

CLASS 2-ACTIVITIES- MAY

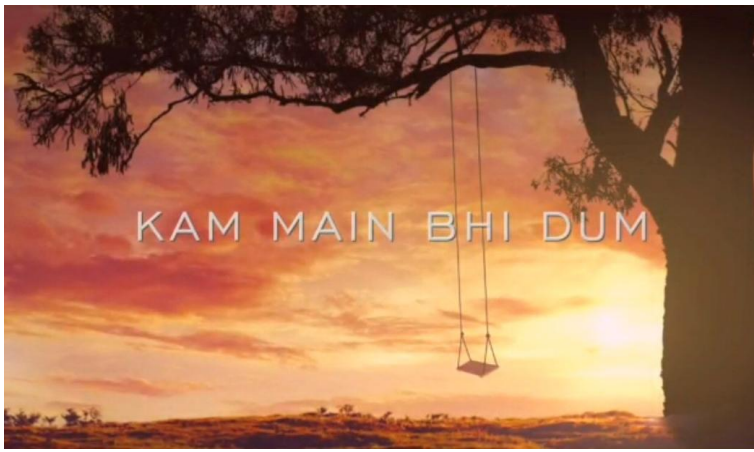

KUM MAI HI DUM (3-5-20 to 6-5-20)

Important lesson of life # April 2020 -living these days when we have no luxuries like restaurants, cinema, maids, outdoors, shopping(except essentials) But we have family and happiness, quality time even after working online and learning too.

Keeping this in mind Class 2 students were guided to spend this quality time with their grandparents and parents, showcasing

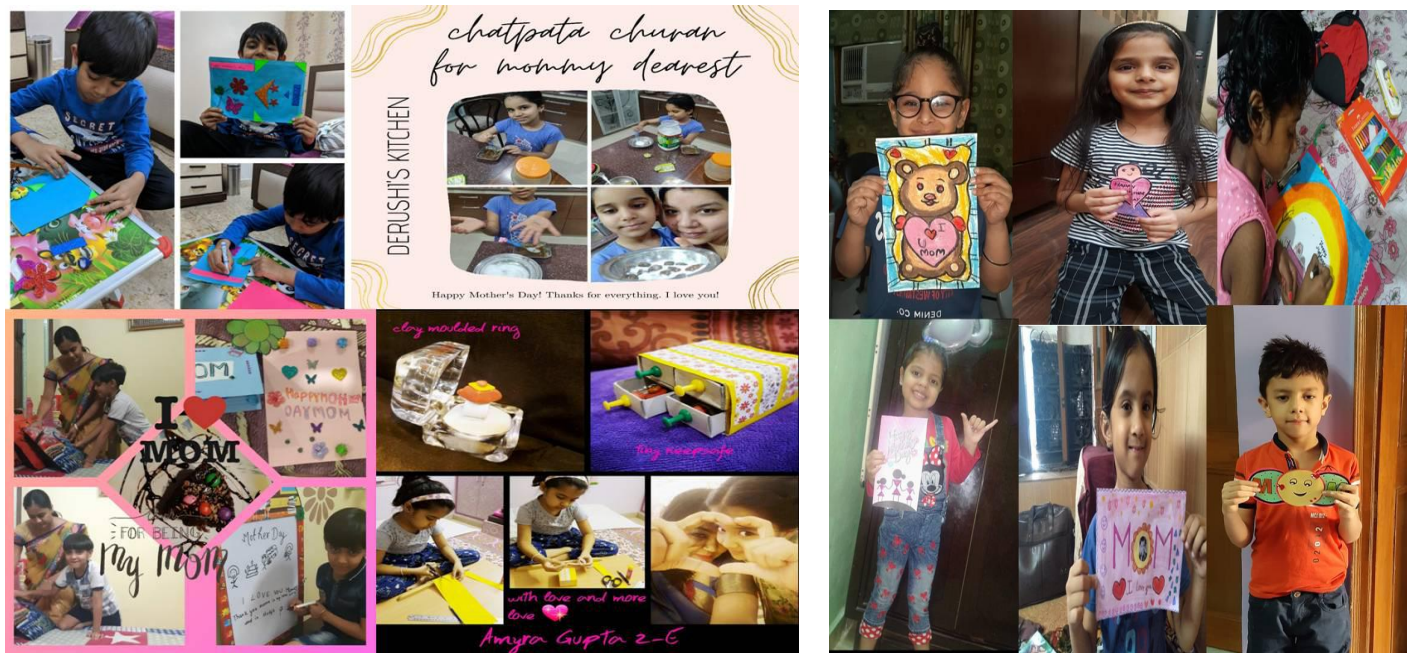

'kam main bhi dum' #asli sukh of life.

They were also guided to write, speak, click or shoot...and send it through whatsapp to the class teacher.

MOTHER'S DAY (10-5-20)

Mothers are always special for us and so is for everyone. Class 2 children were guided to cherish and celebrate the priceless bond between the child and the mother. They were guided to make a special card for their mothers or help her in whatever way they can and make them feel special.

INTERNATIONAL FAMILY DAY (15-5-20)

To usher-in the "International family day" the children of class 2 created an interesting & creative family album in which they treasured every moment and took time to ensure that the story they created is the one which they will be proud of and look back with a smile.

DIGITAL STORY READING SESSIONS

We are all made up of stories. Class 2 students were involved in listening to digital story reading sessions and related interesting tasks were incorporated in the fun tasks.

A screenshot of a digital story reading session. The main content is an illustration of a girl in a red polka-dot dress with thought bubbles showing various weather conditions. Below the illustration is the title 'My Inside Weather' by Jen Thorpe, illustrated by Lara Berge, and a 'Level 2' badge. The interface includes a 'book dash' logo, a 'RECORDED WITH SCREENCASTOMATIC' watermark, and a video player showing a woman in a red shirt.

What if there was nothing too hard for my teeth?
Think of all the things I could eat!

What If?
