

PRE PRIMARY ACTIVITIES

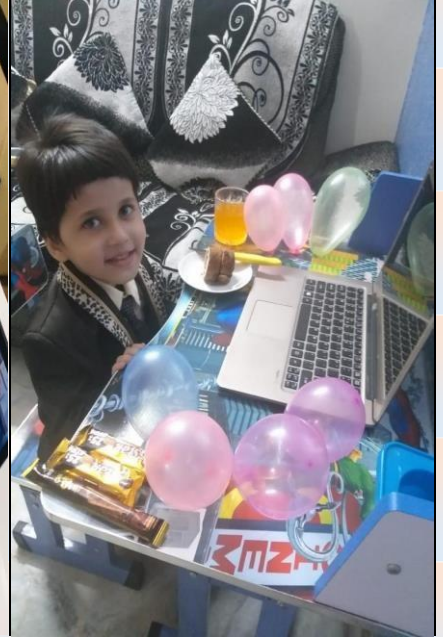

1. WORLD ENVIRONMENT DAY

Children of Pre-primary planted a sapling in their virtual class on 8.6.20 as per instructions by their teacher .They also kept a bird feeder in their balcony for the birds to come and feed on .Thus they became concerned for their environment and realized how important is to take care of it

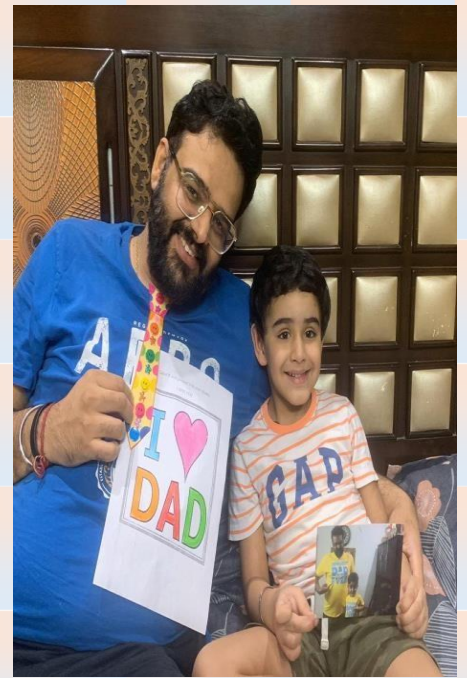

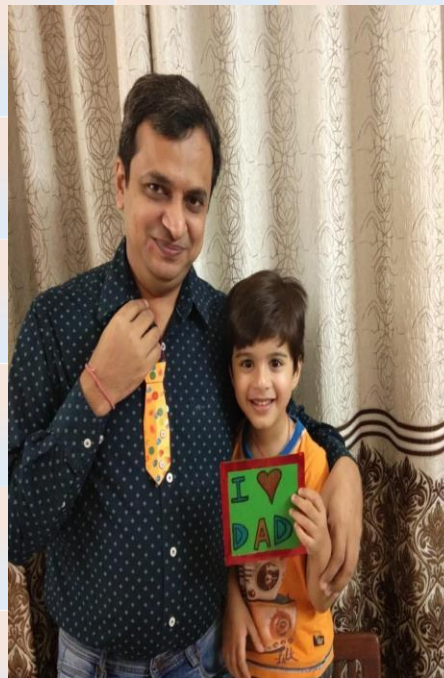

2. BIRTHDAY CELEBRATION

Birthdays are celebrated with family, friends, party, gifts and so on. But this year despite facing time separation from friends and relatives, Pre Primary teachers celebrated kids' birthday born between February and May months, making their birthday super special. Children join the virtual party dressed up in beautiful party dresses and had a Gala time cutting the cake, dancing and singing birthday wishes with their classmates and teacher. This was really a fun-filled activity for kids making their birthdays immemorable.

3. FATHERS DAY ACTIVITY

Children of pre-primary had a fun and creative filled activity on father's day in the month of June .A template of a tie was sent across to them and the children were asked to decorate it creatively .To make it more memorable a card was also presented along with the tie by the children.

4. TAMBOLA GAME

A virtual tambola was played in pre-primary for the children to revise the recognition of Alphabets and numbers.

Children had fun circling the numbers and alphabets spoken by teachers.
