Dear Parents,

May 19, 2017

It gives me pleasure to inform you that the school is planning to send a group of students for a bi-cultural exchange programme to **Nuevo Continente School, Mexico** for a period of fifteen days. This bi-cultural exchange falls under the school's policy of **International School to School Exchange (ISSE)** wherein in participating team gets an opportunity to know and appreciate different people, places, cultures and traditions all across the globe as they host and visit the corresponding team from the partner country. The students will also be attending the school in Mexico and this exposure will add a different dimension to the child's confidence and global competency.

If you would like to send your ward for this memorable experience, kindly fill the consent slip as given below and send it along with a cheque of **Rs. 1,15,000/-** drawn in favour of **BBPS, Pitampura** latest by **25<sup>th</sup> May, 2017**. Please ensure that your ward's passport is ready for travel.
