

Lesson 6: Internet -Introduction - Part 1

Name - _____ CLASS / SEC- _____ Date: _____

Network: A network is group of two or more computer systems linked together.

INTERNET: It is the largest network that links millions of computers together worldwide.

Safe Internet Usage

The diagram illustrates safe internet usage. On the left, a cartoon girl is sitting at a desk with a computer. Lines connect her to five central icons, each with a label below it: 1. An envelope icon labeled 'Email'. 2. A speech bubble icon with two people labeled 'Chatting'. 3. A blue globe icon with people silhouettes labeled 'Social Net'. 4. A magnifying glass icon labeled 'Search'. 5. A gear icon with an upward arrow labeled 'Downloading'.

The Internet has become part of our daily life. Positive use of the Internet makes our lives easy and simple.

Uses of Internet

- 1. We can get information on any topic.**
- 2. We can play games online.**
- 3. We can do online shopping and online banking.**
- 4. We can send and receive messages easily by using chat and emails.**
- 5. We can take online classes and do video conferencing.**
