Vocabulary Enrichment

Children, we learnt two words yesterday which can be used in place of using 'very' with a descriptive word. The words learnt yesterday were 'awful' and 'expensive'. Here are the two new words for today:

'keen' can be used in place of **'very eager'** - I am keen to participate in the competition next week.

'thrilled' can be used in place of **'very excited'** – Her parents were thrilled to know about her success.

You must try and make use of them while conversing with others.
