Expand Your Horizon

***Books give a soul to the Universe, Wings to the Mind
Flight to the Imagination and Life to Everything***

Dear Principals,

It takes great pleasure to inform you that Bal Bharati Public School, Pitampura is organizing 'ReaDiscover' on 15th-16th Nov.2017.

“The best of a book is not the thought which it contains, but the thought which it suggests; just as the charm of music dwells not in the tones but in the echoes of our hearts.”

-Oliver Wendell Holmes

Books have infinite power to expand our horizon and broaden our ken. They leave an indelible mark on our minds and enable us to look at the world with a different perspective. The bookshelves are the standing source of joy to all book-lovers. To an educated man there is no pleasure comparable to the pleasures of reading books. So through this Book Day let's take a plunge into the vast sea of books and ReaDiscover to expand our horizon.

With warm regards,

Meenu Goswami

(Principal)

Please note-

We take the utmost care to complete the events in time. However, over the years, experience has shown that some events take a little more time due to :-

- *A larger than expected number of participants
- *Some teams arriving late

It is requested that necessary arrangements be made at your end should events continue later than anticipated. We also request you to register as soon as possible as some events have a first come first serve basis of acceptance in the competition.
