

JUNE ACTIVITIES

preschool

EARTH DAY

Plastics are biggest threat to the environment. Recycling plastics is important to save Mother Earth and the best and easiest way to recycle plastics at home is to convert them into plastic bricks called “Eco Bricks”. Children of Preschool made Eco Bricks with used plastics, wrappers, straws and big empty bottles in the virtual class on 28.6.21. They were asked to think creatively to make use of Eco Bricks prepared by them constructively for decorative purpose.

International Yoga Day

Children of Preschool celebrated **International Yoga Day** on 21/06/2021, session of half an hour was conducted live in the virtual class wherein children followed their teachers and performed meditation and different yoga exercises e.g., Om Chanting, pretend to be a tree, frog, butterfly, and snake. They also learnt how important it is to make yoga their daily routine to have healthy and flexible lifestyle.

World Health Day

The preschool children and teachers celebrated World Health Day on 16.06.21. The same was not covered on the scheduled date (in the month of April) due to a sudden covid lockdown. The tiny tots were told the meaning of health and fitness. A Power point presentation showcasing the benefits and different ways to be physically fit like dancing, cycling, and aerobics was shown and discussed with the children. They also coloured the 'Fit Smiley' printed on the worksheet.

FATHER'S DAY

The Preschool children celebrated Father's Day on 24.6.2021 by sharing their feelings about their father that, how much they are connected and have a loving bond with each other. Children talked about their father's favorite things, what they like to do, how their father help them or their mother, which car he drives etc. Overall, it was an interactive activity, where children also shared that how they engage themselves in the activities that they like to do with their father and enjoy. Children participated actively and expressed their thoughts about their father confidently. The facilitators concluded this activity by briefing the children that, it is a day when children pay gratitude to their father for always being there for them and to make their father feel special on this day, they can plan a surprise for their father, can give a gift/card or can give them a big hug with a lovely smile.
