

Children, let's have some fun colouring the Art books which you have received with your book set. We will be doing some pages from these every week as per the schedule shared with you. In case, you could not purchase the book set due to the current situation, you need not worry! In that case, we have planned some interesting activities for you which won't require the books.

Names of the Art books are...

1.CREATIVITY AND BEYOND

2.RISE UP ART AND CRAFT

Children will do page number 3 and 4 of both the books today.

The children who don't have the book should follow the given link and do the activity given here:-
