**LET'S REVISE**

**Proper Nouns** refer to specific names, that is, the name of a particular person, place, animal or thing, such as, Manish, Meeta, Jumbo, The Yamuna, The Bible, London and so on.

Last Monday, during the Social Science period, the teacher told Nitin to read the first chapter from the textbook. Lalit asked his partner, Manish, to return his book which he had borrowed the previous day. Manish told him that he had forgotten his book at home. So, Nitin borrowed the book from Rita and read out the chapter loudly. It was about Mahatma Gandhi. The teacher appreciated Nitin for his correct pronunciation and fluency. Nitin felt happy on being praised and thanked his teacher and Rita.
