Expand Your Horizon

READISCOVER 2017 (Primary)

Dear Principals,

Itake great pleasure to inform you that Bal Bharati Public School, Pitampura is organizing 'ReaDiscover' for the Primary Department on 12th December, 2017.

Books have infinite power to expand our horizon and broaden our ken. They leave an indelible mark on our minds and enable us to look at the world with a different perspective. The bookshelves are the standing source of joy to all book-lovers. To an educated man there is no pleasure comparable to the pleasure of reading books. So through this Book Day let's take a plunge into the vast sea of books and **ReaDiscover to expand our horizon.**

Warm regards,

Meenu Goswami
(Principal)

Please note-

We take the utmost care to complete the events in time. However, over the years, experience has shown that some events take a little more time due to :-

- * The nature of events
- * A larger than expected number of participants
- * Some teams arriving late

It is requested that necessary arrangements be made at your end should events continue later than anticipated. We also request you to register as soon as possible as some events have a first come first serve basis of acceptance in the competition.
