CLASS III SUBJECT – ENGLISH (2020-21)

TOPIC-POSTER MAKING

NAME _____ CLASS III _____ DATE –18/05/2020

Posters are generally made to spread a social message or create awareness among the public about common issues. They are artistic, informative and eye catching.

Hygiene refers to the practices we perform to keep ourselves and our environment healthy and safe. It prevents the spread of diseases. Food hygiene is very important to ensure the safety of food we consume.

Design a poster on the topic: The significance of hygiene in the kitchen. Use an A4 size sheet for poster making. You can write catchy slogans, draw pictures and colour the poster. (Refer to the sample posters above)

Vocabulary Enrichment

Children, in this section, we are familiarising you with single words which convey something that is more than ordinary. You have learnt many words in the previous week. Let us look at a new word today:-

'innovative' can be used in place of 'very creative'

Example: Our school uses innovative methods to teach the children.

You must try and make use of them while conversing with others.
