**3<sup>rd</sup> group of verbs**

**Re ending verbs**

The regular – re ending verb and irregular re ending in a group are called 3rd group verbs.

Let us learn regular – re ending verb.

There are some regular French verbs that end with -re. To conjugate them, there are 3 steps to be followed.

**Step -1** Remove “RE” from the root verb (like Attendre- To wait, vendre- to sell etc) to find out the radical

Radical

Attendre (root verb)  $\xrightarrow{\text{remove RE}}$  Attend(radical)

Vendre- (root verb)  $\xrightarrow{\text{remove RE}}$  Vend(radical)

The verbs which are irregular – re ending verbs are as follows.
