PRINCIPAL'S REPORT

30th October, 2020-25th March, 2021

WELCOME

Respected Chairman Sh. L. R. Channa, Secretary, Mr. Bhattacharya and Honourable Members of the Managing Committee of the School, it is my privilege to welcome you to the 116th Managing Committee Meeting of Bal Bharati Public School, Pitampura. Amidst the chaos and challenges, we have spiritedly stepped into 2021.

‘Hope smiles from the threshold, whispering, It will be happier’.

2021 offers us a chance to catch up on what may have slipped through our hands, a time to achieve what may be next on our list. With the guidance of our esteemed management, we will overcome whatever challenges this year throws at us, just as we did last year, with renewed fervour and greater tenacity. We are returning from the virtual world to the real one.

We would like to express our gratitude to our Chairman, Sh. L. R. Channa, who has always inspired us to dream more, learn more, do more and become more. You have been a beacon of light guiding us through the tough times during the year gone by, empowering us to do our best. We are ever grateful to our Secretary Manager, Mr. Bhattacharya, who goes out of his way to boost our self esteem and confidence and makes us believe in ourselves. We are fortunate to have the support of each member of this August Committee. Every member of the school fraternity was well taken care of all through these difficult times. For this, we express our earnest gratitude.

*Prayer is the most powerful weapon
against trials.*

We believe in the power of Prayer.

**Our prayers go out to members of
the Bal Bharati Pariwar who have
lost a family member or a friend
to COVID-19 during this period.**

The year 2020 came with its own set of challenges. However, our inherent strength enabled us to overcome the hurdles we faced and step into 2021 with a sense of achievement. The school was fully functional following the norms of the New Normal. We ensured that the children were provided with every opportunity for their holistic development, with special emphasis on the physical and mental health. The school organized webinars for students to empower them with the skills required for becoming effective learners and conscious beings. Teachers were provided opportunities for personal as well as professional growth through virtual webinars and workshops. Our valued stakeholders, the parents, were guided on parenting during pandemic through special virtual sessions by experts. It was, indeed, a year of trials, tribulations and triumphs.

LETTER OF APPRECIATION

I feel extremely privileged to put on record our sincere appreciation for Bal Bharati Public School Pitampura, New Delhi for facilitating a research: **“Utility Of Kalawati Saran Children’s Hospital Adolescent Screening Tool For Screening School Going Adolescents For Need Of Detailed Medical Evaluation”**. The school worked in close collaboration with Centre for Adolescent Health, a WHO collaborating Centre for Training and Research in Adolescent Health at Kalawati Saran Children’s Hospital and Lady Hardinge Medical College, and Kamala Nehru College, University of Delhi. When the team proposed the research idea, the School Principal generously granted us the permission to conduct the study in the school.

The cooperation and coordination work undertaken by the School Counsellors, Ms. Shreya Gandhi, Ms. Saaneya Kapoor and Ms. Yashvi Bhatnagar to ensure a smooth conduction of the research was impeccable. The Counsellors also worked in unison with our team of doctors to undertake sessions with students who were found to be in need of emotional support.

I am also grateful to the 100 students of the School and the parents who consented their wards to be a part of the study.

On behalf of myself and the entire research team, we heartily express our gratitude to the School Principal, Ms. Meenu Goswami and Vice Principal, Ms. Sonia Chhabra for their invaluable assistance to get everything done in a timely manner.

Student Corner

Daddy, let's go out again

*The sound of her giggles
The sound of her tears
The sound of her scribbles
They rang in my ears*

*The light in her eyes
Of innocence, she was the best
But he hid his lies
He did not care about the rest*

*The way she styled
It made my day
The day she smiled
Showed me the way*

*It was all his fault
His way was wrong
Her sadness, her assault
I can't stand it long*

*Her feelings drooling out
Her tears on my hand
I could hear that silent shout
Now I know why she couldn't stand
Even I could see*

*Her fearful nightmares
She was sad, she was unhappy
Busy recalling her affairs*

*The years passed by
Then one day she came
The glow back in her eye
She said, "Daddy, Let's go out again"*

*The world always shows
That men are superior
But after this case I know
That men are inferior*

*I wish I go to hell
So to the rapists I could tell
How disappointing it felt
When you raped the woman
from whose womb you fell*

Vision

The Vision...

Mr. L. R. Channa
President
Child Education Society
Chairman
Bal Bharati Public School

All you need is the plan, the road map, and the courage to press on to your destination. - Earl Nightingale

From the humble beginnings in the year 1944 to standing tall today, as a prestigious name to reckon with, the Child Education Society has transformed every challenge into an opportunity while traversing a journey of 75 eventful years. Its state-of-the-art institutions and a team of committed stakeholders has been fulfilling the promise of educating and empowering young minds.

Placing pronounced emphasis on the three key aspects for quality life: Knowledge, Attitude and Skills, Bal Bharati Public School, Pitampura has been a pioneer in creating individuals who are proficient in thinking critically and creatively, can find concrete solutions to their problems; can empathise and communicate effectively; have strong inter-personal relationships, and are able to cope with stress and emotion constructively. In the arena of performance, our students have left no stone unturned in scripting stories of success in the field of academics, sports, art and aesthetics, at the national and international levels. Latest pedagogical approaches, coupled with educationally insightful workshops and seminars equip the children with the tools of efficacy and efficiency to face the challenges of life with confidence and clarity.

Upholding this tradition of excellence over success, BBPS, Pitampura has and will continue to make passionate efforts to produce committed individuals with balanced personalities and a vision directed towards global well-being. I would like to extend my heartiest congratulations to the Principal, Ms. Meenu Goswami and all other stakeholders who have devoted and dedicated themselves to this temple of learning.

Spirit

The Spirit...

Mr. S. K. Bhattacharya
Secretary/Manager
Bal Bharati Public School

*"Don't be pushed around by the fears in your mind,
Be led by the dreams in your heart."*

In today's era where knowledge is growing at unprecedented rate, it is futile to work feverishly in teaching young minds the lessons that have no practical consequences. The millennials today require life skills not only to ace beyond competitors but also to represent intuitive citizens of a vivid tomorrow. We, at Bal Bharati Public School, firmly believe that integration of life skills from a younger age allows children to marvel, investigate, experiment and innovate. Taking into consideration the need of the hour, we arm our students with technological supremacy and help them integrate it with values and ethics. Students learn more intrinsically at a molecular level when emphasis is laid on nurturing their creativity and inquisitive power. Assimilation of such essential life skills equips students to thrive in the classroom and in the world beyond.

Since its inception, the school has proven its mettle in myriad domains by giving students a platform to unleash their latent talent. It remains my earnest wish that Bal Bharati Public School, Pitampura continues as the lighthouse of goodness, guiding the destiny of its students and radiating kindness and compassion as it soars high in its pursuit of academic excellence. As a proud member of the Bal Bharati fraternity, I commend the Principal, teachers and the student body for taking the school to newer heights. I pray that God showers each one of us with His divine grace and blessings, and that our institution continues to grow in faith and integrity.

The heights by great men reached and kept were not attained by sudden flight, but they while their companions slept were toiling upward in the night.

To make textual learning more vivid, graphic and enjoyable, CBSE has launched the Graphic Novel project. Teams across 50 schools of India are working on converting chapters of various subjects into fascinating graphic stories. A team of teachers from our school is working on this project. Innovative content is being created for 9 different novels.

INITIATIVE

Recognizing the need to equip the staff with the necessary technological tools and skills, an IT Skill Enhancement Program, Tech-a-Thon, has been initiated from 4th January 2021. The teachers across the school have been divided into groups- Alpha, Beta and Gamma, and receive training every Saturday by members of the Computer Science Department. The staff was given hands-on sessions on Flipgrid, Filmora, Google Apps, Adobe Spark to name a few.

The students and parents are updated with the latest achievements of students, staff members and the school through slides shared on daily basis on official whatsapp groups. This initiative of appreciating the efforts of students motivates them to move to greater heights of excellence. Our parent community has really appreciated this endeavor.

INITIATIVE

WELLNESS WEEK was organized in the PRE-PRIMARY AND PRIMARY DEPARTMENT from 1st to 4th December, 2020. Activities like YOGA, MEDITATION AND MANTRA RECITAL helped students relax and de-stress. Sessions on HEALTHY EATING, DENTAL HYGIENE helped students understand the importance of good health and hygiene.

Various COUNSELLING AND MENTAL HEALTH ACTIVITIES were conducted for students ACROSS ALL CLASSES:-

- To impart LIFE SKILLS that are important at the given age of the kids.*
- To create a safe space for children to REACH OUT FOR HELP.*
- To allow children to express freely, think creatively and learn through MUTUAL SHARING OF EXPERIENCES.*

Bal Bharati
PUBLIC SCHOOL

ASMI SHARMA of Class VI and TOYESH KUMAR of Class IX clinched the FIRST POSITION in the event 'SATELLITE FROM TRASH', organised by SPACE INDIA.

SUYASH ANAND of Class II secured the THIRD POSITION in an inter-school competition 'HASYA KAVITA (ON COMPUTER APPLICATION)', organised by KULACHI HANSRAJ MODEL SCHOOL.

The children across classes IV to IX have been trained to use advance technological tools like Flipgrid to upload their assignments/new learning /experience /experiment in the form of audio/video files. The idea is to provide as many platforms as possible to children to experiment, express and showcase their talent.

The National Education Policy 2020, stressing multilingualism as a force for national integration, provides for introduction of Sanskrit at the foundation stage and promotes it as an important and enriching option for students in school. Taking forward the CES initiative, the Sanskrit and Hindi teachers guided the students across all classes in chanting Vedic Mantras to instil in them love for the ancient Indian culture and bring them closer to their roots. The videos are played during the Class Teachers' Period.

INITIATIVE

The word 'INITIATIVE' is written in large, bold, red capital letters. The letters are decorated with various business-related icons: a man in a suit pointing up, a line graph, a bar chart, a magnifying glass over a document, a man in a blue shirt pointing, a gear, and a woman in a blue top and grey skirt walking. The background is white with blue dots.

Weekly News Bulletins, which have a set format, are presented in rotation by the different sections across classes. The Class Teachers ensure maximum participation in the same from their classes. The highlight is the Debate/ Panel Discussion on a current issue. Students think critically, articulate, debate and discuss a wide range of issues. This initiative has been highly appreciated by the parents and has instilled in the students tremendous amount of confidence.

FEEDBACK- WEEKLY BULLETIN

The weekly news bulletin is a great way to start every week since it opens a different door of learning and general knowledge about the world. The amount of effort put in by each participant is commendable. – Ms. Karishma Kapur, M/O Saesha Kapur, Class VIII

Loved the thought behind the project- News Presentation. Very well presented. The confidence and presentation skills of the students were commendable. Kudos! - **Mr. Tanvir Singh, President-Old Students Association**

The Presentation of News was awesome and the tech. work was extraordinary. Thanks for guiding my ward all the way and giving her this opportunity. - **Ms. Riya Mehra, M/O Thanasha Mehra, Class X**

The school hosted an E-Career Fair on 26th and 27th December 2020-a one stop platform for career guidance. The event witnessed six informative and interactive Career Webinars. The panel of eminent career counsellors included Mr. Jitin Chawla, Mr. Ritesh Jain, Mr. Nakul Shairwal, Mr. Arun Bhatia, Mr. Binit Binod, Mr. Vivek Sharma and Prof. Mamta Sharma.

The event witnessed enthusiastic participation of more than 500 participants from many units of Bal Bharati.

STUDENTS FEEDBACK

The career fair was very informative and helped me learn a lot more about education after high school. The balance between information on a road and domestic studies was well managed. It taught me new things and assured me that my existing thought process was well-directed. Anshika Chadha, XI-D.

The Career Fair made me come face to face with a plethora of career options especially when everyone thinks there are limited ones for humanities. I came across some universities that have been on my list and the type of competitive exams they accept, the information was presented in a concise manner. Indeed, the session provided an insight on career guidance which is the need of the hour for XII class students. Punya Malhotra, XII-H

The Career fair organised by our school was very insightful. It helped me to learn how to build my CV and avail different scholarships. It helped me to expand my options for further education by opening my mind about different career options which I can pursue according to my stream. I am very thankful to the school for organizing this event. Vani Goel, XI-D

The alumni presented an enriching and informative series called Men and Women of Substance. Eminent alumni presented a kaleidoscope of experiences from varied fields like art, music, dance, business, robotics, medicine etc. to provide a comprehensive idea of career opportunities to class XI and XII and to enable them to make empowered career choices. We completed two seasons of this program in 2020.

‘Collaborators’ is a specialized initiative of the Senior Secondary Department wherein each member shares a soft skill/a tool used in classroom teaching, with the department. This peer learning-sharing venture aims at equipping educators with the latest technology. Ms. Namrata Alwadi conducted a session on using ‘Wakelet’ as a teaching resource on 15th December, 2020. The next session was conducted on 22nd December, 2020 by Ms. Meenal Goswami and Mr. Pankaj Bhanwani, on using ‘Pear Deck’ and ‘Eclipse Crossword’ respectively.

‘Guardian Teachers’ have been appointed to mentor students facing economic, physical, emotional or psychological challenges and to help them deal with the anxieties and hurdles they face. There is a constant follow-up by these mentors.

The series, *I Think So I Am*, is another ongoing process which enables students of Classes XI and XII to think critically and out of the box.

The Primary Department has initiated **Knowledge Spree** wherein a GK Quiz is attempted by the students every fortnight after which it is discussed by the Class Teacher.

Story Spinners is an initiative in which the students of Class V are trained for story telling by the Class Teachers and the respective English Teachers. One story is selected per section. Children from each section prepare one story that they perform for a section of Class III.

Online Baking Sessions are being conducted over the weekend for the students of Class V by one of our parents, Ms. Ritika Garg. The children enjoy learning to bake cakes, cookies and muffins. The parents join in too and have shared very appreciative feedback on the same.

INITIATIVE

The word "INITIATIVE" is written in large, bold, red capital letters. Above the letters are several icons: a person in a white shirt and tie, a bar chart with an upward arrow, a magnifying glass over a document, a person in a blue shirt with a gear, and a person in a blue shirt and white skirt with a gear. The background is white with blue dots.

Online Vedic Math Sessions, initiated for the students of class IV, have been going on successfully. The sessions are conducted over the weekend by Akshit Nagpal, a student of class 10 of our school. More than 70 students participate in these sessions and learn new ways of gaining proficiency in Mathematics.

Let's Explore India involves students of Class I & II in learning about the country they live in, through a series of tasks. As a part of the ongoing series, the students get acquainted with interesting facts about a state with the help of a PPT and a worksheet, once a fortnight. During this period children learnt about West Bengal, Uttrakhand, Ladhakh and Himachal Pradesh.

Fun task - The students of Preschool to Class II are engaged in various activities such as watching a movie, reading funny stories, riddles and tongue twisters, and attempt critical thinking worksheets based on these.

Pronunciation Notebook - Class II children are guided to speak commonly used words with the correct pronunciation. They maintain the Pronunciation notebook and pin new words in it. Activities related to these words like 'Word Chain' are also conducted.

Personality Development Classes provide an opportunity to the Preschoolers to express their emotions, enact and speak monologues, learn to compare, engage in lots of Listening and Speaking activities, music therapy etc.

Motor Skill Activity Classes give children opportunities to perform simple stretching exercises, yoga, rhythmic dancing, aerobics.

PARENT VOLUNTEER PROGRAM

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents. ‘Parent Volunteer Program’ was initiated in the Pre-Primary Department. The parents volunteered to share their knowledge and talents by presenting stories, rhymes, craft work etc. during the virtual classes. These activities were entertaining as well as educational. An appreciation letter was given to these parents to express gratitude for their efforts.

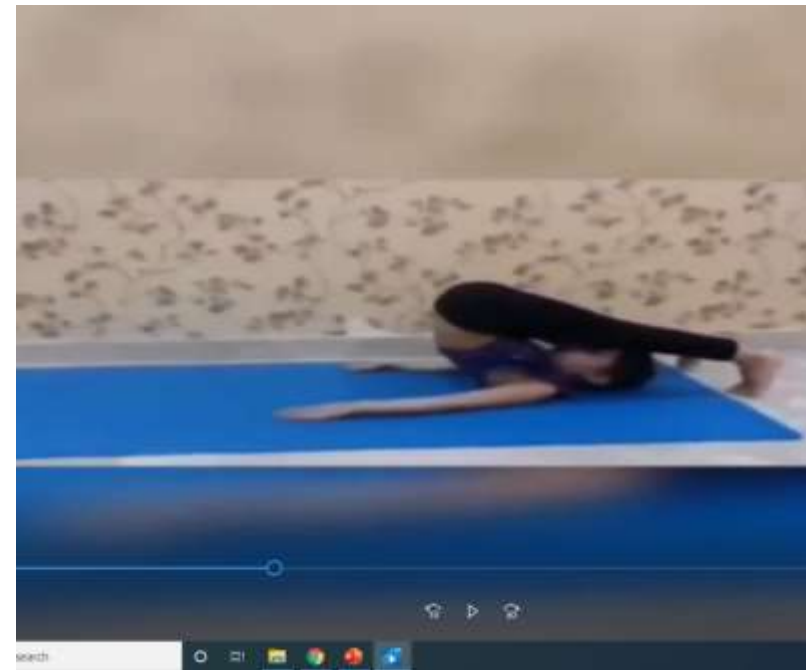

PARENT VOLUNTEER PROGRAM

The Annual Sports Day of Pre-Primary Department was held on 12th March, 2021 through Virtual sessions. The children showcased their talent in various sports and drills. The teachers made them aware of the importance of staying fit and healthy while adopting regular sport or yoga in their daily routine.

ACADEMICS

ENGLISH LANGUAGE PROGRAM

Carrying forward the English Language Enrichment Programme initiated by Ms. Rekha Sharma, Education Advisor, a number of new activities were shared for the students of Classes I to X to help enhance the Vocabulary and Communication Skills of the students.
