Lakes of India

There are many beautiful and famous lakes in India.
Use the given clues to name the lakes correctly.

1 Located in Odisha this lake is made up by 52 streams. It is the largest coastal lagoon of India and the second largest in the world. CHILIKA LAKE

2 Located in three districts of Kerala, the lake is known for the snakeboat racing, backwater houseboating, bird watching and photography. VEMBANAD LAKE

3 The saline lake in Ladakh has 60% of its area in China. It is known as a famous camping site and is popular for migratory birds. The lake changes its colour throughout the day, based on the position of the sun in the sky. PANGONG LAKE

4 This is the largest inland salt lake of India located in Rajasthan. Most of Rajasthan's salt production occurs here. SAMBHAR LAKE

5 This lake partially covers Gujarat, Rajasthan, Maharashtra and Madhya Pradesh and is created by a dam along River Narmada. It is famous now for the Statue of Unity located near it. SARDAR SAROVAR LAKE

6 Located in Telangana, the lake is created by the world's largest masonry dam. It was created as a project for Green Revolution in India and for hydroelectricity production. NAGARJUNA SAGAR

HELP / BOX
