12	30.4.2019 to 2.05.2019	CBSE, Rouse Avenue	Artificial Intelligence	Ms Beena S. Nair

- A workshop on physics was conducted by Sh Suraj Prakash for science students of class 11 on 11th April 2019 in the auditorium basement.

The session consisted of a brief review of the physics syllabus, tips on how to do well and understanding physics, prepare for examination, HOTS questions on physics and other valuable inputs for the students. Students were shown interesting demonstrations on physics.

Over all it was an enriching experience for everyone.

- Ms Namrata Alwadh, PGT Physics participated in a two-day Capacity Building Workshop organized by CBSE on 13th and 14th May 2019 at St Thomas' School, Dwarka. The resource persons were Mr G K Mishra, Principal Nutan Bal Mandir, Dilshaad Garden and Mrs Nidhi Kapoor at Lotus Valley School, Noida.

The workshop focused on a number of activities, nasachallenges in teaching physics, common errors made by students and ways to rectify them. It also briefed everyone about the new pattern of question paper and the rules for setting the 20 one-mark questions based on the Bloom's taxonomy. Teachers worked in groups of 10 and made a presentation on low cost teaching aids.

- An extensive workshop was conducted by CRISP on 23rd and 26th May 2019 for the teachers of class1 and 2. They learnt about video making including adding title, prefix, suffix, animation, background music etc through Windows movie maker. All the teachers could prepare their subject based modules independently.

**CAPACITY BUILDING (Primary )**

**WORKSHOP CONDUCTED BY Ms Upasana in Gadwara and Solan**

**ARTIFICIAL INTELLIGENCE WORKSHOP**

- Ms. Shweta Arya attended the workshop on E-waste Management under the programme Karo Sambhav on 30th July at Vishal Bharati Public School, Paschim Vihar. Karo Sambhav is a tech-enabled, environmentally beneficial and socially responsible E-waste Producer Responsibility Organisation (PRO). This organisation helps schools and other institutions to responsibly recycle the electronic waste.

- Ms. Harmeet Kaur, from TERI, conducted a workshop on Solid Waste Management for the students of class VI-B on 31st July. The workshop sensitised the students about the problems associated with the accumulation of solid waste in the landfills of Delhi. They were also

told about the significance of segregation of waste and the harmful effects of single-use plastic. The students were advised to follow the 3Rs- Reuse, Reduce and Recycle as a measure to overcome the problem.

Ms Rupreet Kaur & Ms Daisy Taneja from Mathematics department attended 2 days CBSE capacity building workshop at Lions Public School, Ashok Vihar. The workshop was held on 22nd August 2019 and 23rd August 2019 from 9:30 am to 4:30 pm.

The objectives of the workshop were to equip course participants with skills and competencies required to effectively transact challenging content areas in Maths. Various misconceptions regarding Mathematical concepts were also dealt with and remedial measures were suggested for various problems in maths. Various activities were taken up which help in connecting maths with day to day life.

Overall the workshop was informative and various new teaching methods were told.
