May Bal Bharatians keep soaring greater heights of glory and excellence'

Education is the cornerstone of development and progress in any notion. The world dynamics revolves around the growth of skill development, economic understanding and innovation in different sectors of association and collaboration. Underscoring the significant role of schools in empowering children and, as Sydney J. Harris once said, "Turning mirrors into windows" all the stakeholders of BBPS Pitampura take pride in materializing the vision of an advanced and enlightened nation into a proud reality.

With this insightful edition of the Newsletter, I wish every Bal Bharatian a prosperous year ahead.

An amalgamation of harmony, solidarity, brotherhood and peace is the basic foundation for meaningful existence of all beings. The noble and productive acts of the individual play a pivotal role in shaping the destiny of a nation. Hence, the significant role of educational institutions goes unsaid. With integrated approach, constructivist learning process, provision of an inclusive environment, and promoting sensitivity towards environment and fellow beings, Bal Bharatians uphold the promise of a prosperous and enriching future
