### **VOCABULARY ENRICHMENT**

We are all in the habit of adding the word '**very**' to describe something which is more than ordinary. For example: We are very happy/ very sad/ very excited/ very slow and so on.

We need to replace these words with a single word to make language more compact and richer. For eg., '**very happy**' can be replaced with the word '**delighted**'.

In this column, you will find one such word every day. Try to use it in your day-to-day conversation with others.

**Today's word:**

**very tasty** : It can be replaced with the word '**delicious**'.

Eg.-My mother cooks **delicious** food.
