

WORLD ENVIRONMENT DAY

Children of today are the change makers of tomorrow. By teaching them the importance of protecting the environment, we can turn them into responsible citizens. Keeping this in mind, the students of class 1 took a pledge to keep their environment clean and green by planting saplings at home and making them their green friends. They also penned down their love and emotions for their new green friend.

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents”

Keeping this ideology in mind class 1 had first Virtual PTM on Saturday- 13.06.20.

The PTM was very satisfying and rewarding for the teachers as their hard work was acknowledged by the parents wholeheartedly. Various teaching methodologies, e- assignments used to make online teaching effective were appreciated by the parent fraternity.
