💐 AlmaConnect-Digital Mentorship

Our Alumni launched an empowering initiative for students to help them navigate the path to success in their fields of interest. 'Men and Women of Substance' was born out of the shared passion across the alumni community to enable the students of our school to by achieve greater heights sharing their struaales and achievements. The first season was attended by all the students and many parents. The sessions covered areas such as CA and forensics, branding and advertising, healthcare, engineering, and medical field.
