JANMASHTAMI CELEBRATIONS

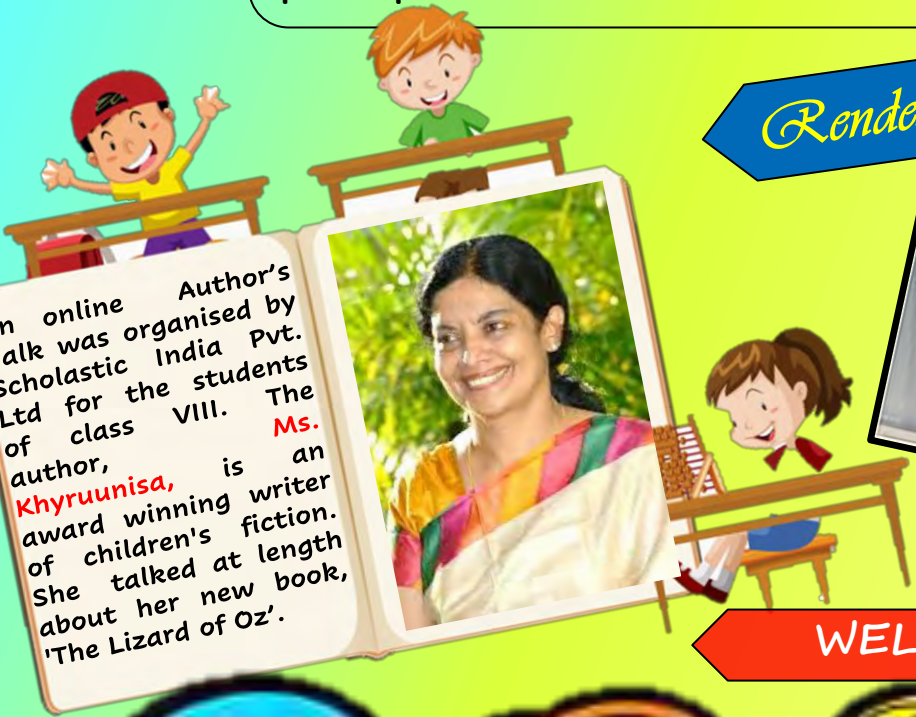

Dressed in beautiful attires and accessories, the children displayed various characters from Lord Krishna's life. The keenness and passion with which these preschoolers participated in the **Janmashtami** celebrations was truly commendable.

Yoga- The Mantra for Good Health

The International Yoga Day, organised by NPSC in collaboration with Spic Macay was celebrated on 21st June . Shri Venkaiah Naidu, the Honorable Vice President of India, addressed the students on the occasion. Our students enthusiastically participated in this event.

Rendezvous with Ms. Khyruunisa

An online Author's talk was organised by Scholastic India Pvt. Ltd for the students of class VIII. The author, Ms. Khyruunisa, is an award winning writer of children's fiction. She talked at length about her new book, 'The Lizard of Oz'.

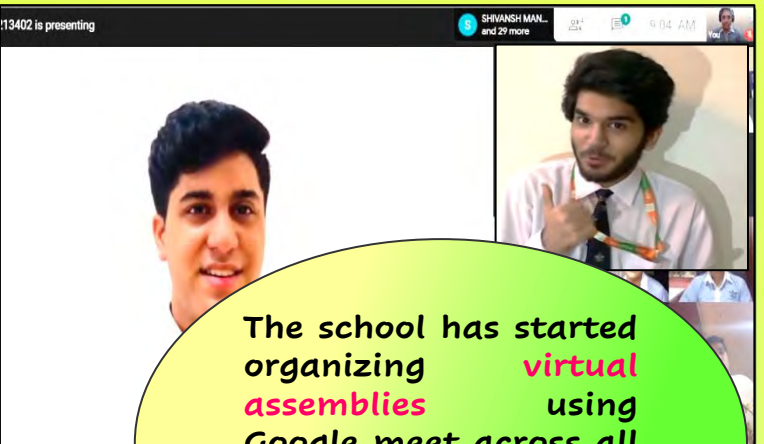

WELCOME TO PRE-SCHOOL

An Online Orientation Program was conducted by Ms. Poonam Tyagi, Headmistress, Pre-Primary Department. The pre-schoolers stepped into virtual classrooms, assisted and guided by their caring class teachers. They established a personal rapport with their teachers.

The school has started organizing **virtual assemblies** using Google meet across all classes. Assemblies are conducted regularly for classes XI and XII.

FAR, YET TOGETHER

Virtual Get-Togethers, Birthday celebrations and fun activities

GALA GALORE

Special days of the month such as Armed Forces Day, World Book Day and World Heritage Day were celebrated with much fanfare. The students participated in several non-competitive activities. It helped the learners develop collaborative skills, problem solving and, most importantly, sustain emotional balance.

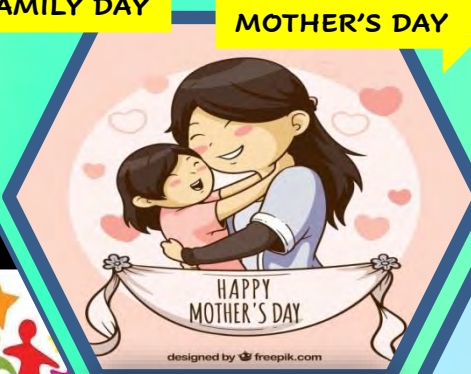

FOUNDER'S DAY

Happy birthday BBPS

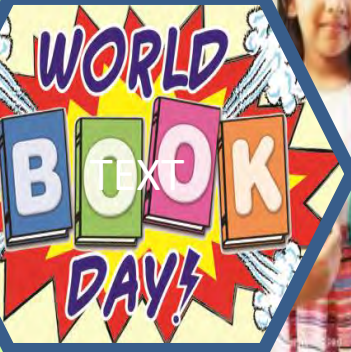

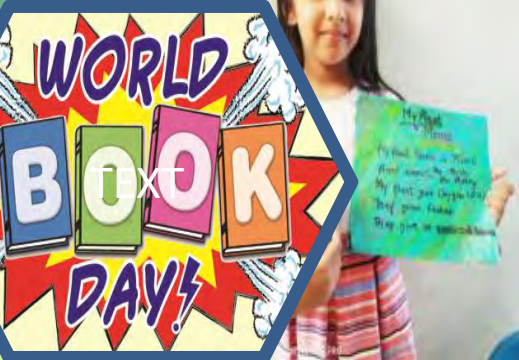

WORLD FAMILY DAY

MOTHER'S DAY

ENVIRONMENT DAY

Special Days

ARMED FORCES DAY

PIC WORLD HERITAGE DAY

WORLD HERITAGE DAY

WORLD BOOK DAY

Bal Bharati Public School Pitampura, has initiated a spectrum of excitement, knowledge, creativity, friendship and unlimited fun, in the form of Culture Clubs.

The Clubs are created to provide each and every child an open and informative space to express themselves and reach their fullest potential.

CLUBS

What we learn with pleasure, we never forget

At PEHCHAAN, students are able to grow with their peers socially, morally and creatively. The sessions include some fun, basic improvisational and acting exercises, followed by tasks like nukkad, dramatic plays, mono and one acts, extempore, courtroom drama, debates and much more.

THE CYBERNAUTS
(Byte club)
The sessions enable the students to have an expanded skill set on web development, cybersecurity, graphic design and programming.

The reading and writing enthusiasts enjoy being a part of this club.

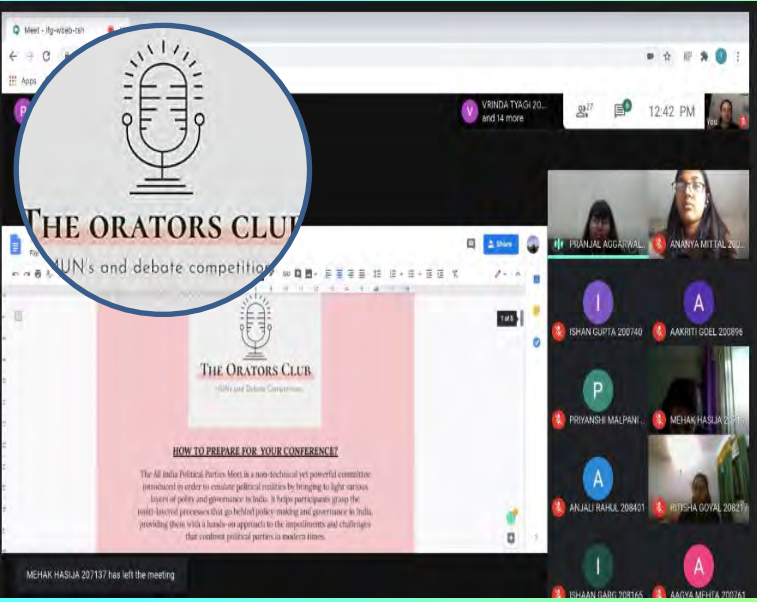

The students share and express their work on the WordPress blog or the Instagram page

Everything is theoretically impossible until its done

Our Aim:

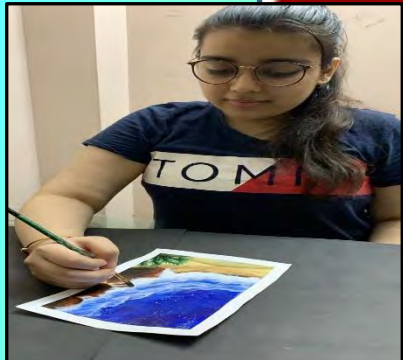

- Create inventors who know famous theories by extravagant scientists
- To create inventors who dig deep and find the reason to those theories
- Learning about the unseen theories and concepts and creating theories yourself!

A platform to promote public speaking and enhance debating skills. Interactive and informative sessions provide a platform to the students to talk about their passion, ideas, inspirations and several other topics.

Green Defenders hold discussions on how our daily actions impact our surroundings and how we as students can do better and become more eco-friendly.

THE ARTISANS

A club that takes you to the world of colours. It engages and helps the students in basic knowledge of art and sketching, textures and craft work.

Online ATL sessions for Tech Club students .

The students of the club created gadgets (Mini Water Dispenser, A Pinhole Camera, Mini Washing Machine and Mini ATM) honing their scientific skills.

The **Everyday Economists Club** gives high school students the skills to think of new economic policies or question the existing ones and helps to develop a mind-set to start real companies.

PINNACLE CLUB

Students are made aware of **Cyber Laws** and trained in following the desired protocol of attending online sessions.

Through a **short-animated video**, the **Pinnacle Club** of the school took an initiative to spread the message that anything posted online is permanent and stays there forever, regardless of being deleted.

Rule 3 At home

- Finish your e-lessons before the class and keep the relevant textbooks, notebooks and pen/pencil handy.
- Keep a list of doubts that you need to clear.
- Make notes during the class.
