

IN FOND REMEMBRANCE

The Bal Bharati family is grieved at the sad demise of Mr. Suraj Prakash, due to COVID-19 on 27th June, 2020. He shall be missed by all whose lives he touched with his guidance and wisdom. Suraj Prakash Ji was a beacon of light, who had trained innumerable members of the teaching fraternity. His love for science was exemplary and his passion for teaching is a legacy he has left behind. His contribution as a member of the Bal Bharati fraternity shall always be cherished. May he rest in eternal peace.

A Prayer

‘There is Power in Prayer’

When you pray, storms get stilled

When you pray, doors open.

When you pray, God listens.

Our prayers go out to members of the Bal Bharati Pariwar who have lost a family member to COVID-19 during this period. We also pray, in all humility, for those affected and suffering. We express our profound gratitude to those working tirelessly for their healing.

Bal Bharati

PRINCIPAL'S REPORT

Highlights: November, 2019 to March, 2020
Report :1st April, 2020 to 27th July, 2020

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

The school, having been unable to share the report of activities from November, 2019 to March, 2020, presents the highlights of this period.

Our school was ranked 12th in India and 3rd in New Delhi in the category ‘INDIA’S TOP 20 CBSE SCHOOLS’ by EDUCATION TODAY.

Our school was declared a FIT India School and was issued a Certificate of Recognition by the Ministry of Youth Affairs and Sports, Government of India.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

We received the **Brainfeed School Excellence Award 2020** in the category **Best CBSE School for Sports Education, Parental Education and Inspirational Leadership.**

We secured the **First Position** as a **Goodwill Ambassador** in the city for **Swacch Bharat Mission** by **North Delhi Municipal Corporation.**

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

The school received the **FICCI Special Jury Award** at **FICCI Road Safety Award Ceremony 2019** in the category **‘Excellence in Road Safety Initiative by Schools’** for the project **‘Share the Roads’**.

The school received the **Pursuit of Mathematics Excellence Award** by **Clash of Pi** (Global Mathematics Circuit). 900 schools across India participated.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

The **Interact Club** of our school won the **Governor's Recognition Award 'Elite Club'** for its outstanding contribution in the furtherance of the cause of Rotary during the **Rotary year 2019-20**. **Ms. Rashmi Ashtikar**, received the **District Governor's Special Appreciation Certificate** as the **Teacher Advisor** of the club.

10 students of class **XII** and **16** from class **X** received the **Certificate of Merit** for being in **top 0.1%** from **CBSE** for the session **2018-19**.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

119 students of our school received *Bhasha Doot Award* from **Hindustani Bhasha Academy and Indira Gandhi National Cultural Centre**, for their outstanding performance in class X CBSE Hindi and Sanskrit exams held in the session 2018-19.

Delhi State Science Teachers' Forum organised the **Science Open Merit Test (SOMT- 2019)**. **Falak Kalra** of class X secured the 20th rank in the Delhi region.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

Gaurang Gupta of class IX bagged the 5th Rank and Shambhavi Debnath of class IX secured the 26th position Delhi Region in the JSTSE Exam held in December, 2019.

In the CBSE National Rope Skipping Championship - 2019-20 held at Amritsar from 7th to 10th November, 2019, Our U-14 Girls won the Overall Championship.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

Ayush Jain of class VII bagged the **First Position** in the National Finals **Mattel Scrabble Challenge**.

SPACE-India conducted an online exam to select **200** students from Indian schools and colleges to be a part of the **International Student Eclipse Expedition Team to Oman and Karnataka**.

- **Soham Gupta** of class VII bagged the **First Rank** at the **ALL INDIA Level**.
- **Soham Gupta** and **Chinmay Shokeen** were among the **top 20** and won a fully sponsored trip to **Oman**.
- **Manas Tomar** and **Arav Gupta** of class VIII were ranked among the **top 50** and won a fully sponsored trip to **Kerala**.
- **Raghav Kaul** of class VIII was among the top 200 and won a **telescope**.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

Eva Chaudhary and Ifrah Khan of class X were declared the winners in the 'Japan on Canvas', a National Level Painting Competition organized by Experience Japan.

In the International concours d'ortographe 2019 (International French Spell Bee 2019), Ayushi Gupta of class IX won the trophy in the Advance Level Category and also won an all-expenses paid trip to France.

HIGHLIGHTS NOVEMBER, 2019 TO MARCH, 2020

Shreyansh Jain of class XI won the award for the **Best Robo Design** and bagged the **second position** at **FIRST LEGO League – North India Robotics Championship**.

At **Robo Cup Nationals** held at **Bangalore**, our team, **The Elite**, comprising of **Jaspreet Singh, Aman Singh, Nabh Garg** (class XI) and **Adheyman Gupta**(class X) secured the **second position** in the event **‘Rescue Line’** and qualified for the **Asia Pacific Level**.

WINTER CARNIVAL

The Winter Carnival was organized on 22nd December, 2019. The theme of 'SPACE' added colour and thrill to the festive fervour. 'Space Odyssey', 'Selfie Corner', spectacular performances , game stalls and food outlets were a treat for one and all.

WINTER CARNIVAL

May the New Year bring abundance of
Success, Joy and Smiles in your lives

Happy New Year 2020 Houama

WINTER CARNIVAL

WINTER CARNIVAL

WINTER CARNIVAL

PRIMARY PLAY

The Primary Annual Play, ‘Charlie and the Chocolate Factory’ was staged on 31st January and 1st February 2020. Over 250 students participated in the musical based on Roald Dahl’s classic. Maintaining the tradition of giving stage exposure to as many students as possible, a different cast of students performed in both the shows.

PRIMARY PLAY

SCHOOL GOES VIRTUAL

With March came the spread of COVID-19 which brought with it a lockdown and schools closed on the 23rd of March, 2020. We are proud of the fraternity of Bal Bharati that rose to this challenge with unity, resilience and the will to overcome every obstacle. Classroom Teaching was brought to the homes of the students. Live lessons using the best of digital tools, E-lessons giving detailed value points, video presentations, Mental Health and Counselling sessions and a staff committed to quality education, have enabled us to keep the school functioning beyond the school building.

ACCOLADES

ACCOLADES

Overcoming all challenges, our students strode ahead during this period achieving laurels and making the school proud.

Ritvik Baweja of class XII, cleared the written exam and interview of KVPY (Kishore Vaigyanik Protsahan Yojana). He is now a KVPY fellow.

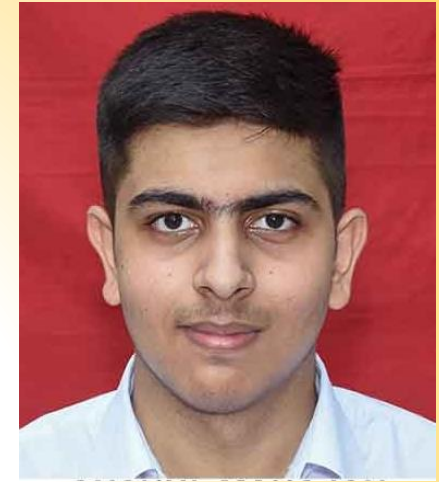

ACCOLADES

Aryan Mediratta

Aadit Saluja

Anshul Mahajan

Aryan Mediratta of class XII, Anshul Mahajan of class XI and Aadit Saluja of class XI, worked on a web application prototype organized by Garage48, an international organization. They were amongst the 5 teams that represented India in The Global Hack finals. They secured the Third position internationally and were awarded a prize of 5000 euros.

ACCOLADES

Jahnvi Dureja

Jahnvi Dureja of **class XII** got selected and performed in the International Dance Festival- **The Monsoon Festival** organized by **Global Artists Association**. People from 7 different countries participate in it every year. This festival was telecast on YouTube and Facebook live in 7 different countries.

ACCOLADES

Arsh Bhatt

Arsh Bhatt of class XII (2019-20) has written a science fiction novel ‘The Intervention’ which has been published and released. It is available on Amazon.

ACCOLADES

Bhavik Saluja

- **Bhavik Saluja** of class X participated in the Online Competition ‘**Sadbhavana in the Times of Corona**’ organized by Rajiv Gandhi Foundation from 14th to 21st April 2020. He bagged the **First** position in the event for his poem.
- He also submitted a short Film to TGIFF (**The Great Indian Film Festival**) for their MOBILE FILM FESTIVAL event. His short film was selected and **screened on the YouTube channel** of TGIFF from 19th June to 21st June 2020.
- In the ‘One Minute’ Film Competition organised by CMS Vatavaran on the theme ‘Rethinking Conservation of Environment During and After COVID’, **Bhavik Saluja, was declared the winner and his movie was uploaded on the CMS Vatavaran’s website.**

ACCOLADES

Saesha Kapoor

Saesha Kapoor of class VIII was adjudged the **winner in the Game Development Event** held during ATL Community Day Challenge 2020. Her game was selected out of approximately 1100 entries from all over the country.

ACCOLADES

PEHCHAAN-THE DRAMA SOCIETY OF BAL BHARATI PITAMPURA came up with a new project to entertain everyone during the lockdown period. They have successfully uploaded two episodes of their play ‘Gunehgaar’ on YouTube. The link to the channel is:

https://www.youtube.com/channel/UCOCLuuBI_i8eq4qSmj_JqIQ

SUMMER INTERNSHIP AT UNIVERSITY OF QUEENSLAND

6 students of class XII participated in the Summer Entrepreneurship Bootcamp, organised by the University Of Queensland, Australia. The students attended a month long programme in June 2020 where they were taught how to inculcate entrepreneurial skills and develop a startup. They created a business plan of their own.

SPECIAL ACHIEVEMENTS

- **Parin Khurana of class V** conducted a Live Webinar on ‘How to Build a Talking App with AI Speech Recognition feature on MIT App Inventor’. This Webinar went live on Facebook on May 10 and was attended by many parents, teachers as well as Parin’s batchmates.
- Two students of Tech Club, **Revanshu Ranjan (class IX) and Mannan Sethi (class VII)** conducted a webinar on Onshape (CAD Software) to design Robot Chasis on 24th May 2020. The webinar was streamed live on the ATL Facebook page of the school.

SPECIAL ACHIEVEMENTS

- **Pratyush Porwal's** comic strip, *Go Corona Go*, was published in the e-magazine, **The School Social**, on 2nd July 2020. He is a student of class VI.
- **Shivi Guglani's** poem, 'Stay Happy, Stay Safe' was published in the web edition of the Times of India on 6th July 2020. She is a student of Class VII.

SPECIAL ACHIEVEMENTS

- **Shaurya Chhabra, class IX, and Ayushi Agrawal, class X,** were awarded the **Encouragement Prize** for their **video on Van Mahotsav** as a part of the Video Making Competition organised by the Regional Museum of Natural History, Ministry of Environment, Forest and Climate Change.
- In the 3D Printing and Designing Event organized by 3Dexters, **Ayush Jain, Class VIII,** was declared the First runner up out of more than 100 students who participated in this event from across Delhi NCR.

STAFF ACHIEVEMENTS

It is a matter of great pride for the school that the subject content developed by 35 teachers was approved as a valuable resource and will be used for the **VidyaDaan**, a **National Programme** launched by the **MHRD** under **DIKSHA** initiative portal. The subjects for which the lesson plans were approved are **English, EVS, Mathematics, Physics, Chemistry, Accountancy, Business Studies, Economics, Computer Science, Geography and Political Science.**

STAFF ACHIEVEMENTS

Study Group, an initiative of Action Committee, conducted an Essay Writing Competition on the topic Recalibrating Pedagogy after Lockdown. Ms. Shikha Pathak, PRT bagged the First Position. Ms. Nidhi Sood, TGT and Ms. Garima Wadhwa, PRT received consolation prizes.

STAFF ACHIEVEMENTS

'ARE YOU A THOUGHT PROVOKER CONTEST' (an International Contest) organised by Open Door invited Maths and Science teachers to submit thought provoking questions as part of the contest. Following teachers received Appreciation Awards:

- **Ms.Priti Jain, TGT Maths, and Ms. Upasna Chowdhary, TGT Maths, were adjudged 'Expert Thought Provoker'.**
- **Ms Amandeep Kaur, TGT Science, and Ms Neetika Babbar, TGT Maths, were adjudged 'Budding Thought Provoker'.**

STAFF ACHIEVEMENTS

- **Ms. Amandeep Kaur** participated in an **Awareness Quiz** on COVID 19 organized by **Teri School of Advanced Studies** on 23rd May 2020 and scored **100% marks**.
- **Ms. Preet Kamal's** poem on the theme '**Astronomy**' was published on **Space India Facebook page**.
- **Ms. Alka Verma, Ms. Nidhi Parashar and Ms. Anjani Sareen** successfully completed a 15 days App. Development Course conducted by **Atal Innovation Mission**. They each developed an **app** and received **certificates of appreciation** for the same.

STAFF ACHIEVEMENTS

Mr. Neelambar Singh and Mr. Pawan successfully completed the online **Khelo India Training Program**, organized by the **Ministry of Youth Affairs and Sports Government of India**. They received certificates for the same.

STAFF ACHIEVEMENTS

The Principal, Vice Principals and Headmistresses along with 25 teachers across all departments are certified Microsoft Innovative Education Experts for the year 2020-2021.

STAFF ACHIEVEMENTS

More than 100 teachers across all departments have successfully completed the Experiential Learning Course offered by CBSE through Diksha portal and received certificates for the same.

ACADEMICS

ONLINE CLASSES

Undeterred by the pandemic, the school took on unprecedented challenges using various online tools to ensure that the teaching learning process continued unhampered. Teachers themselves became learners and overcame the obstacles of technology. Online Classes began soon after the lockdown was imposed from 25th of March, 2020. E-lessons were shared in the form of slides and presentations for a week till the teachers equipped and trained themselves in online tools. Live lessons across all classes began from 1st April, 2020.

ONLINE TOOLS

The following online platforms are being used by teachers:

- **Google Meet** for Live Classes
- **Google Classroom** for sharing presentations, videos, quizzes and assignments
- **Google Forms** for Online Assessment for all classes across III – XII
- **Colab Jupyter Notebook** for Computer Science and IP practicals
- **Jamboard** as White board for teachers
- **Microsoft Teams** for Artificial Intelligence sessions for classes VII to X
- **One drive** for collaboration of Holidays Homework
- **Microsoft Forms** for online surveys and feedback forms

CRISP MODULES & ONLINE LEARNING PORTALS

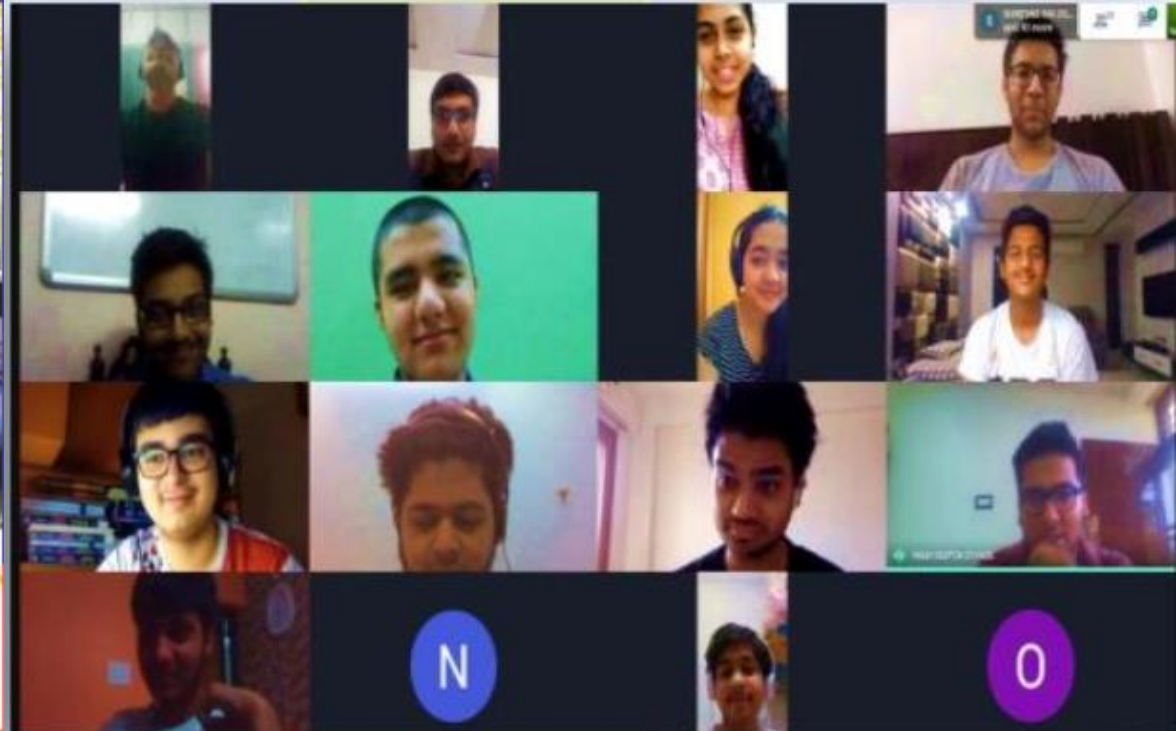

- **Connected Classrooms App by CRISP** enabled the teachers to create a bridge between classroom teaching and guided learning at home for students of classes I-V. With **CRISP**, the students get additional material prepared by the teachers to enhance their learning of the subject matter.
- Students of the Middle Department have been provided access for **online learning portals such as Khan Academy, Funtoot and Mindspark**. Regular assignments from such portals give the students an in-depth understanding and application of mathematical concepts.

GOOGLE CLASSROOM

POCO
SHOT ON POCO X2

MICROSOFT TEAMS

CRISP MODULES

VIRTUAL LABS

- **Science Practicals for students across IX – XII are conducted using online virtual lab application – O Labs.** This feature has enabled students to access various labs virtually during lockdown . In addition to O labs, students have explored online simulations on **Phet Colorado and Ophysics** websites.
- **GeoGebra** is an interactive geometry, algebra, statistics and calculus application, intended for learning and teaching mathematics. Teachers of Mathematics department are using GeoGebra for classes IX- XII for teaching topics like Number System, Triangles, Functions etc.

Description

This is a simulation of a charged particle being shot into a magnetic field. It can be used to explore relationships between mass, charge, velocity, magnetic field strength, and the resulting radius of the particle's path within the field. Use the sliders to adjust the particle mass, charge, and initial velocity, as well as the magnetic field strength.

VIRTUAL TOURS

Virtual tours are comprehensive, immersive and filled with fascinating insights. Learning was made interesting and joyful with virtual visits of museums, memorials, heritage sites and factories. Several Virtual Visits were organized across all classes:

- War Memorial
- Zoo
- Parliament Museum
- Rumtek Monastery(Sikkim)
- Red Fort
- Amul Factory

These tours were followed by discussions and group activities based on the same.

VIRTUAL TOURS

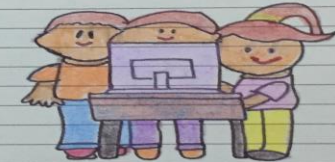

PARLIAMENT MUSEUM

TRAVELLING-VIRTUAL vs REAL

A virtual tour is a simulation of an existing location which usually consists of a series of videos or images, it also uses other elements like sound effects, music etc..

"Bring the world into your room"

As we all are temporarily grounded, thanks to the miracles of internet, we can tour this big beautiful world from anywhere. Added advantage is we don't have to deal with long queues and fellow tourists. It also saves our time and money. They can take you anywhere from distant lands to historic museums and local spots etc.

REAL V/S VIRTUAL TOUR

Real vs Virtual tour

This pandemic has forced us all experience Virtual tours.

Virtual tours are extremely beneficial in current times as there is a lockdown due to Corona Virus. However real tours are always better as they can help experience in a complete manner. In a virtual tour we can sit in the comfort of our homes and visit a place where as in a real tour we have to go out and actually visit the place. All the senses are not used in virtual tour however they are used in a real tour. In a real tour we have to buy tickets for the flights or trains to visit a place however in the virtual tour we just need to log in.

ONLINE ASSESSMENT

The need for **Formative Assessment** right now is particularly critical because learning needs to take place outside of the physical classroom and teachers need to understand whether students are absorbing the content that is being delivered to them. Apart from conducting online tests after each topic/chapter, **Formative tests, including objective and subjective questions, were held as per the following schedule:**

- **2nd June to 16th June class XII.**
- **Online retests were conducted for students detained in class IX and XI as per CBSE ruling.**
- **25th July to 5th August class XI.**
- **Online Assessment for classes VI-X conducted from 1st June to 5th June 2020.**
- **Weekly Tests for classes III to V have commenced on 25th July, 2020.**

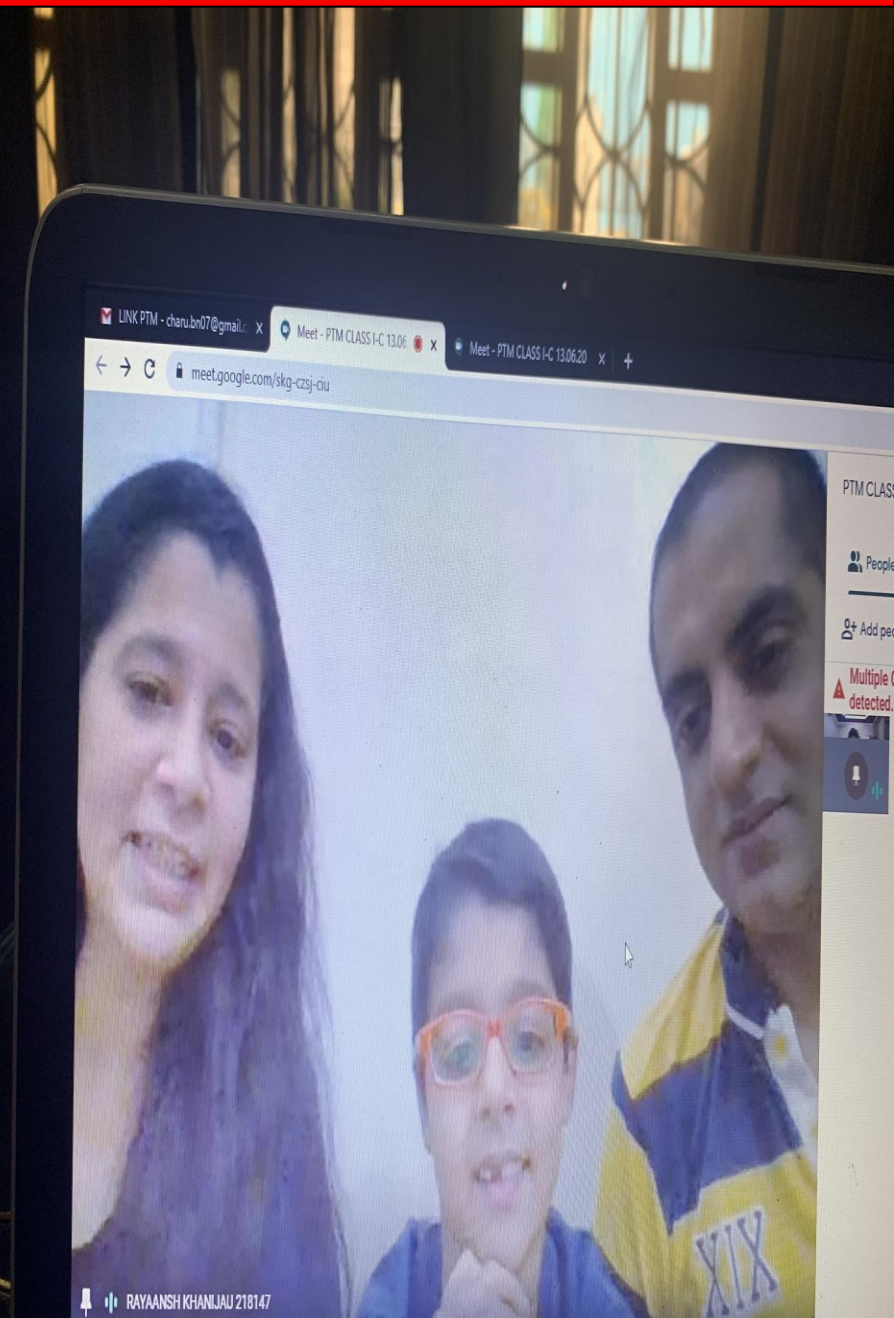

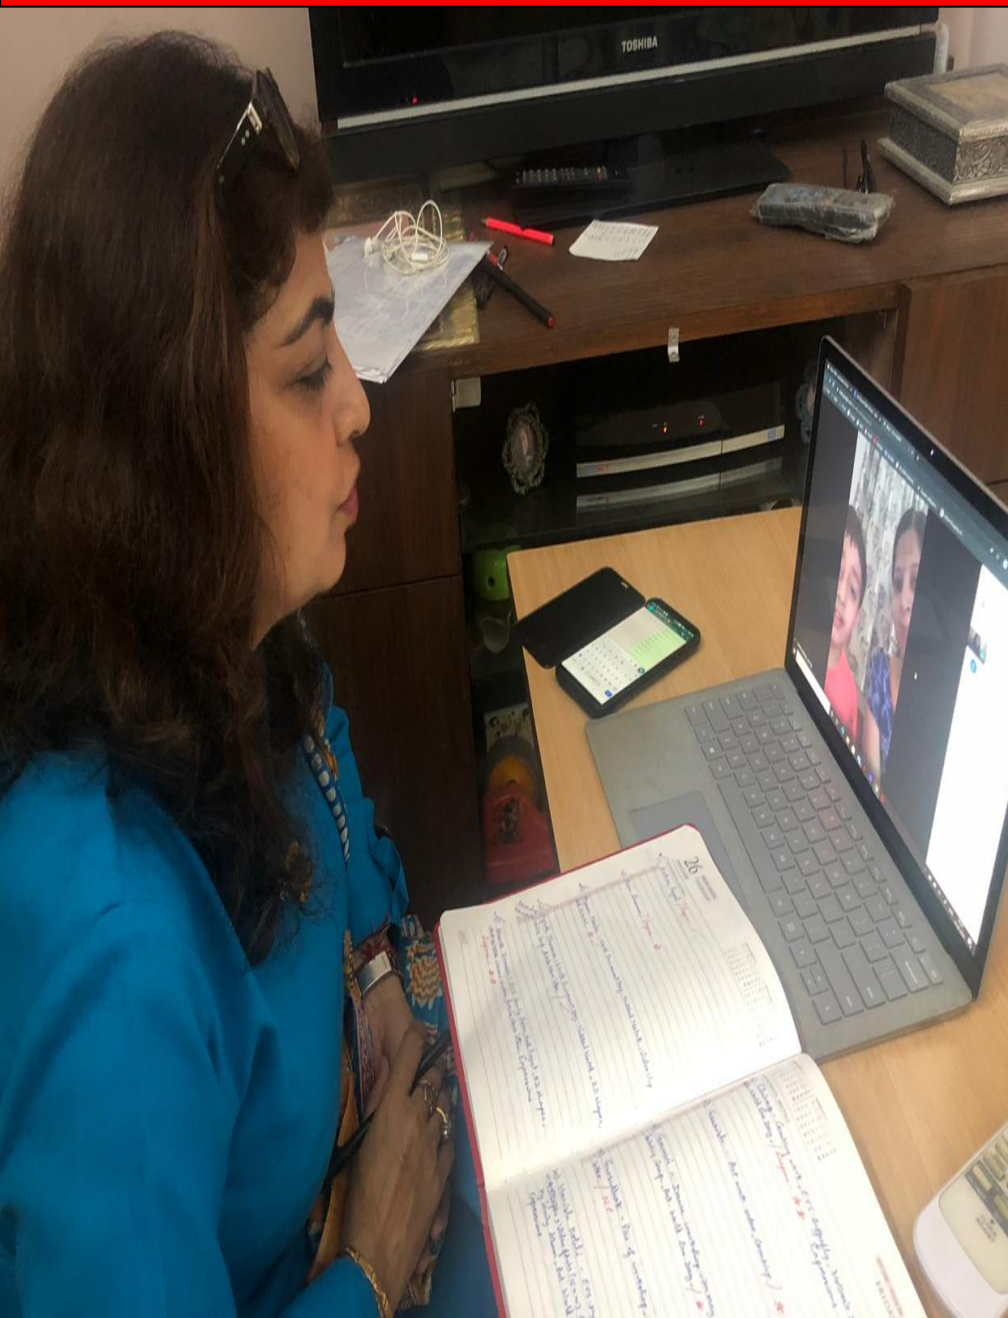

REMEDIAL CLASSES

Remedial Instruction becomes very important in times like these. It helps address learning gaps in learners. Special remedial classes are being organized everyday after school instruction time is over. All students who are academically weak or have frequent absence or attention issues are part of these classes.

VIRTUAL PARENT TEACHER MEETING

A one-to-one **Parent Teacher Meeting** was held in the first week of May across all classes to form a connect with the parents, understand their concerns and give a feedback with respect to their ward's participation and performance in the online classes. In addition, teachers make '**Care Calls**' to parents of all classes from Pre-School to class XII.

VIRTUAL PARENT TEACHER MEETING

CARE AND CONNECT

Care and Connect is a beautiful initiative taken by the Bal Bharati fraternity to maintain a regular connect with all the stakeholders. Through this enterprise, innovative ideas are shared with the parents on how to engage their child, both at an individual level and together as a family during the lockdown phase. Some of the areas covered are :

- Developing Empathy
- Exploring Within
- Strengthening family as an anchor
- Nurturing Interests

CARE AND CONNECT

Bal Bharati
PUBLIC SCHOOL

Let the
‘brand new world’
talk to the
‘good old days.’

Grandparents and grandchildren share a special relationship based on unconditional love, but digital distractions have become a big obstacle in this. The lockdown offers an opportunity to revive things. How about nudging your kids to reach out to their *dada-dadi*, *nana-nani* in a manner they will really appreciate – by penning an unhurried, handwritten letter about their highs and lows, hopes and fears. They can click a picture of the letter, and send it across by WhatsApp. It doesn't matter if they live in the same house, or in a different city. Not only will this carry a personal touch, it will also get the kids to exercise their handwriting skills, especially at a time when everything is coldly typed out. Most importantly, the magic of the handwritten letter will rekindle their bond, and get many a conversation flowing.

CARE AND CONNECT

Bal Bharati
PUBLIC SCHOOL

Develop a new hobby. Become more interesting.

Time has expanded for your child post lockdown. While the school continues to provide inputs, including co-curricular ideas, using various digital tools, children seem glued to social media and digital entertainment platforms. It's time to nudge them to say hello to better options. TED Talks to listen to global thought leaders, Cousera to do a free course, Skillshare to learn a new skill, and more. You could encourage them to learn to cook, or build a balcony garden. With new hobbies they will not only de-stress, but also develop a new aspect of their personality, expand their horizons, and make new friends.

CARE AND CONNECT

Bal Bharati
PUBLIC SCHOOL

Create a time capsule... for your future self!

Over centuries, people have buried messages and everyday objects in 'time capsules', in the hope that future historians will get to know more about their time. The current study-from-home phase is a truly once-in-a-lifetime period. Encourage your children to capture it in their own digital time capsule –

'My Covid Diary' (in Word or PowerPoint), and fill it with their thoughts, pictures, videos, polls they conduct among friends (using Google Forms), interviews with grandparents. Once school resumes, ask them to upload this diary to their Google Drive and 'forget' about it. Years later, when they open it, a fascinating time of their lives will magically come alive for them and those they share it with.

ONLINE ORIENTATION PROGRAM

Since the school closed down before the students of Pre School could join, an **Online Orientation Program** was conducted by **Ms. Poonam Tyagi, Headmistress, Pre-Primary Department**, who welcomed the parents and made them aware of our school system.

The journey of the Pre-Schoolers began with their stepping into virtual classrooms assisted and guided by their caring class teachers. The class has been divided into smaller groups to enable children to establish a personal rapport with their teacher.

EXTERNAL EXAMINATION

National Mission for Clean Ganga (NMCG), Ministry of Jal Shakti, organised an online **National Level Quiz - Ganga Quest 2020** in the month of May. More than 1200 students participated.

EXTERNAL EXAMINATION

- ***BRICSMATH*** is an annual **international online competition** in Mathematics conducted by **FICCI ARISE**. The students from the Primary, Middle and Secondary department of the school, participated in first round which began from 22nd April to 22nd May, 2020.
- Students from classes VI-XII attempted the **International Humanity Olympiad** organized by the **Satyug Darshan Trust**.

EXTERNAL EXAMINATION

Mind Wars is an **online, quiz-based learning platform** that offers a comprehensive knowledge base to the students from classes VI to X. The students participated in several **live online quiz events** based on varied themes such as Accidental Inventions, Harry Potter Series, Classic Bollywood Creations, Sachin Tendulkar, to name a few.

WEBINARS FOR TEACHERS

- In order to empower teachers with digital skills to equip them with the best online tools available and to help teachers meet the challenges posed by the ‘new normal’ school settings, several training sessions and webinars were organised.
- More than 100 webinars conducted by NCERT and CBSE have been attended by the staff during this period.

COUNSELLING AND MENTAL HEALTH

The Counselling Team has worked tirelessly tracking the larger emotional issues of the pandemic along with the challenges of distance learning. Live sessions, Handouts, Video Presentations, open phone lines and personal video calls to instil a positive mindset and offer both comfort and hope, are some of the ways adopted.

Ms. Shreya Gandhi, Ms. Saaneyya Kapoor and Ms. Yashvi Bhatnagar prepared mental health modules and took interactive live sessions on Coping Skills, Minding our Minds and Art Therapy for the emotional well being of the students and staff.

COUNSELLING AND MENTAL HEALTH

- The Counselling Team developed appropriate daily routines for students across the school to provide regularity and discipline.
- They initiated the Peer Mentoring programme in school in which the students who require peer support are identified and connected with trained mentors. The work done is analyzed through weekly meetings and goal worksheets.
- Formulated a 30-Day Mental Workout for students to practice in their daily lives.
- One on One sessions with parents along with group webinars on topics such as Positive Parenting and Nurturance, How to Look after your child during the pandemic.

INITIATIVES TAKEN BY THE SCHOOL COUNSELLING DEPARTMENT

The screenshot displays a Zoom meeting interface. At the top, a yellow banner contains the text "INITIATIVES TAKEN BY THE SCHOOL COUNSELLING DEPARTMENT". The main area shows a grid of video feeds. In the top-left corner, there are two circular profile icons: a purple one with the letter 'A' and a blue one with the letter 'V'. Below these are the names "ARNAV GOEL 213246" and "VIVAAN JAIN 213183". The middle row shows two video feeds: one for "ASMI SHARMA 213283" and one for "ISHITA GUPTA 213250". The bottom-left corner shows a notification: "VIYUSHTI GOEL 213152 has left the meeting" next to a purple profile icon. The bottom-right corner shows a video feed for "CHHAVI 219496". On the right side, there is a sidebar with the following elements: "People (22)" with a person icon, "Chat" with a speech bubble icon, "Add people" with a person and plus icon, and a list of participants with their names and IDs: "CHHAVI 219496", "ISHITA GUPTA 213250", "MANYA SHARMA 201378", "MUDITT BAWEJA 201373", and "NAKUL 213109". At the bottom, there is a control bar with icons for microphone, video, and screen sharing, along with text for "Turn on captions" and "Present now".

AUTHOR'S TALK

On 25th July 2020, an online Author's talk was organised by Scholastic India Pvt. Ltd for the students of class VIII. The author, Ms. Khyruunisa, is an award winning writer of children's fiction. She talked at length about her new book, 'The Lizard of Oz'. It was an interactive session and the students asked interesting and meaningful questions.

VIRTUAL ACTIVITIES

- The students of Pre Primary and Primary Department had a **virtual party** with their classmates and teachers before going on their Summer Vacation. The students enjoyed doing fun things such as Treasure Hunt, singing, dancing and having their favourite breakfast together.
- Pre Primary teachers organised **virtual birthday celebrations** of the students. All the family members were invited and joined in the cake cutting ceremony.

FOUNDER'S DAY

The **Founder's Day** of the school was celebrated on 16th July, 2020. The school has completed 36 glorious years since its inception in 1984. Students, staff and parents made the day special by connecting with each other virtually and cutting a cake on the occasion. Several activities were also organized across all classes.

VIRTUAL ACTIVITIES

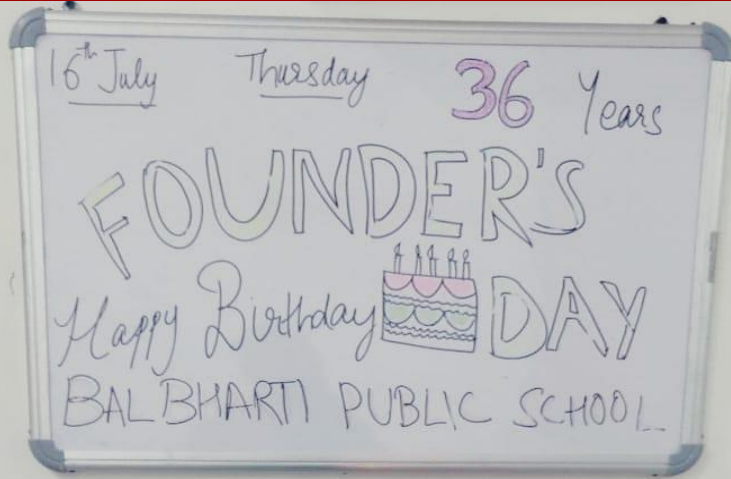

E-CELEBRATIONS

FOUNDER'S DAY

FOUNDER'S DAY

ACTIVITIES

To celebrate special days of the month such as Armed Forces Day, and World Book Day and World Heritage Day students participated in several **non-competitive activities** that **helped the learners develop collaborative skills, problem solving and, most importantly, sustain emotional balance.** Parents, teachers and students have made **amazing collective presentations on these events.**

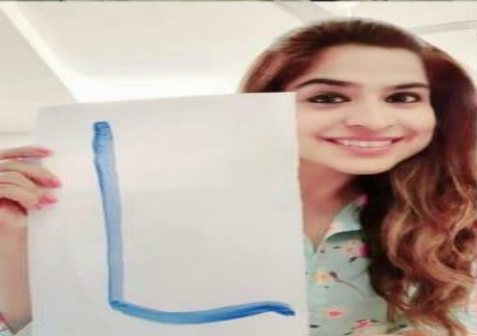

ACTIVITIES

World Heritage Day	18.04.20
International Earth Day	22.04.20
World Book Day	23.04.20
Mother's Day	10.05.20
International Family day	18.05.20

World Environment Day	05.06.20
Father's Day	21.06.20

MOTHER'S DAY

INTERNATIONAL FAMILY

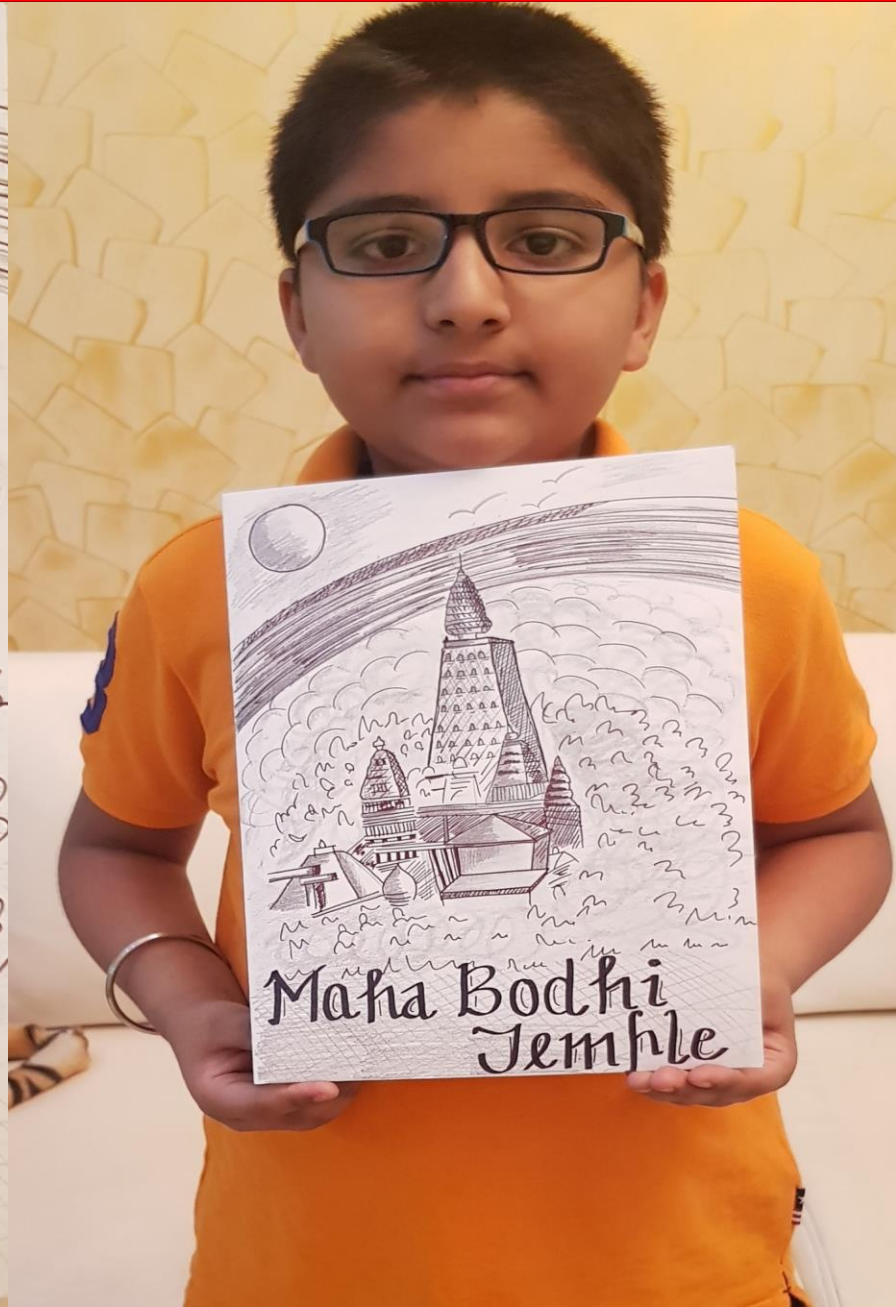

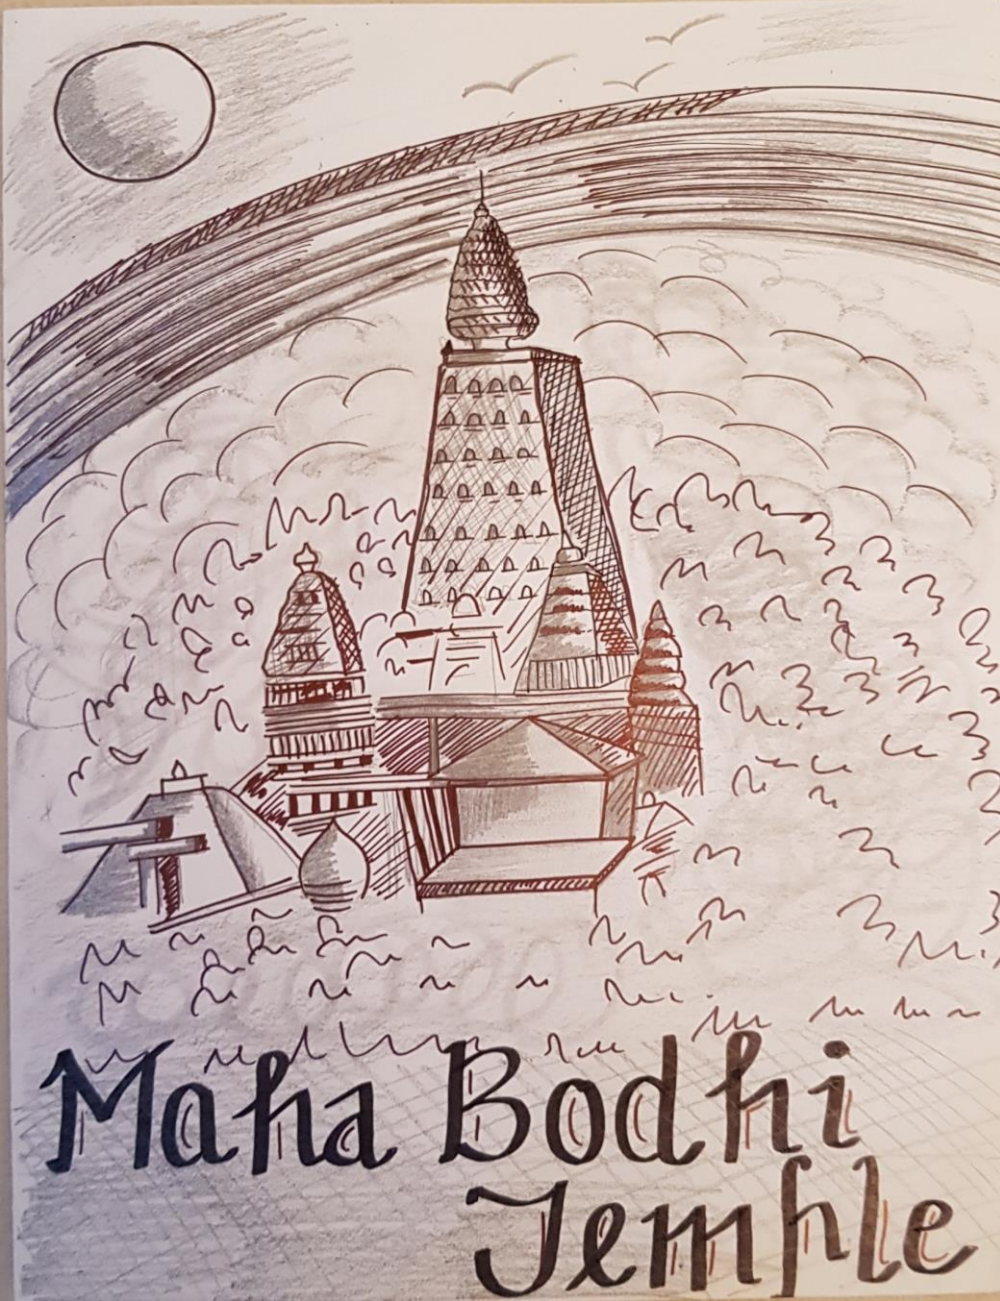

ARMED FORCES DAY

WORLD BOOK DAY

WORLD HERITAGE DAY

PRESENTATIONS

Teachers are taking on initiatives that go beyond the call of duty, lesson plans and online teaching to counter the negative impact of this extended period of being home locked. And their Herculean efforts were appreciated by **students and grateful parents** who **made video presentations and sent messages** highlighting the many ways the teachers are helping children to grow, explore, discover and move forward together, even while the world remains at standstill for now.

APPRECIATION LETTERS

Parents, Our Motivation

The live classes are easy to access and helpful. The notes prepared by teachers are really helpful. We are thankful to the teachers for providing these classes which were much needed.

Thanks

Ms. Ruchi Sharma
M/o Navya Sharma,
class XII

I find these lectures very helpful as I am able to engage my child into some activities on daily basis which help him in learning new skills.

Shikha Aggarwal (M/o Ayaan Mangal) (Pre Primary)

The idea of BBPS team starting with the online classes amidst this critical time is really admirable. My son has become punctual and gets ready to attend his class on time . It seems that teachers have reached our homes via online classes!! The idea of taking attendance by the class teacher daily before handing over the class to the respective subject teacher is also quite appreciable...

Shelly Garg, M/o Daiwik Garg, Primary

I am very happy that teachers are putting in so many efforts in each and every field. Extra-curricular activities are also very important for a child's development. The kathak class video and other dance videos are really helpful for kids to focus their time and effort on something fruitful. Thanks.

Mrs. Mamata Makkar,
M/o Navya, class VIII

APPRECIATION LETTERS

Students, Our Strength

The 16 minute physics video on 'Speed and Velocity' created and shared by the school is indeed conducive and efficacious. The explanation on the topic that was given by Neelam Malik Madam cleared the concept quite well. Real life examples given along are helpful in connecting and correlating the topic practically. Thank you madam. Looking forward to more of these.

Chaitanya Jain, Class IX

In this time of the crisis, I think that the study schedule has been very well planned. Moreover the PDFs sent to us for each subject are very effective. YouTube links are perfect for the assigned topic. The online sessions held on Google meet are of very good quality. They provide us a platform to ask doubts. I think that the assignments should be more. Lastly, I seriously thank all my teachers for being so helpful for us. -

Harshita Rathor, class XII

I highly appreciate the initiative of online classes and daily sharing of tasks and study material taken up by our teachers. It is actually helping all of us not lose our flow of study and inculcating in us notions of self study.

Vasudha Chanana, class XII

Our family is delighted to the fact that our kid is attending the ATL Classes. It will certainly help the kids in their personal grooming and make them tech savvy which is an essential requirement in the present modern world."

Palash Batra, Class VII

SPECIAL INITIATIVES

INITIATIVES

The school has become a virtual lifeline endeavouring to provide students a social network, along with a sense of continuity, purpose, growth and of belonging to a larger community. All efforts have been made to keep students active and motivated by adding color, music, joy and even surprise by initiatives like:

- **Critical Thinking Worksheets, ‘Solve to Evolve’** and special Vocabulary building activities in **‘Word Pursuit’** are given to students every weekend.
- **I Think, So I Am** worksheets that promote independent and critical thinking are done fortnightly in classes XI and XII.

INITIATIVES

- **Library Activities** are planned for students and links of apps that offer a plethora of audio books and e-books are being shared with them in order to foster the reading habit.
- The **HT School Edition**, the **e-paper**, is being shared with students and parents on Class WhatsApp groups.
- Our **Art department** has been preparing weekly short video-based lessons, explaining how to create beautiful pieces of art and craft.
- **Meal Planning Lessons** are shared with students every weekend to cater to their creativity, keep them occupied and to allow them to contribute in the domain of kitchen.

INITIATIVES

- The **Sports instructors** have been sharing videos with students, wherein they are performing easy-to-do exercises and yoga with the aim to help students and their family members to stay fit and healthy while at home.
- The **Music Department** has been sharing video lessons on Indian and Western Vocal and Instrumental music.
- Our **Dance Department** has created video lessons on Indian, folk and contemporary dance. Live dance classes are also being taken wherein parents also join in.

INITIATIVES

- **Household Task weekend activities** are given to the children in the Pre Primary classes.
- The Primary Department introduced '**Staycation**' - a video guiding and encouraging students to plan a vacation at home during the summer break.

INITIATIVES

- The Prefectorial Board took an initiative '**Maa ko Salaam'- A Tribute to Mothers**', offering a platform to the students to showcase their feelings for their mother and organised a series of activities on Mother's Day.
- The Prefectorial Board prepared a motivational video '**FIR MUSKURAYEGA INDIA**', showcasing their involvement in various activities during the lockdown period. It was a novel effort made by them to make their viewers smile and find ways to be happy.
- **Maalik Sambhal Lena**, a motivational video prepared by the students of class XI and XII was shared across all departments with the parents and was highly appreciated.

INITIATIVES

To infuse happiness and positivity among children and to energise their body and mind, a Happiness Program has been introduced in classes I-V. The program includes breathing exercises, meditation, story telling sessions and other expression activities.

STAYCATION

HAPPINESS PROGRAM

ENGLISH LANGUAGE PROGRAMME

A number of activities have been conducted in classes I to X as a part of the **English Language Programme** initiated by **Ms. Rekha Sharma, Education Advisor**, with the aim of making students proficient in the usage of English language. The following are being shared with the students on a regular basis:

- **Age appropriate Active vocabulary words.**
- **Recorded videos of poems and speeches by famous poets/speakers.**
- **Names and synopsis of suggested novels/ books by famous authors which are a must read.**
- **Audio files of the correct pronunciation of Active Vocabulary words.**

A project on Covid was devised to help develop multiple language skills.

E-NEWSLETTER

The School Connexion – our E-Newsletter, in 4 editions, was shared with parents and students. The same has been uploaded on the school website and Parent Portal.

The School Connexion

May 2020

From the Principal's Desk

Prayer changes everything, because it manifests God's wisdom into your circumstances.

Dear Bal Bharati, I have been thinking about you all these days. Love, Prayers and so much more, are only dispensed from the Ocean of Divine. Hope and Faith are stronger than fear and Prayer is the only power that creates it.

The World is confronted by an unexpected and unprecedented situation. We are proud of the tenacity of Bal Bharati that has chosen to stay closed with only residence and the staff to overcome every obstacle. Our staff is working longer hours connecting and interacting with children and their parents and preparing a repertoire of resources to ensure learning continues and achieved staff functioning beyond the school building.

Our parents, in diverse ways and in varied abode, have gone the extra mile to help contain and fight the situation. We are proud of our Parents, Alumni and Staff families and grateful to them for being in this Bharati and making this world safe.

Our alumni is our pride and a reflection of the values we instill for and progress. Members of the alumni have helped in our special event. Let us see their next step.

My special appreciation goes out to all families for taking on multiple roles and responsibilities in varied changes. Working from home and keeping a family safe is a colossal exercise to learn to share responsibility and connect with one another with love, care and sensitivity. Thank you dear Parents for your ongoing feedback, your appreciation and your support for the tremendous efforts being made by the school.

Our children have stood up very well to the restrictions the kids have endured. Let us work together to keep channelizing their energies in positive and productive avenues.

Once this storm is over, we may not remember how we made it through and how we managed to survive, we won't even be sure whether the storm is really over. But one thing is certain... when we come out of this storm, we won't be the same persons any more.

Life is an endless journey, an exciting voyage and a learning process. The lockdown can prevent us from reaching out to one another and to our dear children.

We are still looking forward to meet all our children making them the cornerstone of the school. Let us all be together while we ride through this storm of stress and anxiety and steer ourselves to normalcy and a more vibrant, better world when harmony and love for "Sudhakar's Karamkaram" become the order of the day. For now, let us stay calm, for a calm mind is the ultimate weapon against any challenge in life.

Best wishes to you all. Stay Safe, Stay Healthy, Stay Positive, Stay Happy.

Let the blessing of love always be upon us all.

With love and best wishes

Ms. Meera Desai

Principal

Our Digital Footprint

At a time when the COVID crisis has shaken the world to its core, the commitment of the teaching fraternity towards the cause of quality education for all has only got redefined. Our educators are dedicated towards bringing classroom teaching within the four walls of the homes of children. In the face of this telling adversity, our educators stand undeterred as they have been conducting online classes through Google Meet regularly. Their generous use of presentations, videos, quizzes, assignments and periodic tests through Google Classroom during the sessions has truly enhanced the teaching-learning process.

through are in the core, with examples of challenges.

of resilience.

This pandemic might change the world

to get the fact that tough times create

might be separated by distance and

times, we all are united at heart. We are

though now the platform is virtual,

I always let by example, so amid this

hardships of happiness and positivity,

ping our head together and not get

any and stress.

near I this challenge posed to us into an

only in our darkest hours that we

strength of the brilliant light within

never be dimmed.

Ms. Kavita Dhas

Head Mistress - Senior

Our Student Council

I am your teacher,

I teach you the virtual way,

I hope to see you again,

I wish to see you often...

I teach lessons,

I wish the moments when an action,

"Good Morning Mr Sir" you all used to scream...

I cater to your doubts,

I tell you the words and notes,

I wish I could sit in the class,

My happiness would then surely spike...

I miss the morning alarm,

I miss the school bell ring,

I miss talking the problems,

To me that you would often bring...

Let's pray for this phase to be eliminated

From our lives soon,

Let us hope spend our day at school

and be home only at night.

Our love for you is constant,

It's like the sun that will not set,

The school is really the body,

That we are trying to revive.

Ms. Neha Vaidyanathan

SCHOOL MAGAZINE

The School magazine, Sagarika, has also been converted into an E-flipbook.

<https://online.flippingbook.com/view/429645/>

ALUMNI INITIATIVES

The **Bal Bharati Old Student Association (OSA)** came forward to lend a helping hand in this pandemic situation by offering its support to those who are needy. The Alumni provided a meal a day to our Class 4 employees/support staff who were on duty during the lockdown period.

ALUMNI INITIATIVES

Our Alumni launched an empowering initiative for students to help them navigate the path to success in their fields of interest.

‘Men and Women of Substance’ was born out of the shared passion across the alumni community to enable the students of our school to achieve greater heights by sharing their struggles and achievements. The first season in May consisted of two 1 hour sessions organized every Saturday and was attended by all the students and many parents. The sessions covered areas such as CA and forensics, branding and advertising, healthcare, engineering, and the medical field.

Men and Women of Substance- An empowering initiative by the School Alumni

Season 1

- **Webinar 1 – CA and Forensics – The what and the how of it?**
By: Mukkul Aggarwal (Batch of 1996)- CA and Forensic Audit Expert
- **Webinar 2- Engineering to being a Healthcare entrepreneur –By: Saurabh Bansal (Batch of 2006)- IIT/IIM Grad and Founder Director Unexo Life Science Pvt. Ltd.**

- **Webinar 3- Becoming a Doctor and a Scientist in Nanotechnology-**
By: Shrey Sindhvani (Batch of 2006) MD-PhD at University of Toronto

- **Webinar 4- Path to become a Legal Eagle –By: Arijeet Mukherjee (Batch of 2006) Principal Associate at Cyril Amarchand Mangaldas and Tishta (Batch of 2014) BA LLB from NLU, Delhi**

Men and Women of Substance- An empowering initiative by the School Alumni

ISA

Generation Global, Tony Blair Face to Faith Foundation, encourages virtual dialogue among students beyond barriers of time and space. A team of our students from class X has been actively engaging in virtual dialogue with their peers by posting their thoughts and ideas on the Gen G website. This has enabled them to transcend borders by indulging in a meaningful dialogue.

ISA

- Students across classes have participated in the **Japan's Goi Peace Foundation Essay Writing Contest** on the theme 'A Letter From Myself in 2030' and the **Korea India Essay Writing Competition**.
- **An International Certificate Program** (to be conducted as a mix of online as well as Offline content) has been introduced by the **Danish Embassy** for July-December, 2020 for the students of classes I- XII. 29 students from the school have registered for the program.

ISA

Bal Bharati Public School, Pitampura, is working on a collaborative project on 'Self Care and Resilience' amidst COVID with Dapto High School, Australia.

Bal Bharati
PUBLIC SCHOOL
Pitampura, Delhi-34

We are BAL BHARATIANS.

We are Resilient.

We understand Self Care.

**Special
events!**

The text "Special events!" is rendered in a bold, red, rounded font with a white outline and a drop shadow. A bright green star is positioned above the letter 'i' in "Special". A large green exclamation point is placed at the end of the word "events!". The entire graphic is set against a light green background.

SPIC MACAY

Over 2000 students of classes Pre-Primary to XII participated in the celebration of **International Yoga Day, organised by NPSC in collaboration with Spic Macay on 21st June, 2020 at 7:00 a.m.** They learnt about the importance of yoga asanas, meditation and pranayama for a healthy life. **Shri Venkaiah Naidu, the Honorable Vice President of India,** addressed the students on the occasion.

INTERNATIONAL YOGA DAY

INTERNATIONAL YOGA DAY

VIRTUAL ASSEMBLY

The school has started organizing virtual assemblies using Google meet across all classes. A virtual assembly was conducted by the Student Council on 14th July, 2020. All students of classes XI and XII attended it wearing school uniforms. It left everyone emotional and nostalgic.

ASTRONOMY CLUB

Online Astronomy classes were conducted on Google classroom for Astronomy Club students in association with Space India. As a part of **Universe in the School** programme, the students of **class 8** participated in *Newton's Disk* activity.

Global Astronomy Month was celebrated in April and various Astronomy based events and international competitions were organised for students throughout the month. Some of these events were **Globe at Night, Astro Arts, Astro Poetry, Yuri's Night, Earth Day** and many more.

Damyka Kaushik of class VII secured Third position in the Astro Poetry and Super Moon Competition.

ATLAND BYTE CLUB

- **Online ATL sessions** were conducted for Tech Club students in two groups (as per their level of Competence) by Mr. Gurpratap Singh, the ATL trainer of the school. The group has submitted entries for online competitions -ATL Tinker Marathon and ATL Wall of Fame Competition.
- The students of the club created gadgets(Mini Water Dispenser, A Pinhole Camera, Mini Washing Machine and Mini ATM) honing their scientific skills.
- The **Byte Club** of the school organised **ByteX** - an Intra-School Tech fest for the students of classes VI-XII from 20.04.20 to 03.05.20.

ATL

ECO CLUB

The Eco Club organized a number of activities and competitions over the weekend and to celebrate the World Environment Day on 5th June, 2020. The activities included:

- Growing vegetables, microgreens from the seeds available at home
- Making manure with the kitchen waste
- Designing catchy slogans, posters and poems on conservation of electricity and water.

PINNACLE CLUB

- Students were made aware of **Cyber Laws** and were trained in following the desired protocol of attending online sessions. Mr. Rakshit Tandon's (Cyber Security Expert) video was shared with students and parents regarding safety measures to be followed while attending online classes.
- Our digital world is permanent, and with each post, we create a digital footprint. Through a **short-animated video**, the **Pinnacle Club** of the school took an initiative to spread the message that anything posted online is permanent and stays there forever, regardless of being deleted.

INTERACT CLUB

The Student Council has launched a drive wherein they are encouraging students, staff and parents to donate old electronic devices like mobile phones, tabs, Laptops not in use. We have received a very encouraging response and the items collected have been handed over to some students belonging to the EWS category to facilitate online classes.

INTERACT CLUB

Extending a helping hand to those facing challenges in difficult times the school distributes essential groceries every month to the EWS parents. Over 140 families benefit from this initiative. We thank our parents who have supported this endeavour.

SEWA SERVICES

CENTRE FOR TRANSIT PASSES

- Our school was identified by the District Administration, Government of Delhi, as a facility centre for providing transit passes to the people wanting to go to their native places/other states during the lockdown period.**
- Our school is also the centre for migrant labourers registrations.**

SAFETY AND SECURITY

The school has taken the following steps to ensure safety and security of all during this period:

- Temperature check of every person entering the campus is done at the gate number 1 of the school (entry is permitted from this gate only).**
- Hand sanitisation machines have been installed(with pedal function).**
- Face recognition software is stationed at the main gate and every visitor is scanned before entering the school.**
- Facial recognition attendance machines have replaced the biometric attendance mechanism.**

SAFETY AND SECURITY contd...

- **All essential safety equipment such as masks, gloves, face shields have been provided to staff members reporting for duty.**
- **Proper maintenance and cleanliness of the school campus is being ensured and regular sanitisation of the building is being done.**

Thank You!
