| 5) <b>modest</b>      | v) control or limitation of someone or something |

### Vocabulary Enrichment

Children, in this section, we are familiarising you with single words which convey something that is more than ordinary. You have learnt many words in the previous week. Let us look at a new word today:-

**'innovative'** can be used in place of **'very creative'**

**Example: Our school uses innovative methods to teach the children.**

You must try and make use of them while conversing with others.
