No-Bake Easy Banoffee Pudding

Ingredients

- Biscuits……………………15-20
- Caramel sauce………….. one cup
- Bananas……………………2
- Whole milk…………………4 cups
- Milk………………………… ¾ cup
- Custard powder……………..6 tbsp
- Grated chocolate for topping

Instructions

1. To start, pour milk in a saucepan. While it simmers, make a custard powder slurry by mixing the ¾ cup milk and custard powder. Mix well so that it resembles a slurry. Add the slurry to milk and allow it to come to a boil. Cover with a cling film and leave it to chill.
2. In your dish of preference, place a neat layer of biscuits at the bottom.
3. Pour over half the caramel sauce.
4. Place bananas on top of the caramel sauce.
5. Add the chilled custard and spread well.
6. Repeat the above given steps- biscuit- caramel- bananas- custard.
7. After the last layer of custard is done, whip your cream to stiff peaks and spread it generously over the custard layer.
8. Grate some dark chocolate on top and your banoffee pudding is ready to serve!
