(Please note that Ex.1 is to be done in Creative Writing Notebook while Ex. 2 and 3 are to be done in the English notebook)

**CORONAVIRUS**

**1. Read the following text about the Coronavirus.**

Coronavirus is a newly discovered virus. It causes a disease called Covid-19.

In some parts of the world, it has made lots of people sick.

Here are some things you can do to protect yourself, your family and your friends from getting sick:

1) wash your hands often using soap and water.

2) Sneeze into your elbows. If you sneeze into your elbows, you can prevent germs for going far into the air.

Based on these initial prompts on the prevailing situation, write at least five more points using the Simple form of Present Tense to shield ourselves from this growing pandemic.
