Vocabulary Enrichment

Children, in this section we are familiarising you with single words which convey something that is more than ordinary. Instead of saying 'I am feeling **very sad** today.', we can say 'I am feeling **miserable** today.' and so on.

We need to replace these with a single word to make the language more compact and richer.

Let's look at the two words for today:-

very bad – awful

very costly - expensive

You must try and make use of them while conversing with others.
