MY FIRST EXPERIENCE IN KITCHEN

It is very truly said – ‘Happiness is Homemade!!’ During this period of lockdown, I have had a chance to do many new things which I had not done earlier. I got to spend a lot more fun time with my lovely family. And, help my dear mom in the kitchen. One Sunday, I thought of trying my hands at cooking something special for everyone.

### VOCABULARY ENRICHMENT

Children, in this section we are familiarising you with single words which convey something that is more than ordinary.

We need to replace these with a single word to make the language more compact and richer. Let's look at the two words for today:-

**very lazy**- **indolent**- He lost his job because he was an **indolent** employee who didn't want to work.

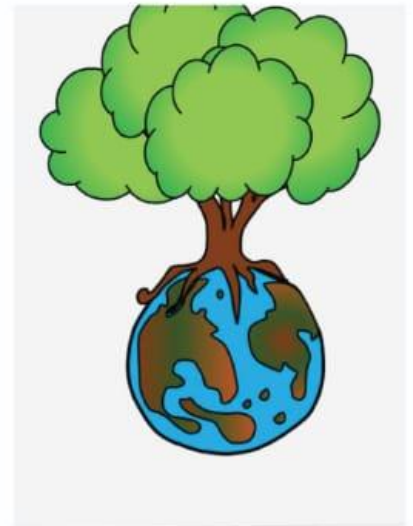

**very tiny**- **miniscule**- All she gave him to eat was two **miniscule** pieces of toast.

You must try and make use of them while conversing with others.
