIC
Dr. Kartik Kumar (Analog Astronaut at the Austrian Space Forum)	Journey to Mars
Dr. John C. Mather (Nobel Laureate in Physics, 2006)	Journey of the Universe: From Beginning to End
Dr. Padma Y. Fisher (Senior Research Scientist, Space Science Institute, California)	The Total Solar Eclipse - 2017 popularly also known as “Great American Eclipse”

# ASTRONOMY CLUB

**Dr. Kartik told students about Mars Analog  
Astronaut Mission**

---

# ASTRONOMY CLUB

**Dr. John C. Mather answered queries of the students**

# ASTRONOMY CLUB

**Students watched a video on Eclipses  
before the interaction**

# ASTRONOMY CLUB

An Astronomy corner was set up during the PTM in the school on August 19, 2017 where activities such as Stomp Rocketry, Know your planets, Eclipses, Astro-tattoo, Constellation, Satellite Assembling, Shadow Matching etc. were performed by students as well as their parents.

# ASTRONOMY CLUB

Students learnt about constellations using constellation viewer

Students enjoyed launching stomp rocketry

# ASTRONOMY CLUB

Ritwik of class VI explained about eclipses using a working model of Sun Moon and Earth

Parents got themselves an Astro-tattoo

# ASTRONOMY CLUB

Project Paridhi was conducted on 25<sup>th</sup> September, 2017 to celebrate the Autumn Equinox. 25 students from class VI to X participated in this project, where they calculated the circumference of the Earth using simple backyard tools like Gnomon, spirit level, board etc.

# ASTRONOMY CLUB

**Students filled the target sheet**

# ASTRONOMY CLUB

**Students marked the shadow of the Gnomon**

# ASTRONOMY CLUB

Sally Ride EarthKAM workshop was conducted in the school on September 27, 2017. 14 students from class VII were selected to participate in this workshop where they used Sally Ride EarthKAM web interface to request for Earth's images from International Space Station (ISS).

# ASTRONOMY CLUB

**Students searched for the location using  
EarthKAM interface**

# ASTRONOMY CLUB

**Sarthak of class VII logged into the mission  
login page**

# ASTRONOMY CLUB

CLASS	SESSION	DESCRIPTION
II	Solar System	Students were shown a video containing the details of the planets and objects present in the Solar system.
	Telescopes	Students understood that telescope is used to see far away objects. They observed far away things through 50mm telescope.
	Magnetism	Students used bar magnets to understand the properties of magnets.

# ASTRONOMY CLUB

CLASS	SESSION	DESCRIPTION
III	Quakes	Students learnt about Earthquakes, quakes on other planets and then made earthquake resistant structures using toothpicks and clays.
	Phases of Moon Flipbook	In this session different phases of moon were taught to the students, they did an activity of making phases of moon flipbook using black sheet and white color.
	Soapy Ride	Students were explained the concept of surface tension with the help of activities using water and soap solution.

# ASTRONOMY CLUB

CLASS	SESSION	DESCRIPTION
IV	Moon and Planet Watch	Students were informed about different features of moon and planets with the help of presentation.
	How Earth got its Moon	Students understood various theories and analyzed which theory best explains that how Earth got its moon.
	Solar System	Students watched a video on Solar System where they observed different features of planets in the form of song.

# ASTRONOMY CLUB

<b>CLASS</b>	<b>SESSION</b>	<b>DESCRIPTION</b>
V	Hunt the cities :Latitude and Longitude	Students realize the importance of a coordinate system to navigate across our globe with the help of an activity of pointing an object on the piece of paper.
	Planet Tac- Toe	Students played a game similar to tic-tac-toe based on the factual knowledge related to planets.
	Stomp Rocketry	Students saw a demonstration of stomp rocket. They also made one using paper and launched it using empty bottle and pipe.

# ASTRONOMY CLUB

<b>CLASS</b>	<b>SESSION</b>	<b>DESCRIPTION</b>
VI	Laws of Motion	In this session students performed the balloon rocket activity and also used marbles to understand the laws of motion.
	Telescopes	In this session, telescopes its types along with the working of it was discussed. Also Students did terrestrial observation using 50mm telescope
	Pinhole Projector	Students did an activity of making pin hole projector using sheet and butter paper and used it to observe distant objects.

# ASTRONOMY CLUB

CLASS	SESSION	DESCRIPTION
VII	Telescopes	In this session, telescopes its types along with the working of it was discussed. Also Students did terrestrial observation using 50mm telescope.
	Lenses and Mirror	Students were shown lenses and mirror and were explained the difference between them with their properties.
	Light Funnel: Lenses and Mirror	Students explored different types of mirror and lens and the image formation by them.

# ASTRONOMY CLUB

<b>CLASS</b>	<b>SESSION</b>	<b>DESCRIPTION</b>
VIII	Moon and Planet Watch	Students were informed about different features of moon and planets with the help of presentation followed by an activity planet-tac-toe.
	Mysterious Solar Spectra	Students explored the electromagnetic spectrum followed by an activity using spectrograph.

# ASTRONOMY CLUB

CLASS	SESSION	DESCRIPTION
Astronomy Middle Club	Pin hole Projector and Telescopes	In this session students made their own simple pinhole projector for viewing the Sun safely. Telescopes its types along with the working of it was discussed. Also Students did terrestrial observation.
	Parachute Making and Deploying	Students made parachutes using waste material and checked it utility by deploying it.
	Grids in the Sky	Students learnt about a coordinate system in the sky and used it to identify the positions of the stars.
	Board Decoration	Students discussed about the Black holes and their life cycle followed by board decoration on the same.
	Radio Telescope	Students discussed about radio telescope followed by their construction using simple material.

# ASTRONOMY CLUB

CLASS	SESSION	DESCRIPTION
Astronomy Senior Club	Basics of Rocketry and Hydro Rocketry	The concept of reaction mass was taught. They constructed rocket after giving a demonstration. They also tested their rocket by launching.
	Make your Solar Filter	Students made solar filter for 50mm telescope using paper and solar filter template.
	Formation of Solar System	Students understood how solar system was formed from its basic building blocks with the help of video.
	Planisphere	Students explored the 2D image of sky called Planisphere.
	Observing Satellite	Students explored a way of doing Astronomy using internet.

# ASTRONOMY CLUB

**Students of class II observed terrestrial objects through telescope**

# ASTRONOMY CLUB

**Students of class VI observed far away objects through telescope**

# ASTRONOMY CLUB

**Students of senior club made Solar filter for  
50mm telescope**

BAL BHARATI PUBLIC SCHOOL, PITAMPURA  
A HANDOUT TO PARENTS BY PINNACLE CLUB

## 'Cyber Safety Awareness'

*An initiative by Cyber Crime Branch, Delhi Police*

The digital world is instant and everywhere. That is why it is important to be cybersmart. Understanding the consequences of online actions, knowing what to do if things go wrong and understanding online security can make the online experience of our children safer and more enjoyable.

The Cyber Crime Cell of Delhi Police organizes workshops on 'Cyber Safety Awareness' in schools across Delhi. The workshop aims to share and to familiarize the teachers about a standardized cyber safety awareness module that has been prepared by the Cyber Cell of Economic Offences Wing of Delhi Police. It has been observed that school going children are more vulnerable to cyber offences due to their inquisitiveness, curiosity and inadequate awareness about online threats and safe online habits.

Here are a few tips for parents presented by Cyber Crime Cell, Delhi Police to help them in sensitizing school going teenagers about cybercrime and how to be cyber smart.

- » Do not replace physical parental supervision of computer used at home with any safe search engine or any other tool. No search filtering software or tool is perfect.
- » Educate yourself also on social media safety and have open discussions with teens about present dangers and long term effects of inappropriate conduct, including posting pictures/videos online.
- » Keep the computer in an open area. Make a rule that doors are always left open when kids are online.
- » Advise your children to immediately exit any site that makes them feel uncomfortable or worried.
- » Parents should keep a track of persons with whom their children are talking to and which sites they are browsing. This is NOT invading their privacy at all, rather it is parenting in the digital space.

# PINNACLE CLUB

## CYBER ALERT

### **Sarahah App: The new threat on the Cyber Horizon**

Sarahah app's craze is continuing unabated. From teens to youngsters everyone seems to be hooked to it. The app is reportedly among the "Most Downloaded Apps" both on Apple's App Store and Google's Play Store. Though the app, which means 'honesty' in Arabic may have all the right intentions, however it surely is not being used with all honesty. Several users have reported of receiving harassing messages on the app.

This app is an anonymous app, meaning that you will not get to know who is sending you messages. One can send text messages to anyone, without revealing his or her identity. You cannot reply to the messages you receive on this app.

For those who do not wish to receive messages from a certain person, this app provides an option to block them. Once a contact is blocked, their message will also disappear from your account. But, it will not tell that person that he/she has been blocked. Also, this is an irreversible action.

The Sarahah App does not have an option to delete your account. If you go to Settings, it only gives you an option to Logout. The account can only be deleted from the app's website.

The curiosity to know who exactly is sending you a particular message, has led to a scam that is being circulated on this app. Many websites like "[www.sarahahexposed.com](http://www.sarahahexposed.com)" claim to reveal the sender's identity. However these websites are fake, aimed at making money.

There is no age verification in the app. Instead of giving constructive criticism, many teens are using the app for cyberbullying.

***Parents have been warned against the app. It is being quoted as "The newest platform for cyber bullying".***

**It's time to wake up, Cyber Bullying is real!**

# PINNACLE CLUB

## BAL BHARATI PUBLIC SCHOOL, PITAMPURA A HANDOUT TO PARENTS BY PINNACLE CLUB

### WHAT IS BLUE WHALE?

- BLUE WHALE, started by Phillip Budeikin, is a game allegedly consisting of a series of tasks over a 50 day period, that recently created a panic wave in Russia and is now spreading all over the world.
- The inventor claims that he started the game to “clean” the society by pushing to suicide those he deemed as having no value.
- The challenge consists of tasks ranging from self-harm, watching horror movies to waking up at unusual hours, the last task being to kill oneself.
- It targets young children and teenagers, who seek validation from others, even strangers, and is spreading via social media sites, such as Instagram.
- It is yet unknown as to how the game is played online or any app is to be downloaded.
- It is now amidst us and is reaching out to vulnerable teens, who are online but not quite mature enough to process all the information out there.

### CASE STUDY IN INDIA

A teenage boy comes across a link online, where he is given one challenge after the other. He accomplishes every task and keeps on moving to the subsequent levels. The final and concluding challenge asks him to commit suicide. He clicks himself on top of a building and jumps. The police claim that this is what led to the death of the 14-year-old Mumbai boy. This is the first death in India, which is being linked to the infamous Blue Whale challenge

Many children have been prey to the suicide game.

It is also the cause behind the death of 150 teenagers in Russia, in 2013.

### PRECAUTIONS

- ✓ Parents should inculcate self-esteem and the confidence to say “no” in their children.
- ✓ Experts advise parents to help in strengthening the children mentally and to educate them against suicide.
- ✓ Children should be confident that they will be accepted even if they don’t follow the crowd.
- ✓ Children should be taught to never blindly trust any stranger they meet online.

### GOVERNMENT INITIATIVE (Times Of India ,headlines dated 16<sup>th</sup> August 2017)

Concerned over children being prodded to commit suicide on the Blue Whale Challenge game, the government has directed top internet platforms - Google, Facebook, WhatsApp, Instagram, Microsoft and Yahoo - to immediately remove the links to the notorious

In order to inculcate the values of democracy and a clarity about how a government is formed, Primary Department conducted **Mock Elections** for the students of class 5. The process included formation of parties, giving them a name and symbol, outlining their manifestos and fielding candidates, canvassing, voting and finally electing the party leader. The students, be it the contestants or the general public, participated in the same with great vigour. **The elections were held on 28th July 2017 wherein all the students of class 5 voted for the candidate of their choice. The results of the same were announced on 2nd August, 2017 with Jan Kranti party as the winner.** A Special Student Council has now been made comprising of the **Prime Minister** along with his **Council of Ministers**. The party has started working on its manifesto promises which relate to our immediate surroundings like cleanliness, pollution and health and hygiene.

# SAFETY AND SECURITY

Students' safety and security is our top priority at all times. In the wake of the recent unfortunate events, it has become imperative that we affirm and strengthen the trust of our parents by reassuring them that the students are extremely secure in our school at all times.

Various security and screening methods have been in place for many years. They are regularly used to ascertain protection of life and property. Competent staff, vigilant support staff and trained security officers monitor and ensure safety and security in each area of the school. All these measures ascertain that Bal Bharati, Pitampura, stays a 'Safe School'.

# SAFETY AND SECURITY

- We have recently added around 48 cameras. At present we have 301 cameras installed and each corner of the school is kept under constant surveillance at all times.
- Metal detectors are now being used to screen all visitors and staff at the main entry and exit points.
- Two former army men have been appointed as Vigilance Officers in the school.

# SAFETY AND SECURITY

- We have recently appointed lady guards to accompany all school and private buses in the morning as well as afternoon. All the school buses are equipped with CCTV cameras and GPS tracking systems to facilitate increased awareness about the students' well-being and whereabouts.
- A newsletter updating parents about all existing safety measures at school has specially been designed for parents to assure them that their kids are safe while they are in the school.
- All staff members, including the teaching staff, have been instructed to obtain and submit a Character Verification Certificate and a Police Clearance Certificate immediately.

# SAFETY AND SECURITY

- Comprehensive circulars relating to the new safety norms are sent to the parents to keep them informed of the new developments taking place.
- The children are guided to move out of the class with a friend. It is mandatory for the students to wear a Teacher's Pass before moving out at all times. They have also been advised to write their names on the board as they move out so that the teachers can keep a track of them.
- The students have been advised not to carry any hazardous or pointed objects like scissors, lead pencils etc. to school. Surprise bag checks are carried out regularly.

# SAFETY AND SECURITY

- Parents have been advised not to drop their kids at school before 7:10 am (Senior Time) and 8:10 am (Primary and Montessori Time).
- A concern of the van drivers' reliability and authenticity has been raised by the school. Parents have been requested to submit necessary documents after a thorough background check of the drivers has been carried out by them. The school has volunteered to take the onus of the smooth and safe dispersal of the van students by allocating van leaders, putting teachers on duty and ensuring that the dispersal takes place in an orderly manner. It is now mandatory that one parent accompanies the children in the van at all times.

# SAFETY AND SECURITY

- The entry to the Pre-Primary Department has been restricted to female staff and female visitors only.
- Student Safety Squad, a body of selected senior students, has been appointed. The squad promotes safety amongst the students. They are alert and keep a watchful eye in and around the school and report any anomaly immediately to the school authorities. They use activities, games and presentations to educate students across all classes about safety issues.

HAPPY  
DIWALI

Thank you ...
