		The darkest night will end Even the darkest night will end, And the sun will rise again,	
		For times like these, for trials on end, Or nothing more than a turn, a bend!	
		Times like these are revealing, Times like these are rare,	
		Hold on, hold on with perseverance, With the strength of spirit, with care!	
		Keep going, keep moving, one day at a time,	
		With faith that endures, With joy that overflows,	
		With the peace that prevails and is sublime!
