

The School Connexion

A NEWS LETTER

One of the most vital decisions that any family makes is the school they choose for their child's education. At Bal Bharati Public School, Pitampura, we provide every child with the best of learning and teaching that has been specially tailored to meet the needs of the young people. Our school is not only known for its innovative educational methods, careful planning and programming but also believes in the holistic approach to personal learning.

The challenge to be the "the best you can be" in academics, sports and co-curricular activities provides a huge number of opportunities that allow every student to excel in an environment where they can participate. We value individualism and try to inculcate creativity, innovation and confidence. Besides rigorous scholastic programmes, the school has marked its name in all spheres such as art, craft, music, variety of sports and environmental conservation activities. The aim of the school is to shape students for a better tomorrow thus providing them a befitting platform where they can excel as individual citizens.

Our aim is to develop human beings who have qualities like humility, compassion, caring for one another. We aim at sensitizing our children so that, they are not only noble in thoughts but in actions too. From a small classroom to the big world, BalBharatians go a long way in making tireless efforts into becoming good and responsible human beings. I wish each one of them all the very best in all their endeavors.

Sh. L.R. Channa
(Chairman)

'Quality is never an accident, it is always the result of high intention, sincere efforts, intelligent direction and skillful execution.' (Willia A Foster)

High achievements always take place in the framework of high expectations. The school plays a pivotal role in giving the necessary impetus in lighting this flame in the budding hearts. The seeds of rich dividend have been sown in every sphere creating a quality world.

'You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you.' Big results require big ambitions. It is only the big goals that get big results. All this is possible when exceptional zeal and earnest devotion spurs each and every BalBharatian to put their best foot forward and walk that extra mile, thus helping to bring multi-faceted achievements all with the stamp of quality.

Let us continue to stretch beyond our comfort zone and perceive that big vision by striving for 'better and better'.

Sh. S.K. Bhattacharya
(Secretary)

Arise,Awake and Stop not till the goal is achieved.

- Swami Vivekanand

Bal Bharati Public School has always lived up to the spirit of the above quote to ignite the flame in the students. With its continuous efforts to reinforce the commitment to achieve the best BBPS helps students discover and reach their personal goals in life. This is evident in the school's consistent show of excellent academic results.

The School's multicultural and inclusive learning environment with a futuristic curriculum in place has enabled every student to carve a niche for himself/herself and become a responsible citizen. The school has beautifully and carefully worked upon the system of education where the children are taught to think creatively, plan well and be organized in order to bring out the best in them.

The School has always lived up to its mission of providing high quality education and I am hopeful that it will continue with the highest educational standards and give the Nation the best leaders of the future. I wish BalBharati School a wonderful journey ahead.

Mrs. Meenu Goswami
(Principal)

ACCOLADES

The Times School Survey 2016 was conducted in the 11 zones of Delhi NCR. In the North Zone our school bagged the First position out of ten schools under the category 'North Delhi Leaders' for the 4th time.

NORTH DELHI LEADERS	
RANK	SCHOOL
1	Bal Bharati Public School, Pitampura

84	Bal Bharati Public School, Delhi	1118

104 students of classes VI to XI appeared for NGSE Advanced Exam which was held on 28th February, 2016. The students who scored percentile 90 and above at National level are as follows:

- Ansh Bansal of class VI- 99.4
- Siddharth Mishra of class VI- 98.6
- Aadit Saluja of class VI- 93.4
- Manas Khandelwal of class VIII- 90.1
- Parikshit Dabas of class VIII- 98.7

SPECIAL ACHIEVEMENT

ADITYA GUPTA

Aditya Gupta of class XI has been awarded SAIL(Steel Authority of India Limited) Scholarship for the session 2016-17 on the basis of his academic performance and conduct.

PEDAGOGICAL INITIATIVE

The lesson, 'On the Face of It', prescribed in the CBSE class-XII curriculum describes the anguish of a young boy, Derry, whose face had been marred for life, when acid accidentally fell on his face. In an endeavour to guide our students to being resilient and mastering the determination to embrace the 'gift of life', a trip was planned to 'Sheroes' a café in Agra run by the survivors of acid attacks. The students were prepared not to react to the scarred faces of the acid attack victims and had also been sensitised that the victims wanted to be accepted as normal. During the visit to the café, the students were subdued looking at the disfigured face of the victims. They were shown a documentary on how the irrational jealousy and cruelty of men had robbed the girls of their healthy face and pushed them into abysmal depths of sorrow. Every eye was moist when the students saw those very girls, moving amongst them, taking orders for food. Soon, the students lost their initial hesitation and were chatting with the brave girls. Subsequent to the visit so much more than just the chapter had been 'taught'.

A pilot project on 'Financial Literacy' was conducted by Ms Vidya CEO, Prep My Skills for class XI commerce and humanities students on 22nd August, 2016. Students of commerce stream also went to attend the financial literacy workshop held on 15th July, 2016 at Bank of Baroda, Parwana Road. The main aim of the project was to enable the students to understand the best possible ways by which people can manage their finances. An interactive session was also conducted on 'Return on Investment'.

The topic emphasized on how the money shall be invested so that we can have the maximum returns with minimum risk. The functioning of various departments of the bank were demonstrated to them. They learnt about various types of accounts, how to fill bank slips, what are fixed deposits, how to use a locker and other facilities provided by a bank.

An activity 'Through the eyes of an artist' was conducted for the fine FA students of class XI wherein they expressed their perception of the surroundings on canvas. The students were appreciative of the activity as they enjoyed this innovative way of learning outside the class-room walls. They also felt that the activity widened their horizon of expression.

KIDZANIA

About 1500 students of Primary and Middle department visited Kidzania Fun City, Noida on 19th July and 2nd August, 2016 respectively. It was an enriching experience for the children wherein they had a lot of fun as well as a first-hand learning opportunity of the real life situations that adults deal with in their daily life. Children had a feel of firefighting, rescue, construction, emergency and medical services, policing and investigation, marketing and sales and also the judiciary, banking and financial services. They learned how to spend the money that was issued to them (Kidzos) to avail services, making purchases or even get a job and a chance to earn more money. They had fun trying their hands at baking a Pizza and other food items. The students also enthusiastically took part in learning pottery, dance, music, theatre, and beauty therapy.

CLUBS

ASTRONOMY CLUB

Ayushi Agarwal of class VI won the 3rd prize in Children's Astroart contest under the Global Astronomy Month.

CLASS	EVENT	DESCRIPTION
II	What causes day and night?	Students learnt about the Sun, Earth and what causes day and night. They developed their imaginative skills and communicative skills.
III	Finding NP and SP of bodies	In this activity students used rotating objects to find its poles using concept of direction of motion.
IV	Equinox	Students used globe to understand the phenomenon of Equinox and the reason behind the occurrence.
V	Star Colors	In this session students made stars and gained knowledge about different colors of the star and the relation of color with the temperature of the star.
VI	Getting A Grip On Time Making A Sundial	Students understood about sundials through the use of sundials in the class.

Students of class III learnt about finding NP and SP

Students of class IV learnt about equinox

Students of the Senior Astronomy Club conducted Project Paridhi Antumnal Equinox. 25 students participated in this event. 'Project Paridhi' is a science experimentation project by SPACE to popularize hands on science. A Power Point Presentation about this project was given by Mrigank of class X, and the activity was demonstrated by Aviral of class X who also answered a lot of questions during the presentation. After the presentation students were divided into groups to start the activity by marking shadows. Students marked the shadow in intervals of 2 minutes. After the marking, they calculated the circumference using the shortest shadow and distance.

ECO CLUB

The Eco club students prepared homemade bird feeders from disposable paper cups and plastic plates. This activity helped the students to know the birds which are native to their area. Students observed Mynas, crows and pigeons.

Students used discarded newspapers to make wallets, paper mats and decorative items like peacock. This sensitized the students about reducing the wastage of newspaper and reusing it. Students also prepared decorative items like candles from old CDs.

A group of students from class XII H along with one teacher visited 'Children's Home, Salaam Baalak Trust' - on 16th July, 2016. This NGO is working for the orphans and children who runaway from homes. The students had collected eatables like chocolates, chips, biscuits, clothes, sheets, stationery items like pencils, erasers, crayons, notebooks, and toys. for these children. The aim of the visit was to sensitize the students to the misfortune of the underprivileged sections of society and to extend support even when they leave school.

INTERACT CLUB

The Interact Club of Bal Bharati Public School, Pitampura, was awarded the Rotary Governor's Gold Award for the year 2015-16 in a glittering ceremony held at Hotel Taj Mansingh. This was in recognition of the year-long hard work done by the students and staff of the Interact Club. The school's club was appreciated for making a conscientious and commendable effort to live up to the Rotary International theme, "Be a Gift to the World".

On 16th July the school donated some old desks & chairs to Sai Shiksha Sansthan, Noida, a school for the under privileged.

Students of Class XI-G and XII-G along with a teacher went to Missionaries of Charity - Nirmal Hriday, Timarpur on 29th July, 2016. People living in this NGO were suffering from both physical and mental ailments. Our students empathized with the residents and carried gifts for them.

The students of class XI-D visited Missionaries of Charity (Nirmal Hriday), Timarpur on 27th August, 2016 as a part of the Social Responsibility Program. The NGO provides shelter to destitute and abandoned people. The students donated generously for the residents.

The installation ceremony for the Interact Club was held on 26th August, 2016. A new team of Interactors headed by Shreshth Arora, Class XI A, was presented with badges by eminent members of the Rotary Club, Maurya. The newly elected team of Interactors also attended the DILA meet in Amity University, Noida on 2nd September 2016. This meet was organized to instil leadership qualities in them.

As part of their commitment to social responsibility, the Interact Club of Bal Bharati Public School, Pitampura conducted a Blood Donation Camp in the school on the 17th September, 2016. The parents of the Primary and Montessori department donated blood enthusiastically.

The outgoing XII class students went to the Social Upliftment and Life Support Foundation, an NGO on 28th July, 2016. They donated their books to the NGO for helping children who do not have resources to buy these books.

SPORTS

SPECIAL ACHIEVEMENT

Vinayak Parihar of Class XII participated in World Schools Games held in Turkey (Travzon) from 15th to 18th July, 2016. This is a rare achievement in the history of all the units of Bal Bharati as he is the first student of Bal Bharati Public School to have participated in 'World School Games'.

SEMINARS FOR STUDENTS

Eight students of class XI along with two teachers visited the NDTV Studio on the 17th July, 2016. The purpose was to participate as audience in the famous talk show 'HUM LOG'. The students not only got a chance to see the working of the news channel but also were given the opportunity to ask questions from the guests.

An event named Neurotroma, 2016 was held in AIIMS on 11th August 2016. A group of 45 students from XI & XII attended a lecture on 'Prevention of Head Injury' at the All India Institute of Medical Sciences (AIIMS). It aimed at addressing our adolescents as they fall prey to the hit and run cases or sometimes commit unfortunate accidents.

Five students of class XI went for 'Mind Smart' - a Peer Educator's Training Program- on 27th July, 2016 along with the Counselor. These students were trained in conducting workshops in classes on the topic "Charms and Challenges of Adolescence". They will now conduct the workshops for fellow students through class discussion, role plays, PPTs, etc.

Class XII B visited the Gut Biology Lab in the Zoology dept. on 22nd September, 2016. It was an enriching experience for them as they got to see the research scholars working in real conditions. In the interactive session, the students saw live human cells, a model organism under electron microscope, DNA under UV rays and a PCR machine.

A Leadership Camp was conducted for all the students of class XI from 20th to 22nd September. The students participated in group discussions, leadership sessions, theatre and dance activities. The workshops and the Group Discussions enthused the students. A talent hunt was also conducted as a part of the camp to provide a platform to each student to exhibit his/her skill in dance, singing, mime, theatre, band and other forms of performing arts. The zealous participation by the students not only revealed many new talents but also marked the success of the event.

ACTIVITIES

INITIATIVE

The Primary Department has started a tradition of showing short animation movies based on our epics, saints and mythological figures on special assembly days like Janamashtami, Kabir Jayanti, Gurunanak Jayanti etc. Each movie is of 20 minutes duration after which a discussion is held on the personalities, their lives and the lessons children have learnt from them.

ACTIVITY

- 'I THINK, SO I AM' activity was conducted in all the sections of class XI on 15th July, 2016 and on 2nd August, 2016 in class XII. The topics for the same was 'UK cuts Europe, becomes an Island...' and 'Street Children' respectively.
- The Student Enterprise Exercise 'SEE' was conducted by the students of class XI-E on 1st September, 2016, wherein they put up stalls for the participants of the Zonal Sports Competitions. The volunteer students learnt entrepreneurial skills, group unity and practical aspects of trading in retail through this activity.
- Class XII students participated in a GOND Art Activity on 20th September, 2016 wherein they completed an art composition based on the folk art form.

Students from all the departments participated in various activities, highlighting the Rio Olympics which were held during the month of August.

CLASS	ACTIVITY
XI A-C	Quiz on Olympics
XI D-G	Informative Boards
XI-H	Poster on Olympics
IX-X	Quiz on Olympics

- The students of the Primary Department created newsletters covering the various aspects related to Olympic Games while also highlighting the Rio Olympics. The students learned a lot from the activity and created informative newsletters.
- An activity related to Rio Olympics 2016 was also conducted in the Montessori Department. Children of class I made a wonderful collage with the pictures of Olympic mascots and made a card to cheer their team. The students also coloured the Olympic mascot of 2016 in the worksheet given to them.

FOUNDER'S DAY

The school celebrates its Founder's Day, on 16th July every year. A special assembly was organised this year by all the departments to mark the occasion. It was a day of great learning for all the students as they got to know about the history of their school. The children were apprised the significance of the school motto and a change in the school's logo. A presentation by the school's choir group created an exhilarating atmosphere and the school song was sung by all. The students of Montessori Department coloured the school Logo and pinned it on their uniform. They also organized a Cake Cutting Ceremony to mark the occasion.

TEACHER'S DAY

Teacher's Day was celebrated with great fervor and enthusiasm on 2nd September, 2016. The students of class XII took over as student teachers and went to the classes to have hands-on experience. A short cultural programme was presented by the students of class XI. Thereafter, the students enjoyed a 'Pot Luck Lunch' with their class teachers. The celebrations continued on 5th September, 2016. The Principal, Vice Principal and Head Mistresses along with the PTA members felicitated the staff members who had completed 25 years of their service with the school this year. The names are as follows:

Ms. Rachna Garg Ms. Anu Batra
Ms. Nabanita Roy Mr. Jaibeer

It was a proud and touching moment for all. This was followed by a performance by the PTA members and the members of our staff. The staff and the PTA executives went for a movie and lunch at the DLF Promenade. The staff had a memorable time.

HIGHLIGHTS

ISA ACTIVITIES

50 students from our school participated in the 4th Korea- India Essay Competition 2016 and submitted their essays under junior group (7-9) and senior group (10-12).

ISSE Conference was held in Guayaquil, Ecuador from 19th to 23rd July, 2016. It was attended by 16 delegates from 9 countries. Ms. Deepika Kwatra from the Primary Department attended the conference representing our school.

World Peace Day is celebrated on 21st September and our school organised a plethora of activities for the students of the Primary Department on Friday, 9th September, 2016. The students participated in various activities like making book marks with a message of peace, making peace kites and writing a peace oath on the emblem of peace. This was followed by a group discussion on the importance of peace today.

The Primary Department has taken up the initiative to make the students more disciplined and aware about the school rules. Ten students from a section stand holding banners stating the basic manners to be followed during the lunch break. The students stand at a few strategic points on the floors of Block I and Auditorium Block during the break time. A new set of students take the responsibility of this campaign everyday, thus ensuring mass participation besides creating awareness.

- The following hands-on experiments related to the themes being carried out during the month of August were conducted. The topics for the same were:
- Will it dissolve or not?
- Will it float or not?
- Melting ice-cubes changing to water and then to steam as the water boils.
- Water level comparison in a covered and an uncovered container.
- Standing under a wet cloth with a fan on to have a cooling effect.
- Wet hankies turn dry in the presence of sunlight and wind.
- The properties of water can change when Roohafza/squash is added.

MONTESSORI

A social and emotional enrichment program has been initiated as a part of Curriculum for PP-1. To start with, activities that encourage children to express emotions such as happy, sad, scared and hello, stop, goodbye etc. using their hands and words were introduced.

PRIMARY

The students of classes IV and V participated in the Science and Social Science Model Making Activity organised on 14th September, 2016. Classroom activities were done in groups to encourage peer learning and self learning. All the students enthusiastically engaged themselves in creating static as well as working models of Science and Social Science.

•A Cleanliness Drive Programme was organized by PPII and class I students to emphasize on keeping their environment, classrooms and home clean.

•Raksha Bandhan - Children of PP-II came dressed up in traditional dress on 16th August, 2016 on the occasion of Rakhi. They made rakhis with origami sheets and pasted them in their drawing file. An impromptu Role Play was done in all the sections of PP-I.

•The importance of personal hygiene and keeping surroundings clean has been taken up by the Montessori department. The children are being trained to arrange the toys, furniture and other items scattered in the class.

- Class II an conducted Innovation quiz to enhance logical thinking and reasoning.
- PPI children went for 'Shapes Walk' inside the school to observe shapes which are a part of their immediate surroundings.
- A walk around the school garden was taken (Kitchen garden) to let the children of PP-I see various fruits and vegetables being grown there.
- A fruit and vegetable vendor was arranged in the Montessori department for the Children of PP-I so that they could see many fruits & vegetables at. A role play was conducted there.
- PP.I Children were exposed to the idea that fruits and vegetables can be different in shapes, sizes and colour, vegetables look different before and after cooking and that these can be eaten raw also.
- Various objects were arranged that are the product of either fruits or vegetables. Children were exposed to the idea that fruits and vegetable can be eaten in many different ways.

With an endeavour to promote self confidence and a passion for learning among the students, an exhibition was organised in the Primary Department on 17th September, 2016. The students displayed an array of exhibits in the Basket-Ball Court of the school. There were a number of working models on display as a part of the exhibition along with the various projects done by the students during the term.
