

Dear Parents

With an aim to ensure dissemination of the study material in an uninterrupted manner, E lessons prepared by teachers are being shared with the students on regular basis. To further bridge the gap Online Tutoring Sessions in a range of subjects, are also being conducted as per the schedule.

In an endeavour to put our students at ease, we shall not be posting any E lessons in the coming week(27 April 2020 to 30 April 2020).The purpose is to ensure that E lessons being posted are in sync with the Online Sessions. This will further streamline the entire process. However, the E lessons of the following subjects will be shared according to the schedule in the classes mentioned below:

Class X- English ,History and Biology

Class IX- Biology

Class VIII- Biology

Class VII - Science

Please note: a) The posting of E lessons will resume from 1st May 2020

b) *Online Tutoring Sessions will continue as per the schedule*

c) The link of the E lessons uploaded on the website and Google Classrooms will not be shared in the Whatsapp group. w.e.f 1st May 2020

Regards
