

**BAL BHARATI PUBLIC SCHOOL, PITAMPURA, DELHI – 110034**  
**PRIMARY DEPARTMENT**  
**JULY 2021**

**CBSE activities- Art Integrated Learning, AAC, SEWA, Ek Bharat Shreshth Bharat etc.**

❖ **AAC Activities – July 2021**

Class	Subject	Topic	ACTIVITY
III	Mathematics	Place Value and Numbers	Arrow Card Activity
IV	SSC	Northern Mountains	Informal Letter Writing
IV	SSC	Our Climate - Seasons	Interviewing Grandparents
V	SSC	Parallel and Meridians	My Culinary Skills
V	Science	Vegetative Propagation	Growing New Plants

✚ **Class V – Social Science - Parallel and Meridians – Culinary Skills:**

All students of class V enjoyed decorating their salad platters during their online class. This was a true energizer for the kids which helped them strengthen the concept of parallels, meridians and grid on a globe. Students, with the help of their parent, sliced cucumber to show parallels, diced onion to show grid and cut potato wedges. Later, they placed them aesthetically on their platters. Students focused more in class and also learnt while enjoying self-made salad. It was a fun activity for all as few enjoyed dancing while other enjoyed watching them dance. This activity proved to be an excellent source for Joyful Learning.

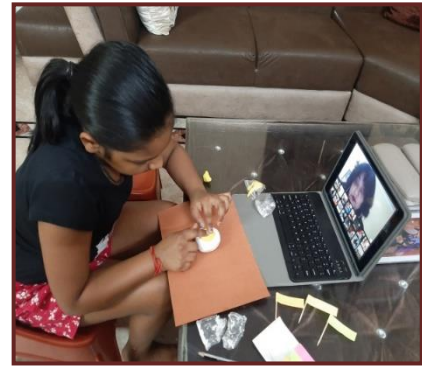

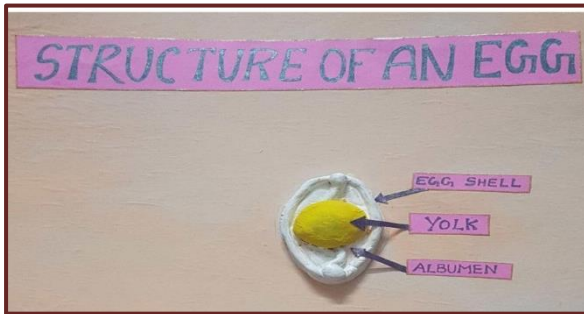

❖ **AIL Activities – July 2021**

Class	Subject	Topic	(AIL) – THEME
III	English	The Whispering Palms	Collage Making Activity
III	English	Who Did Patrick’s Homework?	Drawing of the Favourite Magical Character Speak about the same
III	EVS	Balanced Diet	Culinary Skills
III	Hindi	Chaloo Udd Chalen	Paper Flowers
IV	Science	Animals – How Life Goes On	Clay Moulding – Structure of an Egg
IV	Science	Animals – How Life Goes On	Life Cycle of a Butterfly using Macroni Pasta
IV	SSC	Northern Mountains	Collage of Dresses

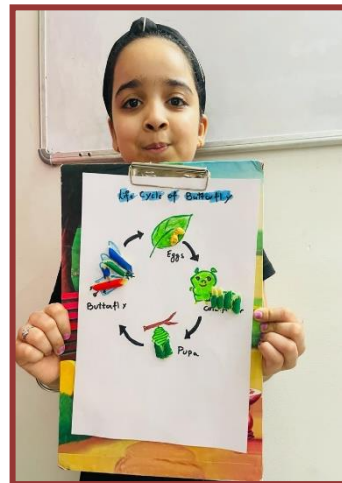

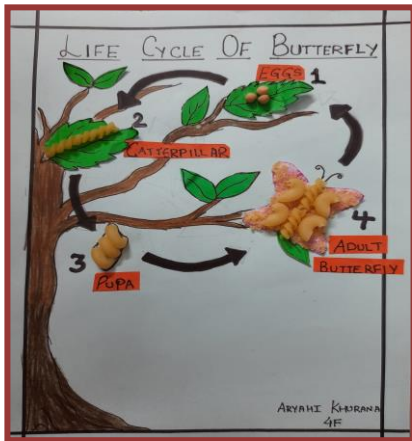

V	Hindi	Kaagaz ki Nao	Paper boats + Recitation of Self - Composed Poems
V	Social Science	Weather and Climate - Heat Zones of the Earth	Mosaic Activity

**Class IV - Animals - How Life Goes On - Structure of an Egg:**

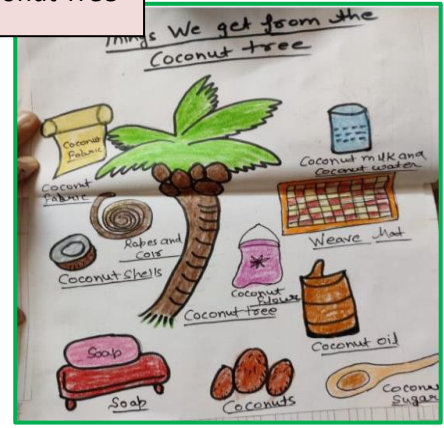

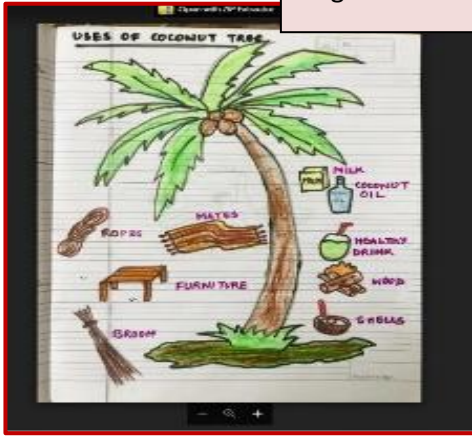

To help children gain interest and appreciate the need and importance of the process of reproduction in living things while also understanding reproduction in oviparous animals, the children were asked to create the structure of a hen's egg through clay modelling. The children very innovatively explored alternate materials too like dough, turmeric powder or even the all-purpose flour to create a well labelled structure of an egg. The activity which was thoroughly enjoyed by all children not only helped them recall the role and importance of the different parts of an egg but also trace the developmental stages of the embryo in the life cycle of a bird.

**Class IV - Animals - How Life Goes On - Life Cycle of a Butterfly - Joyful Learning:**

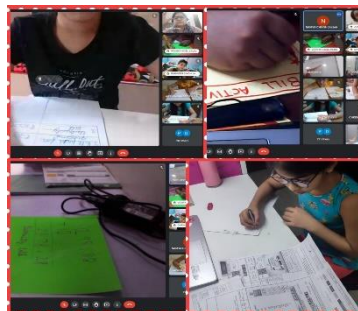

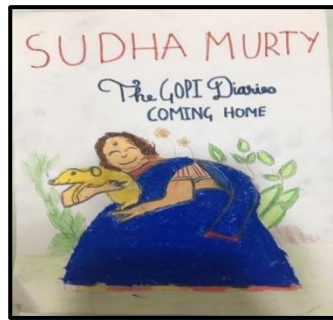

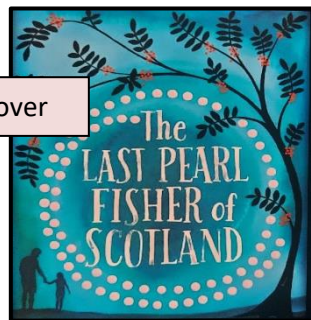

English - The Whispering Palms – Uses of a Coconut Tree

V	Mathematics	Large Numbers – Writing a Cheque	Experiential Learning
V	English	Alice and the Mouse – Book Cover	Joyful Learning

Class V – Book Cover

Class IV – Data Analysis

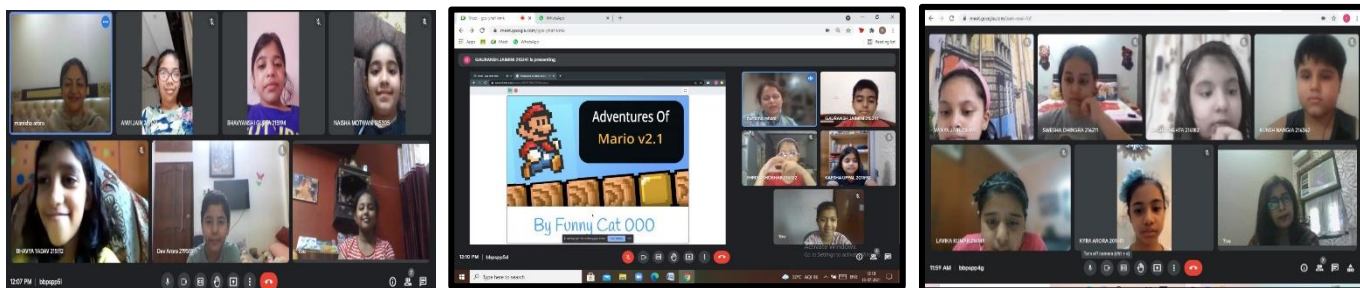

1. **SPECIAL INITIATIVES:-**

❖ **WOW – Word of the Week:-**

The initiative of introducing a new word every week has been going on successfully in the Primary Department. A new word for the week is shared with the students every Monday which is discussed at length during the Online classes; followed by the students doing the same in their Vocabulary Notebook framing a few sentences on their own.

### ❖ Daily Interaction with Students:-

As an initiative towards strengthening their bond with the students, the teachers of the Primary Department meet 5 students everyday for 15 minutes and discuss general things with them, such as any latest happening or anything that the students would like to talk about or share. The initiative has immensely helped in enhancing the students' Communication Skills, thereby making them become more confident orators.

## 2. IDS (International Dimension in Schools) – Earlier ISA:-

### ❖ World Environment Day:-

As an extension activity towards celebrating World Environment Day, the Primary Department observed Van Mahotsav. 'Van Mahotsav' is an annual tree-planting festival celebrated in the month of July in which thousands of trees are planted all over the country. Not keeping students aloof from the same, it was observed in the Primary Department from 5th to 9th July. This drive proved to be successful in spreading awareness about forest conservation and the need to save the environment. Students across classes 3 to 5 actively participated by planting saplings to raise awareness about the importance of trees. The Science teachers also held a discussion during online classes to reinforce the importance of green belt.

### ❖ Virtual Exchange:-

The Primary Department has initiated an Online Partnership Programme with DPS (Delhi Private School), Sharjah. It has been a great journey so far with the Heads of the Department of both the schools getting connected with each other through regular emails. Both the schools plan to make the students meet each other virtually in the last week of August, when DPS will reopen after the Summer Vacation.

### **3. SPECIAL EVENTS/ SCHOOL EVENTS/ DAYS CELEBRATED:-**

#### **❖ Founder's Day:-**

Bal Bharati Public School, Pitampura celebrated its 37th Founder's Day on 16th July, 2021. The Primary Department organised a special assembly to commemerate this occasion. The assembly started with the school song followed by a PPT showcasing the beautiful journey of this esteemed institution since 1984 till date. Address by one of the staff members highlighted the journey of the school since its inception. The students of the Primary Department pledged to keep the mast soaring high.

#### **❖ Online Baking Sessions:-**

With an aim to make this time more fruitful for its students, the Primary Department has started **Online Baking Sessions** for the students of Class V. The same are held over the weekend, so as to ensure maximum participation from the students. The sessions are being successfully conducted by one of our PTA members, Ms. Ritika Garg. This initiative has not only inculcated life skills among the children but also strengthened our bond with the parent fraternity.
