

PRE- PRIMARY ACTIVITIES

1. FOUNDER'S DAY

The students and teachers of pre- primary celebrated Founder's Day with great enthusiasm. A PPT was presented by the teachers to showcase the good memories of the children spent in pre-school. Also, a beautiful card for the school was prepared by the children along with a cake cutting celebration. The whole scenario created in the virtual classroom was fun filled and cherished by all.

2. ONLINE CO-CURRICULAR ACTIVITIES

Online co-curricular activities were started on 13th July. To facilitate the teaching learning in playful manner and add fun during virtual classes which includes Art and craft, Gross motor skills, social skills and cooking activities.

3. PARENT'S SESSION

Be a teacher of your ward's class for one day. An effort to make innovation in virtual classroom.

The team Pre-Primary organized the virtual session by the parents on 30 July 2020 where in the parents were given a chance to teach the students of their ward's class and to be on the teacher's platform for one day. The topics taken by the parents were discussed beforehand by the class teacher. The topics were suggested to them. The parents participated well in the session and efficiently conducted the session. Sessions were taken on social skills, moral values, dance session, story narration, environmental awareness etc. The children enjoyed the session and participated well in the discussions. The parents were appreciated by the teacher for their Initiative and efforts. The session was ended with a vote of thanks by the class teacher.
