Wordly Wise

Dear children, today let's try and frame at least one sentence (independently) with each of the new word that we are learning in this section during this week. The meaning of each word is given here once again for ready reference.

(Please Remember:-

This work is to be done in the Vocabulary Notebook or the second half of your Lifeskills Notebook)

1. **crisis** - a time of great danger
Ans: Most people are blaming China for the existing COVID-19 crisis.
2. **numerous**- existing in large numbers
3. **shelter**- protection from danger
4. **sacred** – connection with God or religion
5. **purpose** - motive or aim

Vocabulary Enrichment

Children, we have been learning words which can be used in place of using 'very' with a descriptive word. The word we learnt yesterday was 'thrilled'. Here comes a new word for today:

'**gifted**' can be used in place of '**very talented**' - Anushka is a **gifted** dancer.

You must try and make use of them while conversing with others.
