

NAME _____ **CLASS III** _____ **DATE = 06.05.2020**

Q. Fill in the blanks by choosing the correct option from the brackets:

Once there lived a jackal in the forest. He loved to eat flesh and plants. {he is a _____ (**omnivore / carnivore**)}. He was very hungry and he saw a plate of food lying on the window sill of a little cottage. He did not know that the house belonged to a cloth dyer. The jackal pounced on the plate of food and slipped into the tub of dye. He was now blue from head to toe.

A squirrel who lived on a _____ (**tree / water**) saw the jackal in disbelief. Some tiny animals like _____ (**monkeys / ants**) also could not believe what they saw.

A _____ (**rabbit/ butterfly**) jumped in fear and ran away. A little _____ (**dog / housefly**) flew and told the fish about this strange animal.

The fish moved fast with the help of its _____ (**fins – tails /legs- wings**). Even the tallest animal _____ (**lion / giraffe**) stared at the blue animal and could not believe his eyes.

This gave jackal an idea!

He shouted at the animals ‘Don’t be afraid of me. God has sent me to take care of you all.

From now on I shall be the king of the forest. The poor animals believed

him. The jackal would make the animals do all his work. Snakes and earthworms _____

(**jumped / wriggled**) on the ground to clean the place. Mosquitoes used their _____ (**six /**

eight) legs to sing a song for the jackal. Birds used to _____ (**fly / crawl**) and bring twigs

and flowers to decorate his cave. Every animal brought their favourite food and served it

on a big banana leaf like hens and pigeons brought _____ (**grains / fish**) , elephant

brought _____ (**small animals / fruits**) .
