

BAL BHARATI PUBLIC SCHOOL, PITAMPURA, DELHI-110034

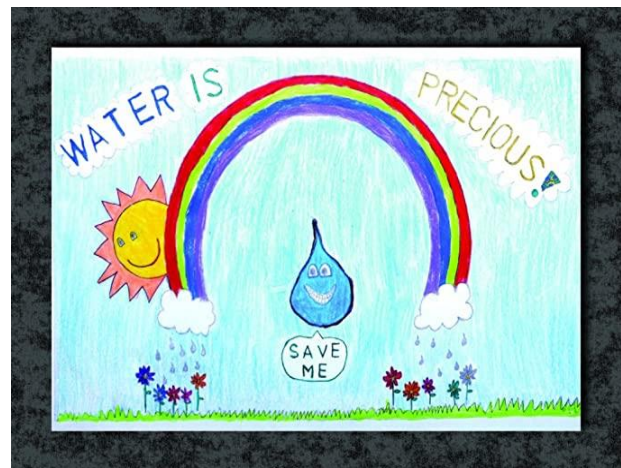

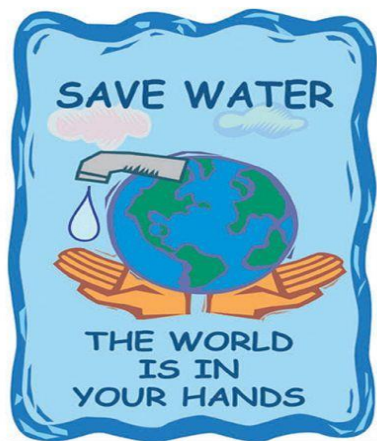

CLASS III SUBJECT - EVS (2020-21)

TOPIC- WATER - A NECESSITY

NAME _____ CLASS III _____ DATE - 01/12/2020 TO 04/12/2020

LEARNING OUTCOMES- Each child will be able to observe and enlist the various ways in which they can save water.

Art Integrated Learning- Make a poster and write a slogan on "Water is Life".

FUN TIME.....Pour water in different containers and observe how it takes different shape. Click some nice pictures and share with your friends.

1. 72 percent of the Earth is covered with water..
2. We can use only 1 percent of the total water available on Earth.
3. We cannot drink the water present in oceans and seas before it is salty.
4. Earth is also called blue planet because three-fourth of the Earth's surface is covered with water.

LET US IDENTIFY SOME WAYS BY WHICH WE CAN SAVE WATER.

- ❖ Use the water left in your water bottle to water plants.
- ❖ Do not keep the tap running while you brush your teeth.
- ❖ Use a bucket and mug to water plants or wash vehicles.
- ❖ Get leaking taps and pipes repaired.
- ❖ Use water left after washing clothes to mop the floor.
- ❖ Take a bath with a bucket and mug and not a shower.
