**This work is to be done in the Vocabulary notebook or the second half of your Lifeskills notebook.**

Dear children, today we will try and match the antonyms (words opposite in meaning) of the words that we have been learning this week.

Column A	Column B
1. glad	a) defeat
2. victory	b) ordinary
3. believe	c) sad
4. fortunate	d) doubt
5. special	e) unlucky

## VOCABULARY ENRICHMENT

We are all in the habit of adding the word **'very'** to describe something which is more than ordinary. For example: We are very happy/ very sad/ very excited/ very slow and so on.

We need to replace these words with a single word to make language more compact and richer. For eg. **'very happy'** can be replaced with the word **'delighted'**.

In this column, you will find one such word everyday. Try to use it in your day-to-day conversation.

**Today's word:**

**very angry** : It can be replaced with the word **'furious'**.

Eg.- My mother was **furious** with me when I broke the vase.
