

**BAL BHARATI PUBLIC SCHOOL, PITAMPURA**

## **MATHEMATICS**

**DATE: 16.12.20**

### **Greetings**

**Dear Students,**

**Hope that your online learning process fills you with energy and enthusiasm.**

**Here is your daily PDF lesson for today.**

**Subject Covered: MATHS**

**Topic: - Addition with Regrouping**

- Tables

**Subtopics: -Number Stories**

-Addition with Regrouping

-Tables (Revision)

### **Learning Outcomes:**

- Each child will understand the meaning of the word problem, keywords and the numbers to solve the word problems.
- Each child will head towards a better understanding of text problem solving and life experiences.
- Each child will be able to do dodging tables (2 to 10)

### **Instructional Aids:**

Base Ten Blocks, YouTube videos, Play money, Ganit Mala, E-learning Lessons and Online classes.

### **Lesson development:**

**Task 1** – Number stories- Maths Book Page Number 83 & 84

**Where to do** - Maths textbook cum workbook- Page no. 83 & 84

**When**—in the **online class**

**Task 2** – Worksheet - Number Stories

**Where to do** - Take a printout of the worksheet.

**When**—in the **online class**

**Task 3** – Addition of 2- digit and 3-digit numbers with regrouping.

**Where to do** – Maths notebook

**When**—in the **online class**

**Task 4** – Revision of Tables 2 to 10

**Where to do** – Maths notebook

**When**—in the **online class**

**Task 5** – Google form link will be given related to Addition sums (without carrying) Subtraction and tables.

😊 **NOTE:**

1. *Keep revisiting the previous modules and concepts along with the new one.*

**Bal Bharati**  
**PUBLIC SCHOOL**

## Number stories

### Let's Practise

495

242

a A shopkeeper sold 58 Frooti bottles and 37 Mirinda bottles. How many bottles were sold in all?

H T O

Ans : \_\_\_\_\_ bottles
