

Bedtime Stories

Arpit likes bedtime stories from papa, mummy, and grandparents.

We like some touches from some people. When our parents and grandparents **pat, hug and kiss** us, we **feel good and happy**. These touches come from our loved ones. These are known as **safe touches**.

Write The Name(s) In The Blank: I feel good when

_____ touches or kisses me.

Sometimes our loved ones hug or kiss us and sometimes we hug or kiss our loved ones.

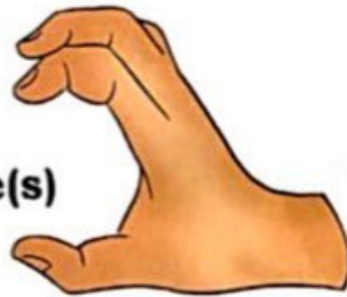

Sometimes, we do not like some touches from some people. They make us feel not good. We do not want these touches. These are known as **unsafe touches**.

Sometimes, we do not like it when some people look at us. It makes us feel not good. We do not want them to look at us that way. These are known as **unsafe looks**.
