

BAL BHARATI PUBLIC SCHOOL, PITAMPURA

PRE SCHOOL

NEW INITIATIVE

The team Pre-school started a new Initiative to invite the parents of PS to take up a session with the children of their ward's respective classes. Many parents volunteered for the same and choose different topics of interest to the children.

Parents enthusiastically took up the session with the children on topics like body parts, good touch /bad touch, likes/ dislikes through stories and rhymes. It was a wonderful experience for the parents and a good change for the children as well.
