CHRISTMAS CELEBRATION

The children of Preschool enjoyed Christmas celebration by participating in a week-long fun activity conducted from 21st December to 24th December. Children tried their hands at Christmas craft and cookie decoration, dressed up in red with a Santa cap. They enjoyed carol singing and danced up on the tunes of Jingle Bells during the virtual party hosted for them.

To fill more fun this year, children were encouraged to decorate stockings and put them under their pillow on Christmas Eve and parents were secretly asked to fill them with gifts and goodies.
