

## CLASS 2-ACTIVITIES- APRIL

### COVID MASK MAKING (10.4.20)

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well." Keeping this in mind class 2 students step forward in making the face masks to be used in this crucial time .Children were also guided to make the same with cloth available at home. They were guided to distribute in the neighbours.

## MY HOME ACTIVITIES LOCKDOWN-1(15.4.20)

To make lockdown period interesting class 2 students were guided to do various activities at home like learning to make a new dish, enjoying helping your parents while dusting, watering the plants or doing their favourite activity as dancing, art , working on an experiment/ assignment , grand parents narrating stories or playing games. Students were also asked to share the pics with the class teachers.

# WORLD BOOK DAY (23-04-20)

On the occasion of world book day class2 students were guided to make a book mark or a stick puppet related to their favourite character . they were also guided to use the material which was available at home . Students enjoyed doing this activity . A few glimpses of the celebration:

## MAKING 3D SHAPES (24.4.20)

Making 3D shapes using Plasticine or dough, Children were given the opportunity to make 3D shapes. Shapes included cube, sphere, cuboid, cone & cylinder. This activity was a fun filled & enjoyable learning experience for them.

# TEACHING AND LEARNING VIRTUALLY @ GOOGLE CLASSROOMS

Given the tough times, Classrooms have now become a virtual reality. Considering the need of the hour, teaching and learning started through the Google Classroom portal for Class-II, on April 27, 2020. Live sessions for one subject a day were scheduled, four sessions for each class per week. Enthusiastic learners and teachers made the class lively and fun-filled while not compromising the needs of the curriculum. Successful and smooth conduction in education ensured hope in gloomy times.
