**SUBJECT- ENGLISH TOPIC – NOUNS (NUMBER) PART II**

Name - \_\_\_\_\_ CLASS / SEC \_\_\_\_\_ Date: 28/4/2020

**Dear Children**

*You have revised the concept of Nouns (Number) in Part I of this lesson. Let's now do some practice exercises to revise the concept learnt.*

**Before that...REMEMBER!** There are some nouns that are always Plural.

For example:

- jeans
- shorts
- glasses / spectacles (formal)
- sunglasses
- scissors
- trousers (British English) / pants (American English)
- News

We can also say:

A pair of jeans / shorts / trousers (pants) / scissors

**(Note:** By adding phrases like **a pair of...** these nouns become Singular. Otherwise, they remain plural.)

## WORDLY WISE

Dear children, today let's try and frame one sentence each with the new words that we have learnt in this section yesterday. The meaning of each word is given here once again for you. One sentence has been made with the first word for ready reference. You must try and make another one with the same word.....

**(Please Remember:-**

**This work is to be done in the Vocabulary notebook or the second half of your Lifeskills notebook)**

1) **enormous**-very large in size

She lives in an **enormous** house.

2) **depart** - to leave (mainly for a journey)

3) **purchase** -to acquire something by paying for it

4) **ancient** – very old

5) **sincere** - free from any kind of dishonesty (to be genuine)

### Vocabulary Enrichment

Children, you must try and replace the use of the word 'very' with descriptive words with a single word. For example, instead of saying – 'very big', you can say 'enormous'.....similarly, 'very old' can be replaced with 'ancient'.

In this column, you will find one new word every day. You must try and make use of these words while conversing with others.

**Happy Learning!!**
