Summer Vacation

With the sun overhead

Rays gleaming in the sky

It is time to take a break

Watch birds flying by.

Stay inside, dance, play and unwind

Practice gratitude, be nice and kind

Nurture your talent, learn, and grow

Keep the spirits high, let positivity flow.

Celebrate each moment, we will meet soon

Embrace yourself, don't worry, don't swoon

The doors will open, dark clouds will fade

Hold on to your belief, stay unswayed.

Good health will prevail across sky and ground

Sprinkle joy let love abound!

Dear students,

With summer vacation being around the corner, it is the most fruitful and important time for learning and nurturing things. This year too we have come with a whole lot of wonderful ideas to enhance your creativity and keep you amused.

In order to give wings to your imagination we have integrated various subjects into one theme for each class and have designed the interdisciplinary activity so that you are able to comprehend relationship between different areas of study. This subject enrichment activity will also help you to develop an appreciation of what different **subjects** have in common, and how they are distinctive. The soft copy of the work submitted by you will be evaluated and will be a part of internal assessment for the academic session 2020-21.

GENERAL GUIDELINES FOR THE HOLIDAY HOMEWORK

- Use **smallpdf** convertor to convert it to word document.
- Holiday Homework document is an editable document. The typing should be done in the given space only.
- The work should be original and not copied from the Internet.
- **Hindi** worksheet and **Making a comic strip** worksheet can be attempted on a sheet if Hindi typing and online designing of the comic strip is not possible. Then scan/take a picture and insert the image in the **Hindi** worksheet document and **Design a comic strip** document, respectively.
- Attempt the worksheet related to ''Ek Bharat shreshtha Bharat'' provided to you along with the instructions.
- You can use Cam scanner App or your phone camera to take a clear picture of the written document.
- Save the file with name " SEA- 6- sec- student name" **E.g. SEA -6a-Ankit**.
- Your presentation will be evaluated based on creativity and originality.
- Last date for the submission of work: 30th June 2020
- Instructions for uploading the file have been provided to you .

Have a good learning experience!
